How to access your Online Membership Database

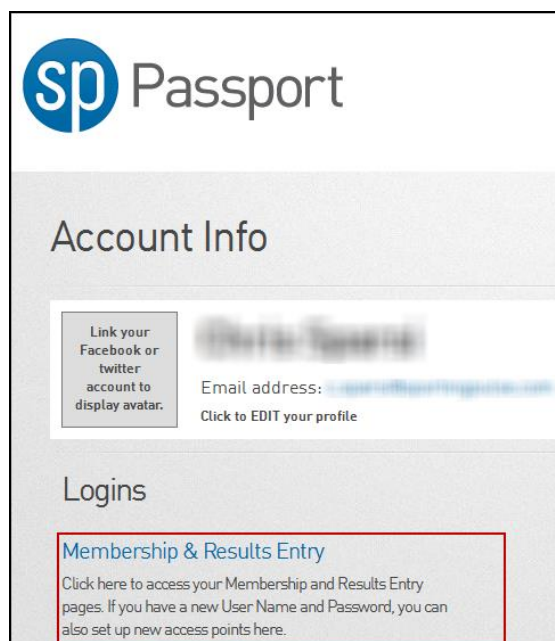

To access your Association or Club database, click on the link below:

<https://reg.foxsportspulse.com/>

To log in to the database you will need to have an SP Passport. You can either Sign In to your SP Passport if you have an existing account or Register for an SP Passport.

If your SP Passport has been linked to your Association or Club database you will see the **Membership and Results Entry** link (shown below) which should allow you to then access your database.

If you don't have the Membership link your Association or State Contact will be able to link your database to your passport.

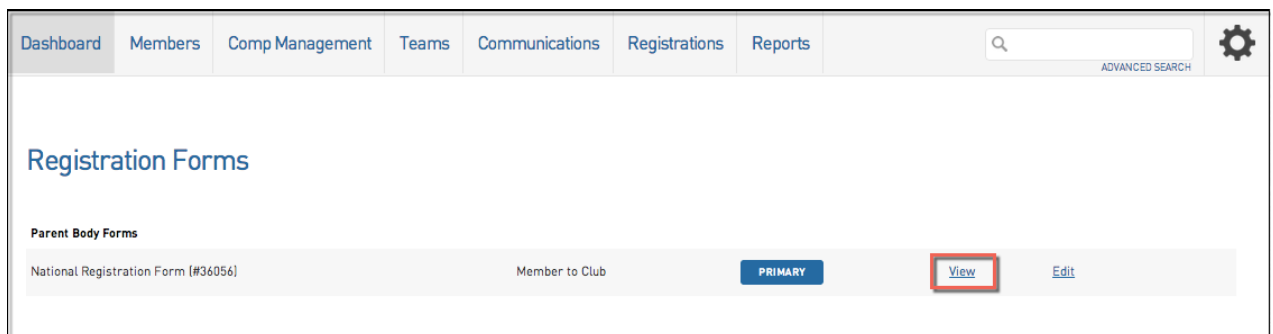

How to preview the Registration Form

As you are setting up the Registration Form, you should regularly preview the form to make sure it is set up and displaying as needed:

1. Hover over the **Registrations** menu and click **Registration Forms**.

2. Click on **View** for the form you wish to view.

3. You will see the registration form login screen (this is what your members will see – you will need to log in with an existing member's username and password).
4. Leave this screen open so that when you make changes in the admin section, you can refresh the screen to view your changes live.

Publishing the Registration Form to your website

The below refers to clubs/associations with a FOX SPORTS PULSE website.

The FOX SPORTS PULSE Payments Registration Form - section allows your association or club's registration form to be easily accessed through an icon and link that sits in the right-hand column of your FOX SPORTS PULSE Website.

