Another perfect day for footy at Melville oval for us to host 3rd placed North Warrnambool. Finals were out of reach after last weekends loss but we had plenty to play for being Lachy Crawford's 200th senior game for Hamilton. We thought if we could play a one on one style of footy and put them under enough pressure we could win the game. The game was close with only a couple of goals in it at 3qtr time. We had the lead but we knew North would come hard at us, which they did. They kicked the first 4 goals of the quarter and looked as if we had run out of legs and had nothing left. But the boys found something and were able to kick the next 2 goals to tie scores and then the man of the moment Lachy Crawford was able to snap a point on the left to give us a one point advantage, there was under 2 minutes left and we were able to rebound a forward entry of theirs and then bottle it up in our forward line to hang on. Another great win for the boys. We played 3 first gamers, Rick Luhrs, Lachy Watt and Angus Noske, they all performed well and showed they can play at that level. Shows we can compete with the best, beating the top 4 sides during the year. Hopefully this helps for next year and we can develop some consistency in performances.

Injury and unavailability again hit the reserves. We had 19 players at 11am on Saturday, but thanks to Tyler Fehsler backing up after the Under 18.5's and the long awaited return of Assistant Coach Cameron Penny we managed to field 21. North Warrnambool are 3rd on the ladder so were never going to be easybeats, and in the first quarter they had a real crack which were able to absorb before taking control in the 2nd and 3rd through some good switching and running play, and excellent defensive work. The win basically secured us top spot, which a good reward for the hard work done thus far.

This week's highlight was the ¾ time appearance of Penny, and a vintage display of power forwardism. The lowlight was the disastrous display of goal kicking from Penny, returning 3 points and 1 out on the full all in the last quarter.

Starting the weekends game one short was never going to be easy. After an early injury to Nick Neeson (broken collar bone), we were left with only one rotation for the rest of the game. The boys fought very hard throughout the game, in the end succumb to a much better and well drilled side in North Warrnambool.

The score line in the end told a different story to what I believe was a very competitive effort. A few mistakes and small basic skill errors would have had the match closer in my opinion. Small things in a game can have a large effect.

Wow what a strong half of netball the A Grade girls played today. Fantastic defence, great intercepts, awesome pressure all over the court, great patience bringing the ball into attack and good shooting. The team remained the same for the second half, but North found their feet and started to get their goals in and tightened up in defence. We still had plenty of the play but could not capitalise on the turnovers we created and North just kept eating into our lead until they hit the front and ended up winning by 7 goals. These girls will hopefully realise that they are a very capable team and if they can put 4 quarters together they can beat both North and Koroit.

With Jodie still in hospital, Sara coached again. The girls acquitted themselves quite well against North Warrnambool. They kept with them in the first quarter and had quite a bit of the play. They got some nice intercepts and moved the ball down court strongly. The second quarter went exactly the same but North were able to convert their opportunities and edged ahead. Some changes were made at half time with Abbey Sutherland taking the court for her first ever 17's game and Nikki Lowe into GK. Again the girls had some strong passages of play but a few errors crept into our game and North scored. The girls pressure over the ball and all over the court was very good which forced North into many errors but the girls just couldn't make use of the turnovers. We were only 9 goals down at 3 quarter time. Unfortunately we dropped our intensity in the last quarter and North started to get on top and pull away. The girls need to realise they are very capable of being very competitive against the tops teams. I hope they take a lot of confidence into next weeks game.

We used the second vs third clash against North Warrnambool as an opportunity to look at possible match ups for the finals and also to ensure all players were qualified for finals.

Unfortunately Bec Sherlock sustained a season ending injury during the last quarter. We wish Bec a speedy recovery. The game eventually was abandoned with us trailing by 10 goals. I am confident when we met North in the finals we can reverse this result.

Today against North Warrnambool we desperately needed to get a win for our mentality and that we did. Was very happy with the girls in the end with their will to fight and not let the game get out of our reach. We fought extra in the closing minutes of the game to get the win and I was happy with that. Throughout the middle of the game though we lost focus and the fight and started to make silly mistakes. We weren't making continuous drives, weren't creating space for themselves or each other. It needed to change and quickly because North wanted it more than us at that stage. It seemed that a few rev ups and a lot of motivational talk was the key to the girls coming back for the win. They deserved it in the end. Zoe Van Kalken although throwing her out of position never stopped and did a brilliant job. Jami Luhrs once again with her incredible work rate was outstanding. And Bec Grayson was phenomenal shooting 14 of our 22 goals and also shooting at 93%. Hoping for another win next week to cap off a great season and for a great moral amongst the girls just before finals.

The girls were up against the ladder leaders and unfortunately couldn't bring their form from the past few weeks into the game. North Warrnambool are a very well drilled and talented team and are my tip for the premiership. During the last term the girls finally got their act together with some beautiful passages of play albeit a little too late. We won't dwell on this game, but we will use it as a learning tool for this week's game against Warrnambool. Keep your heads up girls and lets have a good hit out before we start our 2014 finals campaign.

We were very short on players this week as half the playing team and the coach were attending basketball academy. So with many fill ins the girls were undermanned but combined really well to play a really good game together scoring more goals in this game than the last time we met them.

Well done girls you all should be very proud!

Thank you to our fill ins, who played a beautiful game and never gave up. Good luck this week, and hopefully you can come away with a win!
