Round 10 Results V Cobden

Club News

The major Club news for the week was the 'Great Hamilton Foot Race' between the lovable, pocket sized speed machine known as "Fish" and the lanky, poorly shaven Uni student that goes by the title "Ozzy"... \$200 prize money was put up by veteran Johnny Iredell, not sure if he remembers sponsoring the event, but he was listed as the major naming right sponsor.

Well it happened on a cold winters night, you could hear the sounds of hamstrings playing in the background. The film crew was there, they were waiting for the starters gun. By the time the film crew set up, a Fish out of water crossed the finish line with Benny Oswald throwing himself to get the final touch. Unfortunately for Ozzy. Fish crossed the line by half a body length, the video review was called for, however they were not filming at that stage and Johnny Iredell kept the prize money as there was no record of the race.

It was a moment in history, yet it will be forgotten... Sorry Fish... And maybe next time Oz.

Last weeks win was fantastic and a great thrill but backing it up again is what we really wanted. It was an important game for us and a win would have put us in 5th spot on the ladder so we knew how much was on the line. Unfortunately we trailed all day and whenever we looked to be bridging the gap Cobden had an answer. It was probably our most disappointing loss to date, considering what was on the line to what we put out. We didn't have the desperation or application required on the day.

Once again, we will soldier on. We know our best is good enough, but we really need to develop some consistency.

The weather cleared nicely for the reserves match on Saturday at Melville oval, which made for a more open running game than we have seen over the past couple of week. Cobden came to play, and with a few regular senior players and a VFL player (don't you know who you are talking to Jon?) coming back through the reserves gave us a good hitout against some quality opposition. However, unfortunately for Cobden our midfield largely matched or beat theirs, and our better depth proved decisive as we won every quarter and ran the game out with five goals in the last quarter to win by 58 points. The highlight this week was the return of Joe Sherlock and a classic goal from deep in the grandstand pocket, while the lowlight was full back Rick Luhrs having his first goal of the year kicked on him, but he was still best on for us as there was plenty of supply this week.

Best Players: R. Luhrs, J. Manson, C. Quinn, A. Noske, N. Armstrong, H. Douglas

Another disappointing result from the under 18 team this week.. Although we had a handful of players putting in their all and leaving nothing in the tank. I felt that this week we had too many passengers. Taking nothing away from Cobden as they played a good brand of footy. I believe we have a lot better footy ahead of us and probably haven't showed our best yet.

Once again scoring shots proved costly as we had a similar amount of shots on goal as the opposition. Hard work on the track this week and a lot of time in front of goals will be out focus.

The best thing about all of this is we have the chance to redeem somewhat against Koroit this coming weekend.

Hampden is a pretty big step up for some of the boys, I have full confidence in them and I know improvement isn't too far away.

The A Grade girls played a good consistent game. We had some good defensive pressure, which enabled us to take strong intercepts.

I asked the girls to work a lot harder on their footwork and to play one on one defence down the court and they responded well.

I made changes at half time and brought 2 players on into positions that they have not played all season. Clare Crawford into WA and Renae Beks into WD. They both made an immediate impact. Clare moved well and fed the goalers to perfection. Renae's talk and drives out of the defensive end was fantastic. Our last 2 quarters were strong and overall it was a good win for us.

Congratulations to Kelsey Lewis, Rhianne Lewis, Amanda Huf and Aly Feely for making the Hampden Open team and Sarah Cleaver, Emily Kermeen and Aly Smead in the 17 & Under team. Good luck in Melbourne next Sunday.

17 & Unders game took 4 minutes to score. First goal on a tight defensive play by both sides.

Roos lead at every quarter in a very low scoring game. Roos defence end created lots of turnovers.

Midcourt worked tirelessly and feed well to shooters, just need to convert at every opportunity.

Real team effort today with excellent attitudes from all players. Roos Away!

The first game of the second round against Cobden demonstrated the A1 team is progressing in the right direction. Our aims for the game were to increase the talk on court, minimize our unforced errors and finish the game strongly. All these were achieved. Our goalers had an outstanding game hardly missing a shot, while the defense work in the goal circle was a pleasure to watch. The mid court provided great drive down court. Our last quarter was the highlight of the game as we played the game out with the same intensity as we began with.

I set the girls a challenge at training that we better ourselves from the first round. Unfortunately we came up short on my aim. First half we played alright but we weren't quite playing our usual team game and I couldn't figure out why. Offensively I thought through the whole game we were doing our jobs, but defensively we were lacking. We were letting them get easy position on top of the ladder. We have decided to put that game behind us and focus on playing our consistent netball like we have been in the previous rounds. We aim to prove to everyone how far we have come from the start of the year and show exactly why we are ladder leaders. This is our aim for the second half of the season. And I am more than confident the girls can do this. Congratulations to Bec Grayson on her best on and a nice strong game on Saturday. Took every piece of advice given and put it into action. Let's hope we can continue our running streak next week against Koroit.

What a turnaround from our u13s from the last time we met Cobden.

In round 1 we were beaten by 17 goals and today we only went down by 3. It was neck and neck all day with Cobden just taking advantage of a few of our mistakes to get the four points at the final siren.

The movement of the ball down court from defence was beautiful to watch and the goalies converted the majority of the time. Our defenders really worked hard the whole game and made Cobden work for every goal they got.

The littlest roos have improved in leaps and bounds and I think the next few games should see us bring home some wins and move up into the five!!