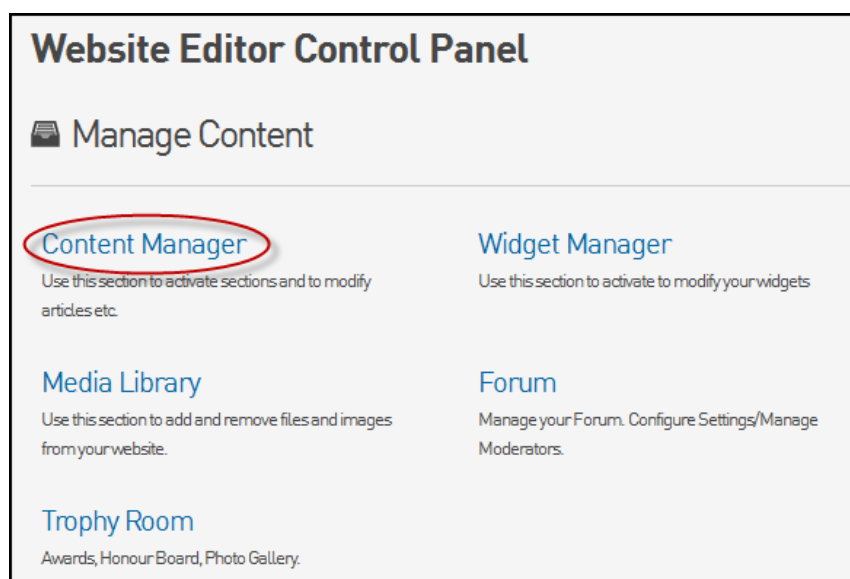

To publish your registration form on any website, you need the URL (web address) of your form. You can find it by clicking the "View" link in the Registration Forms configuration menu – the link will appear in the location bar. You can copy and paste this link on your website by following the directions below or you can also send this link to your members directly.

To link your form to your website:

Option A (Adding the form as a link on a full page)

To add your Registration Form as a Full Page on your website, log in to your FOX SPORTS PULSE Standard Website.

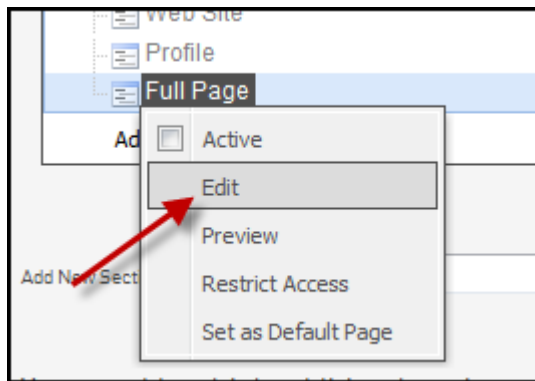

1. Click on the **Content Manager** in the Manage Content section

2. From the **Add New Section** drop down list, select **Full Page** and click the **Add New Section** button

3. Right click on the section you've just created and click **Edit**

4. Enter in as much information as you like and include the link/URL for the Registration Form on the page.

CLICK ON THE LINK BELOW TO REGISTER ONLINE FOR THE NEW SEASON

<https://reg.sportingpulse.com/v5/regoform.cgi?aID=14291&formID=24620>

5. Click the **Save** button when finished
6. Return to the **Content Manager**, right click on the section you've created and tick the **Active** box.

7. Your page will now display the link and any other information you've included on your website for your members to view and access the online registration form.

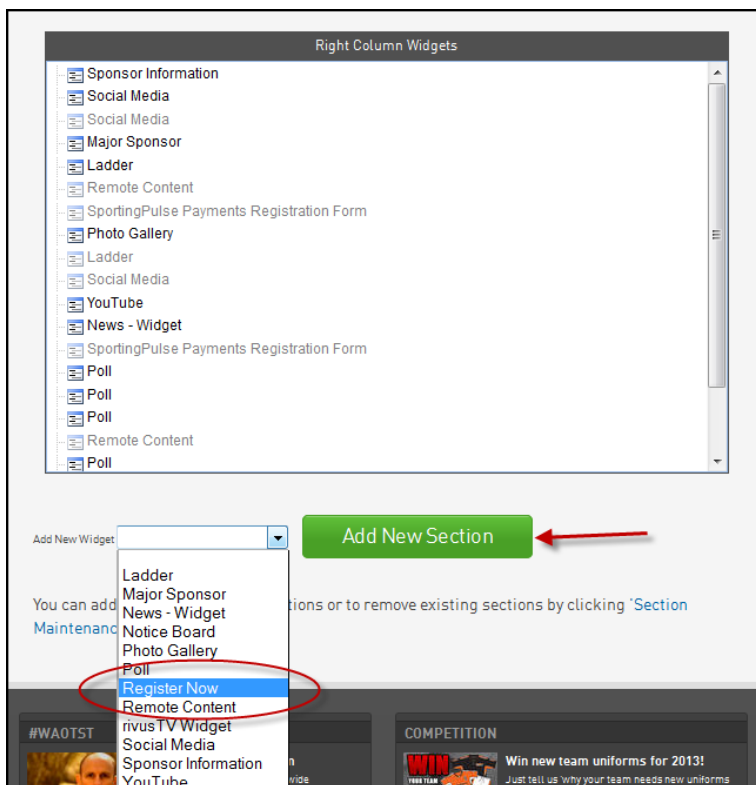

Option B (Adding the form as a widget)

