The senior team got off to a great start against port fairy registering 7 goals in the first quarter to take control of the game. Our ball use was really impressive and I was impressed with our intensity around the contest. For one reason or another the next three quarters were a bit of a slog, we were unable to string together consistent passages of play and our kicking skills dropped off the standard that we set ourselves. Port Fairy applied more pressure and it was a real grind for us to hang onto the win. It wasn't the standard of footy I know we are capable of but the positive is that we were able to grind out a win when we weren't playing our best which showed a lot of character. Wins are like gold for everyone this year, so we are really please to hang onto that one.

The Kangaroos Twos first quarter could be described as lacking lustre as we came out thinking we were going to walk over Port Fairy, but they effectively flooded our forward line and kicked two goals on the rebound as we failed to score a goal. It might have been the four players fronting for the first time for the year, or thinking that someone else was going to do it, whatever it was we played our worst quarter for the year so far.

The second quarter was more fruitful as we managed to kick four goals to none to take control of the match, while in the third we kicked three goals into the wind and again held Port Fairy goalless. It was good to see the boy run the game out, to eventually win by nine goals, with a great effort by the backline to keep Port Fairy to just 6 points after quarter time. The umpire accused us of ugly football at times (during the game), as the match was marred by a few AFL like rolling scrums, but it wasn't that bad.

This week's highlight was the return to form of Scott Richards kicking 5 goals, and he probably should have had more but didn't manage to pull off his Stevie J snaps. The lowlight was definitely the slow start, as perhaps we were getting a bit ahead of ourselves, and also Al Martin's season coming to another halt after 25 minutes of football.

Coming off a good win against Portland last week, the young roos were determined to not let their form slip.. A notably lesser opponent in Pt Fairy allowed for some permit players to be rested, and give a chance to some others to show their ability.

The aim for the days game was to stick to team structures, play out 4 quarters and to finish the game with more goals than behinds.

The boys started off well, having a 30pt lead by quarter time. Keeping the their word and pressing even harder in the next 2 quarters. By the end of the 3rd term having a reasonable lead.. This allowed the coaching staff to change up the team quotes bit. Defenders going forwards, mids going back and forwards working through the midfield..

Those who were given the opportunity to play in a different position took it with both hands. Full back Scott Addinsall kicking 4 majors from 4 kicks in the final term.

At the final siren we had completed every aspect of what was asked.. 4 quarters of hard running footy, structures right through and more goals on the board than behinds.

A fantastic effort by all, the pressure now builds on players positions and more and more out their hand up.

The A Grade girls had a good win but still need to play 4 quarters of netball. Our attack end played strongly and both our goalies shot in the high 80%.

We have had a good start to the season with a lot of improvements to be made to make us even stronger.

17 & Under came out firing and tried to move the ball too quickly. We lots possession 8 times in one quarter. We needed to settle to our beat. Second quarter saw us play with more control. Defenders had their work cut out but stepped up to the challenge. Last half of game Kangaroos made lots of silly mistakes but regrouped to restrict Port Fairy to 3 goals. Well done defence end. Port Fairy never gave up and Kangaroos just needed to do the basic well.

A 19 goal first quarter set the A1 girls up for their best win thus far. The defensive pressure all over the court caused numerous turnovers, while the attack end was making the most of any opportunity that came their way. We were unable to keep scoring at the frenetic pace of the first quarter but still outplayed our opposition all over the court. This team is beginning to gel together nicely and I am very pleased with their commitment and attitudes.

The girls took their winning form from last week into this week and came away with another hard fought win. It wasn't the 'prettiest' game to watch but we got the four points, which is all that counts. Keep up the good work girls!
Go Roos!

Coming into Round 4 having not lost a game we were more determined than ever to keep our run continuing. We knew Port Fairy were going to be tough competition as they had also not lost a game. First quarter we came out firing and played the whole quarter the same way getting up 13-5. This gave us a steady lead and a comfortable position going into the rest of the game. But we were not done fighting as we knew Port were not going to back down that easily and to commend my girls they never stopped working. In the second and third quarters we won these two by 1 goal each which gave us a 10 goal lead going into the last quarter.

We couldn't do much wrong, everything was working for us. Everything that was run through at training was being implemented by every player and it was paying off. In the last quarter we lost this quarter, but held on to win by a reasonable margin of 8 goals (35-27). Very proud of the way my A2 girls played, they took every direction in their stride and did as they were asked and to achieve another win on the board is a fantastic result.

13 & Under Netball

Coaches comments – Kira Ryan

Today we were without our two captains and our two talls who had basketball commitments.

Our fill-ins Laura and Tegan did a great job but unfortunately as a team we just couldn't get there today.

Our first win is on it's way and I'm betting we will get it next week against Terang-Mortlake.
