Coming up against south Warrnambool was never going to be an easy task but we thought it was a great opportunity to get our first win away from home. Once again a good start and an opportunity to dig in and put the game away. A bad 3rd qtr from our boys where we lacked pressure and failed to get our hands on the ball first was the difference in the game. We fought back in the last but were unable to stop South's momentum and desperation to win. We spoke during the week about how important it was to get the points, and to get our season on track. Unfortunately the loss leaves everyone with more questions as to where we are at but I know the players are not complacent with the results and we will come out of the break better and stronger.

The Kangaroos twos fronted South Warrnambool with a pretty talented line up, with this weeks ring in being Matt Newell, now playing at Sturt. There was a strong breeze blowing to the city end, and South won the toss and inexplicably kicked against it, perhaps looking for a slow start from us to waste the wind. Unfortunately for them, the boys took the challenge of having the game won at quarter time seriously, with a 7 goal to 1 first quarter. From there we managed to outscore South in every quarter to finish the game 12 goal winners. Again the midfield fired and with plenty of unselfish play in the forward line saw 10 goal kickers this week. This weeks highlight - Jayden Riddle being threatened by a 7 foot Papua New Guinean, and restraining himself. The lowlight - the coach being late again, and the back line conceding their biggest score for the year, even if it was only 48 points. Our next opponent Camperdown sit fourth and will present another good challenge for us in two weeks time.

A more determined side met out young Roos this week. Coming off a few easier games in the last couple of weeks, a tougher task was always going to be a danger for our team. Training during the week was far from out best and it showed in the game Saturday. We had some standout performers and some passengers on the day. It takes 21 contributors to win games of footy and I have no doubt the boys will bounce back in a fortnights time. A timely break and the boys will be keen to bounce back with another win.

The A Grade game was a very good hard fought match. The girls played very well with some great patience being shown bringing the ball into attack which has finally clicked after 6 weeks. We went into half time down by 2 goals. Our third quarter was really good. Defensive intensity was excellent and again our attack end passed the ball until the right option into our goalies became available. We turned the game around to take a 6 goal lead into the last quarter. We started this quarter a bit flat and stopped driving and offering which the allowed South back into the game. They came right back at us to draw level, but as the girls have done in previous games they never gave up and were able to stem the flow and take a couple of crucial intercepts which we scored off. When the siren blew we were able to hold on for a 1 goal lead. I really believe the girls just want to give me grey hair!!!!

Disappointing game from the A1 team. The girls controlled the play for the majority of the first quarter, but were unable to reflect this on the score board. The game ebbed and flowed but unfortunately basic errors and turnovers ultimately cost us the game.

U17 took to the court with nothing to loose against the unbeaten South Warrnambool. Roos had a great start and managed to get a four goal lead. South's shooters were a force to be reckon with not missing a goal. Roos had some great passages of play but also made some basic errors. South are a informed talented team with beautiful skills. Roos kept in the game only trailing by 5 goals. The last 3 minutes cost us dearly with south running out 10 goals difference final score 23-35 South.

The girls had a tough game today against the 2nd placed South Warrnambool. South are a very talented and well drilled team. The girls had patches of brilliant netball but we just need to string then together for 4 quarters. Unfortunately we had an injury during our game with Georgia Clarke taking a fall and may have a broken wrist. We all wish her a speedy recovery. Keep your heads up girls, enjoy the week off and get ready to take on Camperdown.

In round 6 we came up against some very tough competition in South Warrnambool who were a couple of games behind us on the ladder. We started off in the 1st quarter playing quite competitive netball losing the 1st by 2 goals (8-6). This is where I thought this is going to be a very tough match. Once again though the girls never stopped fighting and never gave up! We came back in the 2nd quarter and won this one by 2 goals (10-8) bringing the half time score to even, 16 a piece. At half time all I said to the girls was to go back to playing basic/simple netball, keep possession and to control the game in doing so and they did. We ended up winning the 3rd quarter 9-4. Which have us a 5 goal buffet going into the last. Georgina Groves making all the right drives and slowing the game down in centre and making controlled passes into the goalies. Defence once again doing there jobs perfectly and we ended up winning the game 35-28. All the girls are playing fantastic netball and are currently 6-0 and sitting 4 points clear on top of the ladder. Very proud coach, the girls have worked very hard to get to where they are and we are not done yet.

Coming off the back of a great win last week, the girls brought a heap of confidence into the game against second ranked South Warrnambool. We got off to a flyer leading at quarter and half time, moving the ball brilliantly up the court to our goalies who worked together much better this week and played in front of their defence.

Our defenders again were fantastic but just need to get off the ground for rebounds, especially against tall goalies. Overall the girls showed great passages of play and great confidence which puts us in great stead for the rest of the season.
