Not a great day for the senior side. Another important game and a win would have seen us with a chance to still play finals this year. Camperdown beat us convincingly in all aspects of the game, and although we tried to fight back in the second half it was all too late. As long as we keep learning from our losses it's not all doom and gloom. We realise we need to play with more intensity and accountability if we are going to win games. We are capable enough, just have to bring our A game every week. Hugh Douglas was good with 5 goals from limited opportunity, Josh Meulendyks, Josh Pepper and Chris Quinn fought hard down back under pressure, and Jayden Watson shown once again he has the ability to be a fantastic player. But overall we had too many players who were average or poor on the day. We will fight hard to finish the season strong.

**Best Players:** B. Thomas, J. Meulendyks, C. Quinn, H. Douglas, J. Watson, E. Guthrie

Upon arriving at Leura Oval we found that report comparing it to a 'Cow Paddock' were a bit unfair, with the dry week seeing it resemble an overgrazed sheep paddock more closely. Needless to say the boys from the "Wool Capital of the World" were more at home than the Dairy Farmers from Camperdown, especially as they are not allowed to wear gumboots on the field. Kicking against the wind in the first quarter saw a relatively even contest as we went to the first change 7 points up. The wide open expanses suited our running game, but a few turnovers and a bit of ball watching allowed them to stay in the contest. We broke the game open in the second quarter, and in the third and fourth Camperdown went into percentage management mode, as they could ill afford a blowout which could see them slip out of the 5.

This week's highlight was the double pronged forward line of Alan 'Buckets' Martin and Ian 'Clunker' Watt marking everything that came their way. The lowlight was what could have been a highlight, had he kept going, Josh Kearney taking a 100m bouncing run down the mountain wing, only to kick it directly to the opposition at half forward.

North Warrnambool are currently 3<sup>rd</sup>, so we have another test next week, with Portland still just a game behind.

**Best Players:** A. Linke, T. McCann, I. Watt, J. Iredell, L. Uebergang, J. Kearney

### **Coaches comments – Jason McIntosh**

Saturday's game was probably one of the most important games of the season. I lose would mean a difficult pathway to the finals playing the two top teams in the last 2 rounds.

After trailing by almost three goals throughout the second-quarter. The boys fought back tirelessly to get the game on even terms. All 21 players contributed in their own way, although some may have not got a good run they did the job when needed.

After a very close game throughout second half we come out on top by 2 pts. The boys really had to fight hard for four quarters to get the win.

The four points are very important, but the best two games will determine whether we play finals or not. The boys will be looking forward to the challenge, and no better teams to test yourself but the top two!

Finals a real chance, keep working hard!

The A Grade girls started the game strongly putting three goals on the board before Camperdown scored. We were playing well but then we allowed them back into the game and they got a sniff and were fighting really hard. We made some silly passing errors and missed some crucial shots and went into the first break behind by 3 goals. We could make no inroads to the lead of Camperdown and again we missed shots and gave them too much room in attack. We were down by 4 at half time. Big changes were made but once again could not peg back the lead. Going into the last quarter we were 5 goals down so the girls had to fight really hard and they did that getting back to even quite a few times. We had our opportunities to take the lead but could not. We cannot keep relying on last quarter come backs. We need to play a consistent 4 quarters. We will take some positives out of this game and get our heads right for the big game next week against Nth Warrnambool.

First a big Get well soon to Jodie and Alex who are both quite ill with a bout of Dengue Fever.

Sara stepped into the coaching roll for Jodie and was hoping to give the girls some revving up. They were a little slow to get on the score board but eventually did. We were a bit too loose in defence with gave Camperdown's attack end too much freedom and easy movement. Behind at quarter time I asked the girls to play much tighter and put more pressure on over the ball. They started doing this and caused Camperdown into errors and the girls started to move the ball into space in the attack end and score well. We clawed our way back to even at half time. They played well at the start of the third quarter and the game went goal for goal, but unfortunately the girls had a big lapse in the last 5 minutes of this quarter and Camperdown made the most of our mistakes and missed shots. The last quarter was quite frustrating, with us having a lot of the play and taking some lovely intercepts only to turn it straight back over through silly mistakes and bad passing to lose the game by 8 goals. The girls need to work hard for the full game not just bits and pieces of it. They are capable of doing it, it is just a matter of how much they want to!!!

After accounting for an undermanned Camperdown comfortably during Round 1 we were not sure what to expect on their home turf. What we got was essentially a strange game full of unexpected turnovers by both teams. We trailed at the first change of ends but then regrouped and began to play more direct netball. When we do this we open up the goal circle allowing us to score easily. At half time we held a small buffer, which was increased at three quarter time. Eventually we ran out winners by 7 goals. This victory should see us consolidate the double chance.

Unfortunately once again we suffered another loss to camperdown. We are struggling to get back on the winners board after a few hits in the last month and a half. We couldn't do anything right in our offence end, weren't capitalising on the hard work of the defence players. Nothing was flowing and we weren't playing OUR game. Luckily for the defence end, we shut down the goalies very well most of the game, the girls 2nd and 3rd efforts were exactly the same as their 1st. The footwork never tired and they fought very hard all game. Our shooting percentage wasn't overly great and our forcing of the ball into the goal circle and in the centre third caused us to allow them to have plenty of turnovers against us. Jami Luhrs played an outstanding game in GD, she worked very hard and should be proud of what she put out there on Saturday. Bec Grayson also played well, telling her I wanted her game changed during the week and she came out and did a brilliant job with that. Emily Kermeen came on at half time and showed me exactly why she was picked in this team. Playing a brilliant GK and once again coming on and changing the game. Now we just need to focus on putting all elements of our game together and playing an all over the court good game. Heads up girls we can come back from this better and stronger next week.

After a tight tussle in the first quarter but really pushed hard in the second quarter to set up the win. This win has cemented 5th spot for us so the girls will be playing finals this year! Well done girls. Let's bring on North Warrnambool next week!

#### **Coaches comments – Kira Ryan**

An interesting game this week where we should've come in with a lot of confidence to bring home a big win- we seemed to be half asleep for most of the game and even a big change of positions at half time couldn't wake us up. Camperdown were very physical and more hungry than us for the win but thankfully we hung on long enough to take the game by 1 goal.

We need to remember that whilst our finals chances are over, we can still improve our end of season position on the ladder and need to keep working hard each week.