To add your Registration Form to your website as a Widget, log into your FOX SPORTS PULSE Standard Website.

1. From the **Website Editor Control Panel**, click on **Widget Manager**.

2. Click on the **Add New Widget** drop down list, select **Register Now** and click on **Add New Section**.

3. To Edit a current Widget, right click on the Widget name and click 'Edit'.

Widget Manager Back to Control Panel >

The Widget Manager allows you to place widgets into the right-hand column of your website (e.g. ladders, news, remote content, sponsor information etc.)

You can add new widgets by selecting them from the drop-down list below, then you can drag widgets up and down to reorder them in the list. Double Click to edit a widget, or right click for other options.

Click the 'Save/Update' button to save your changes.

How to add Custom Fields to your Registration Form

To add Custom fields, as a club, you will need to speak to your League and give them specifics of the field you require.

It may be that a similar field already exists in the database, and they can make it available to you (eg. “Medical Notes” instead of “Health conditions”).

If not, the League will need to create/label the custom field information, and then make the custom field available.

If they have difficulty doing so, have them contact FOX SPORTS PULSE support for assistance

How to Add Your Own Terms & Conditions

The National registration form will come with the National Terms & Conditions. You can also take the option to add your own.

1. From the dashboard menu hover over **Registrations** and click **Registration Forms**

2. From the Registration Form menu click **Edit** on either the **National Registration Form**

3. Then click on the **Messages** tab

4. From the next menu click on the **Full Information** tab

5. The next step is to scroll down to the Terms & Conditions section
 - i. The first step is to add a header (optional) in the small box at the top
 - ii. Secondly, add in your Terms & Conditions into the larger box

6. Once the fields have been completed click the **SAVE** button

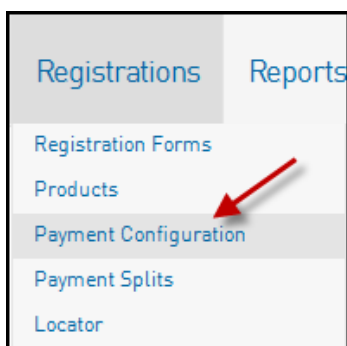

How to apply to become a FOX SPORTS PULSE Sub-merchant

This step-by-step guide will help new users through the process of signing up to become a FOX SPORTS PULSE Sub-merchant via the NAB Bank. It's specifically designed for FOX SPORTS PULSE users, and includes some advice on how to fill in the different sections of the sign-up form, and while these are generally correct for sporting clubs and associations, they should be read in conjunction with your organisation's individual requirements.

When you sign up as a FOX SPORTS PULSE Sub-merchant, you are able to receive payments from your Members which will then be transferred to your nominated Bank Account via the FOX SPORTS PULSE Payments system:

1. Hover over the **Registrations** menu and click on **Payments Configuration**

2. On the next page, select the **Payments Application** button

3. Fill in the details as required. It is a one page document and the fields with an asterisk next to them are required fields. Once all fields have been filled out, click the **I Agree** button.

Payment Application

The person filling out this form (applicant) must be an approved applicant by the executive of the organisation. If the applicant is also one of the nominated office bearers, the information needs to be repeated as such.

As part of this application process, you will need to provide a scanned copy of your organisation's bank statement. Please make sure you have this file available before beginning this process.

Setting up your Bank Account to receive payments

This step-by-step guide will help new users through the process of receiving their funds, after being set-up as a FOX SPORTS PULSE Sub-merchant. The user has two options as to how they want to set-up their account:

Setting up the Bank Account details

1. Hover over the **Registrations** menu, click on **Payment Configuration** and select **Setup Bank Account Details**.

2. You will then be prompted to fill in your bank account details. Ensure these are correct as they will be locked once the update button is selected. If you need to make changes, please contact FOX SPORTS PULSE to have your account unlocked.
3. Click **Update**. The account setup is complete and monies will now be transferred into your selected bank account on a daily basis (excluding weekends).

