

# In-Schools Basketball Programme

**HARBOUR**  
BASKETBALL

# About us

**Harbour Basketball is the largest and most successful basketball Association in New Zealand. Our success is due to our all year round provision of basketball activities, delivered to the very highest standard.**

**For 2015 our primary goal is to continue offering support to our local schools and their young experienced basketball players, as well as providing opportunities for players new to the sport.**

**The In-schools Programme offers many facets which include:**

- **Team coaching**
- **Introductory PE sessions**
- **Teacher/volunteer education**
- **Skills and fundamentals**

**We are able to create a programme to custom fit your school's needs.**

# Resources for your School!

## **Uniforms**

In partnership with SAS Sports we can provide quality basketball uniforms at a competitive rate.

## **Basketballs**

If your cupboards are bare, no need to fear! We can supply you with an ample resource of basketballs to get you started!

## **In-schools Coaching Manual**

A GRAND new resource: The Harbour Basketball In-schools coaching guide, uniquely designed by our development team for Primary, Intermediate and Secondary schools.

# About the Coaches

**Our coaches come with a wealth of experience; from New Zealand representatives to professional level players and coaches.**

**They all have a strong passion for teaching basketball and love working with players of all ability levels.**

**Basketball is one of the fastest growing sports in New Zealand. This is one of the most successful basketball regions in the country and it starts with you. We would love to help cultivate basketball in your school!**

# Coaching Sessions

**We can take up to 30 kids per session working on skills, fundamentals, strategies and gameplay.**

**That's!!:**

- = 4 Teams
- = 2 small Classes
- = 3 skill groups

**Player to coach ratio will be suitable to the requirements.**

**Cost is from \$35ph**

# Coaching your Coaches

Teachers and volunteer coaches are invited to attend all sessions held at your school. Our coaches are always willing to share their knowledge with those willing to learn.

There are also quarterly coaching courses designed to up-skill your school team coaches. The courses are known to be fun and informative and are FREE to attend.

We are also happy to hold one-off sessions for your school coaches if they cannot attend the coaching courses. The sessions can focus on any specific aspect they wish to explore.

# References

**“Thanks for that, the kids loved the sessions with the guys. They were really great, really hands on activities and awesome with the kids. I got the balls too, they are perfect. Thanks loads”**

**“The sessions were very good and Coach Cam was excellent we will look forward to more B-Ball skills in future 4x4 programs”.**

**“I highly recommend the Harbour Basketball in school coaching program as it makes it much easier to get coaches for teams as they do not have to take any trainings because each team has a training once a week with a professional coach. The whole in school coaching program has run very smoothly and has made my job as basketball co-coordinator much easier”.**

**Please contact us to discuss your preferences.**
