Went into the game against Terang/Mortlake with an opportunity to get a win away from home at the big Mortlake ground. We started really strong, converting 6 majors in the first to open a lead at the first break and looked in control of the game. I felt there was a period of play, maybe 40 minutes between the second and 3rd quarters when we had control of the game but were unable to convert on the scoreboard. I felt this kept Terang in the contest whereas we should have put the game away. Scores were pretty even at 3 qtr time and we needed to take the game on in the last qtr to get the win. Terang made the most of their opportunities and kicked ahead to get the win. We made some costly errors and couldn't quite get it right in the end. We will continue to strive for improvement and to develop some good consistency in our game which will make us a strong side. Our best is good enough, it's a matter of stringing it all together on a more regular basis.

It wasn't the greatest preparation on Saturday for the Kangaroos Twos, with a quarter of the team turning up late more than 20 minutes late, and at least one going via Terang, so it was good to see we could shake that and kick the first 3 goals of the game in 10 minutes. Our only lapse for the match came from that point with Terang Mortlake kicking their only 3 goals for the day in the last 10 minutes of the second quarter, a couple thanks to some dubious umpiring (not from our Umpire). The last 3 quarters saw us play our best football of the year, with plenty of unselfish play resulting in 12 goal kickers.

Among the highlights, Ian Watt crashing a pack to take a big contested mark, and Gareth Crawford showing the benefits of altitude training in running out his first ever reserves game. The lowlight was some poor discipline from D Brown in giving away a 50m penalty for trying to teach the umpire how to do his job. Thanks to Hamish Bailey for filling in as our club umpire, and doing a very impartial job.

Before we get too carried away with a 5-0 record, the next 4 matches see us play sides in the top 6 which will give us a better indication of how we are going.

One of the biggest grounds in the league was what faced the under 18.5 boys Saturday. Plenty of space to work into and spread from contests.

Being able to allow not one player too miss out on a game, either with the roos or junior 17.5 competition was the aim this week. To be honest probably not out strongest side or effort. But those who were given the chance to play displayed their talents and the want to be selected each week.

With a possible of 35 boys to select from most weeks the future looks extremely bright. A few tougher tasks ahead will really see where the team is at. Work rate on the track will pick up in the oncoming weeks to prepare for some strong opposition.

A good solid effort by all and 4 points gained, a step closer to playing finals and developing some fantastic talents.

What a great day for netball. And what a start by Terang Mortlake. They got the jump on us and went out to a 5-1 lead before the Hamilton girls settled and got into a good rhythm to take a lead into the first change. The second quarter saw us build on our lead with some good passages of play and lots of patience bringing down the court. We lost our way in the third quarter and The Bloods started to reel us in drawing even with us late in the quarter before again the girls settled and regained the lead going into the last quarter. The bloods just wouldn't give up and got our lead back to even with about 2 minutes to go. But one pleasing aspect of this game was the girls ability to settle and return to playing patient netball to win by 3 goals. I personally think they are just trying to give their coach grey hair!!!!

Coaches comments – Sara Byrne for Jody Roth

In the absence of Jodie , Sara took the coaching reins for the 17&Under's. The girls had a really tight tussle with Terang Mortlake for the first half. The lead seesawed quite a bit. They looked very sluggish at the start but finally got going. The third quarter was fantastic. They released the ball quickly and drove to space really well. Unfortunately they fell back into bad habits in the last quarter but managed to get over the line. The girls can play really good netball they just have to put it all together.

From Jodie - Roos started the game with ordinary play. Terang Mortlake converted off our turnovers. Half time saw TM lead 16-17 at half time. 3rd quarter saw roos play best quarter for season so far- no fault could be found. This quarter won the game for roos. Last quarter saw roos not finish the game out like we could of. Need four consisted quarter. 28-35 roos way. Thanks to Sara who coached for the game.

The team began the game well breaking the opposition centre pass and scoring from our own. This early intensity set the girls up for another solid win. Different combinations were trialled with the players adjusting to this with ease. Next week will be a true test of where we sit in the competition.

Coaches comments – Rhainne Lewis

Going into Round 5 with confidence and belief, my girls were looking ready to go from the very start. Once again the first quarter set us up for the rest of the game. With us shooting 14 goals in the first being massive achievement in a 12 minute quarter, and even more impressive was Molly Neeson shooting 13 of the 14. And that's when I know Molly was in for a big game. The girls once again working altogether as a team was the main reason the scoreboard looked so healthy at the end of the game. Also again this week defence did their jobs perfectly, working their feet and getting hands to balls. Jami Luhrs and Zoe Van kalken should be very proud of their efforts the last couple of weeks.

At the end of the game we came out on top with a very convincing win of 23 goals (47-24) with Molly Neeson finishing with 37 of those goals. Fantastic team effort by all players.

And well done to all netball teams on Saturday for winning all 6 grades.

We finally got our first win on the board, and what a win it was with a 16 goal difference!! The girls came out firing and got a handy jump on terang/mortlake which meant everyone in the team got a good run. Our defensive duo of Brooke and Eliza were again dynamite and made it hard for the opposition to get the ball to their goalies. The mid courters; Lucy, Nikki, Victoria, Maddy and Eilish were brilliant and moved the ball down court quickly and with precision. Meg had excellent shooting accuracy and moved well in the circle, and the highlight of the game was easily when Sophie was balancing on one leg, falling out of court and still manage to finish off with a goal!!! Let's hope we can back up with another win next weekend and get on a bit of a roll