The form fields are: 'Form Name' (National Registration Form - 2014), 'Type of Form' (National Registration Form - 2014), 'Form Enabled' (Yes), and 'Payment is Compulsory' (checked). The 'Payment is Compulsory' checkbox is highlighted with a red box. Below the checkbox, there are three green messages: 'Payments are enabled.', 'A Merchant account has been set up.', and 'Bank Account has been verified.'

4. Once you have ticked the box click **SAVE** at either the top or bottom of the page

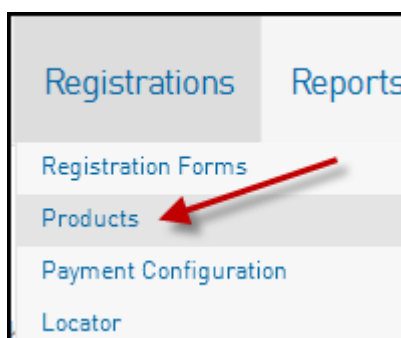

How to Create a New Product

Products are the items purchased by members in a member transaction. Common products include player registration/membership fees (E.g. adult membership, junior membership, and social membership), competition entry fees, and merchandise.

Typically this Pricing structure involves a flat individual fee, payable by each individual member when they register themselves to your club.

To get to the Products Menu:

1. Hover over the **Registrations** menu and click on **Products**

Make sure your product is clearly outlined as an Individual Member registration fee.

A screenshot of a web application's 'Details' tab for configuring a new product. The interface includes several input fields and checkboxes. The 'Name' field contains 'Player Registration Fee Summer 2013'. The 'Product Reporting Season' dropdown is set to '2013'. The 'Archive Product' checkbox is unchecked. The 'Grouping Category' field contains 'Summer 2013'. The 'Allow Multiple time purchasing' checkbox is unchecked. The 'Allow Multiple Quantity Purchasing' checkbox is checked. There is a large text area for 'Notes' at the bottom. The 'Update' button is located at the bottom left of the form.

How to attach a Product to your Registration Form

To attach a Product to your Registration Form, follow the steps below.

1. Hover over the Registrations menu and click on Registration Forms.

2. Click on Edit for the Registration Form you'd like to display products as shown below.

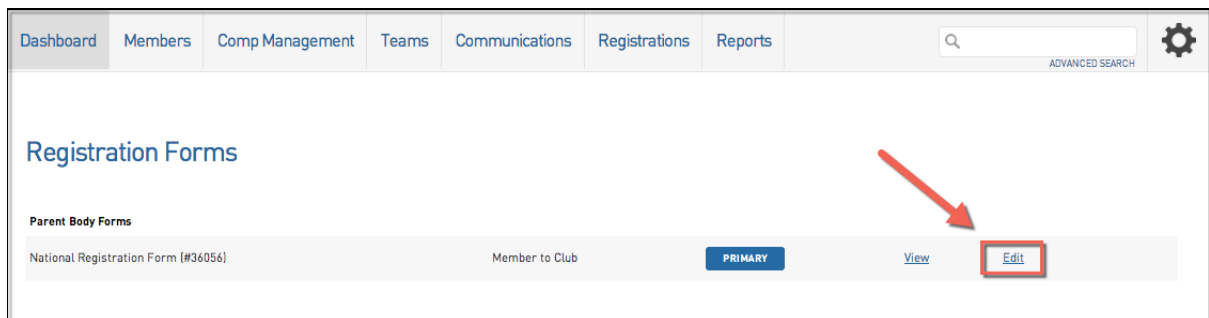

3. Click on the **Products** button across the top
4. For the Products you wish to have display on your Registration Form tick the **Active** box

A screenshot of the 'Junior Club Registration (#5721)' page. The page has a navigation bar at the top with tabs: 'Settings', 'Fields', 'Layout', 'Products', 'Messages', and 'Notifications'. The 'Products' tab is active. Below the navigation bar, there is a section for 'Choose which products to make available for selection on the registration form by checking the corresponding 'Active' box.' Below this, there is a green 'Save' button. Below the 'Save' button, there is a table with the following columns: 'Active', 'Mandatory', 'Sequence', 'Group', 'Product Name', and 'Price'. The table has four rows of data. The first row is 'Junior Member Registration' with a price of 0.10. The second row is 'Junior Team Registration' with a price of 700.00. The third row is 'Senior Member Registration' with a price of 80.00. The fourth row is 'Senior Team Registration' with a price of 800.00. A red arrow points to the 'Active' checkbox in the first row, and another red arrow points to the 'Mandatory' checkbox in the first row.

