We went into the game knowing we were coming up against really good opposition, who were coming off a convincing win the week before. We approached the game with the attitude that we had to respect them, but at the same time knowing in ourselves that if we play the type of football we are capable of, then we can match them. Koroit got off to a good start and were every efficient in getting seven goals in the first quarter. We were under the pump, but we had also played some good footy and just had to stick with them and grind it out. We were able to control the footy more from then on and when it came to the crunch in the last quarter, I was really proud of the boys in the way they stood up under pressure. Not just the senior players, but the younger guys Tom Feely, Tim Muelendyks, Josh Pepper, Lee Pye, Charlie and Sam Youngman.

Best Players: T. Meulendyks, J. Meulendyks, B. Thomas, T. Feely, J. O'Brien, K. Uebergang

Koroit's reserves knocked us out of the finals last year and we didn't manage to beat them in three attempts, however on Sunday an improved 'Roos Twos' outfit humbled a much weaker Saints team by over 100 points. The win was set up in the first half by a dominant midfield and solid backline allowing just one goal to sneak through, while the forwards were again well led by Nick Armstrong, who finished with 7 goals.

In the second half we worked on our ball movement in and around the forward line, as the ball rarely got past the centre, kicking another 12 goals.

We again got a solid contribution from all players, and will get a more competitive hit out against Portland on Anzac Day.

Best Players: N. Armstrong, D. Logan, J. Riddle, I. Watt, M. Ross, A. Ross

This weekend's game was built with a lot of anticipation and eagerness. After a loss the previous week to a determined Cobden our boys applied themselves very keenly on the track during the week.

The day couldn't have started any better with some light dew on the grass and the sun shining through. Excited to get 4 points on the board the boys started with eagerness and intent. After the heat was taken out of the game our boys started taking control. With the scoreboard ticking over nicely it allowed for the coaching staff to try some players in different positions throughout the day. This will benefit the team greatly as the season progresses.

Goal kicking practice will be a focus this week as 2 weeks in a row behinds have dominated our scoring. A great team effort over the whole of the ground and any one of the 21 selected could have been named.

Best Players: J. Watson, N. Neeson, D. McCallum, L. Barnes, J. Nield, D. McIntosh

Well we came up against one of the benchmarks of the competition on Sunday and Koroit played very good netball. Our girls need to take a few of the positives we had and work on those. We will re group for Portland in a couple of weeks.

First quarter saw U17 Roos come out strong. Ash van Wegan and Aly Smead lead the way in attack. Sarah Cleaver and Chelsea Glare feed well as our shooters converted at every opportunity. Winning this quarter, Roos had to keep building on this. Second quarter saw Sophie Holcombe come in at GS. Cleaver and Holcombe complimented each other's play. Holcombe created great space drawing defenders out of the circle allowing Cleaver to shot at goal. Third quarter saw Stevie Pivot-Holmes coming on at 'C' providing fresh feet. Defenders Emily Kermeen, Rochelle Slabert and Nicky Lowe working tirelessly to create lots of opportunities that our shooters converted. In the fourth quarter the girls brought it home in the last. Our winner for the game was the positive talk and support on court of each other's play. Well done u17s real team effort today. Need to back it up next week. Koroit never gave up and played the game out till the end.

A six goal victory against last years premiers Koroit was a pleasing result for our first home game of the season. We began the game well playing a direct decisive brand of netball but unfortunately let this fade as the quarter wore on. The second quarter saw the girls steady and our defensive pressure all over the court was outstanding, providing the goalers with many scoring opportunities which they were ably converted. The versatility of the team is one of our strengths and in the third and final quarters positional changes were made and adapted to with ease. The team should be proud of their effort as they are building a solid foundation that can be built on and improved.

In Round 2 had us come up against some really tough competition in Koroit, with them having such previous success we were excited to see just where we stood in this competition. We had quite a slow start to the game, up until the second half of the game, where we really kicked into gear. Finally everything started working for us, we showed some amazing passages of play, passes were spot on, goalies were confident and accurate and defence was magnificent to say the least! From being 6 goals down during the third quarter to winning by 8 goals is an unbelievable achievement by the girls and showed sheer determination and will to win.

The girls played well this week.

All of the things we went through at training were put into play.

Unfortunately the girls went down by 5 goals. Just ran out of time.

Keep your heads up girls and bring on Portland on Anzac Day!

The 13s got off to a brilliant start, coming out of the gates hard to lead by two at quarter time. The girls fought hard the whole game but silly passes and lapses of concentration saw us trailing at the final siren 18-21. In the end the girls showed great passages of play where I can see so much potential for the coming season.