To make a product(s) mandatory tick the '**Make mandatory on form**' box.

Customising your Registration Form

This screen (Registration Forms menu) will display any registration forms you’ve created and will allow you to edit/customise them.

The **Edit** menu will bring up the buttons and menus shown below.

Registration Form Options

Fields:

- The screen below lists what options or ‘fields’ you can choose to display on your registration form
- In the below example, ‘Legal First Name’ (among others) is Compulsory which means the form can’t be completed without filling out those fields. Some fields will be locked by your league or State/National governing body.
- Editable fields will also display on the form, but they are optional to complete. Hidden fields will not display, read only fields are read only to the member.

- The **Layout** menu will allow you to alter the order of the fields on your Registration form, which you can do by clicking and dragging the specific field to where you'd like it to display, then dropping it in place.

The screenshot shows the 'Junior Club Registration (#5721)' layout editor. At the top, there's a title bar. Below it is a navigation menu with tabs: 'Settings', 'Fields', 'Layout' (which is highlighted in dark grey), 'Products', 'Messages', and 'Notifications'. Below the tabs, there's a text instruction: 'Reorder the fields by dragging them to position. The new order is saved automatically. Extra blocks of headers or text can be added by clicking the respective buttons.' Below this instruction are two buttons: 'ADD HEADER BLOCK' and 'ADD TEXT BLOCK'. The main area shows a list of form blocks. The first block is a header block labeled 'H-Block => personal'. Below it are three text input fields: 'Legal first name - Step 1', 'Family name - Step 1', and 'Date of Birth - Step 1'.

- The **Add Text Block** and **Add Header Block** buttons will allow you to add a block of text or a heading above a particular field on your registration form. You will be able to edit and move these blocks around your form.

Text Messages:

- You can add in some further text to display at certain points of your registration form. Each of the boxes on this screen explains where your text will appear on the form
- The tabs across the top (highlighted in red on over the page) represent different stages of the Registration Form.
- The areas where text can be placed on a Registration Form will have an explanation of where the text will display ie. *This text will appear on the first page above the login section'*

Multi-Registrations and Payments Functionality

This system allows a single user to register multiple people and also allows you to offer registration products at different prices depending on the number of people being registered at one time, in the one transaction. This system is of particular use if your club or league wishes to offer family discounts for subsequent children or adults on their memberships.

1. To activate the multi-reg system for a registration form, go into the Registration Form section and click on **Edit** next to the form you wish to turn multi-reg on.

- In the **Settings** menu you can tick whether you want people to be able to register *Multiple Adults* and/or *Multiple Children* using this form.

Allow multiple registration (family registration process):

IMPORTANT NOTE: This will allow you to register and pay for multiple people at once. You need to check the boxes below to allow multiple adults or children (or both) to be entered using this process.

Using this process, some details from the initial person's registration will be copied to the subsequent forms, and a single payment will be made covering all the registrations.

- To save these changes to the form click **Save**

To most effectively use this system, activate the multi-reg system for a form and then attach a multiple pricing product to it meaning that subsequent adults and/or children that are registered as part of the single transaction are offered a discount.

Below is what a user will see when they complete a form with multi-reg activated.

At the first screen of the registration form (shown below) they will be given the option to select how many members they wish to register (provided these options have been ticked in the **Settings** screen).

Pay Now

Clicking the **Pay Now** button will take the user through to the Credit Card payment gateway where they are able to pay for their registration. Should users not wish to pay online they can simply close the browser. This will still register the members, they will just have an unpaid transaction on their record.

It is also important to note that this will only work correctly if the user does the above in a single session. There is no option to save and then quit part way through the session and then return and complete it at a later stage.

Add a Manual Payment to a Member Record

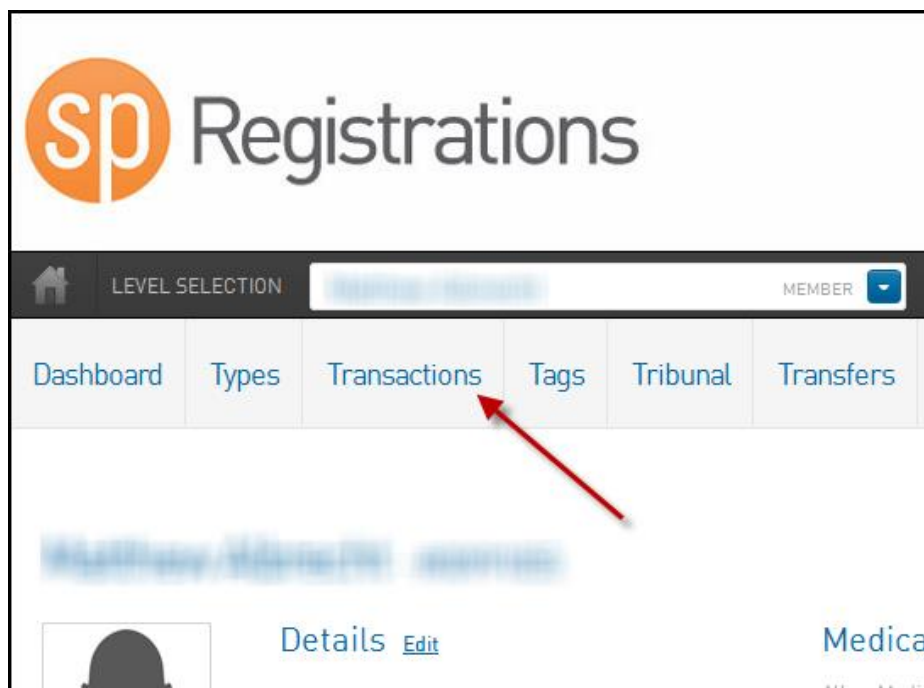

Should a member not wish to pay for their registration fee a manual payment record can be attached to the member's record.

To add a Manual Payment to a member record:

1. Hover over **Members** in the top menu and click on **Members**

2. Locate the player whose record you wish to update and click through into their record.
3. Click on the **Transactions** menu across the top

The Transactions page will then list all transactions for the selected player

4. Tick the **Pay** box for the Registration Fee you wish to mark as being paid then field out the details under the Manual Payment section, including the **Payment Type** (ie. Cash, Cheque etc.) and the **Amount**

The screenshot shows a web interface titled "Transactions" with an "ADD TRANSACTION" button in the top right. Below the title is a filter dropdown set to "All". A table lists transactions with columns: Invoice Numb..., Item Name, Quantity, Assoc Name, Amount, Start, End, Status, Delete Payment Record, Pay, and Notes... The first row shows an invoice for "EFL Junior Registration Fee (inc..." with a quantity of 1, amount of 11.00, and status of "Unpaid". A red arrow points to the "Pay" checkbox, which is checked. To the left of the table, there is a "Pay via Online" button and a "Manual Payment" section. The "Manual Payment" section includes fields for "Amount [ddd.cc]", "Date Paid:", and "Payment Type:". A dropdown menu is open for "Payment Type:", showing options: Bank Cheque, Bank Transfer, Cash (highlighted), Eftpos - Bankcard, Eftpos - Mastercard, Eftpos - Savings, Eftpos - Visa, International Cheque, Money Order, Other / Barter, Personal Cheque, [none], and [none].

How to run a Usernames Report

You may want to run a **Usernames Report** so you can have a printout ready on your Registration Day or alternatively so you can distribute to your Members from last year accordingly. To find out what the Usernames are for your Members in Footyweb from last year follow the below instructions-

1. From the dashboard menu in your database click on **Reports**

2. On the next screen click on **Members** and then **Advanced Member**

- Start building your Report by dragging and dropping fields you want to report on from the left hand side tabs across to the Selected Fields area. Remember to always include the Season (then choose equals on the dropdown and the Season) you want to report on together with other fields you may want such as First Name, Last Name & Username as a minimum etc. You may want to "Sort by" Family Name as well for continuity. For those proficient in "Mail Merge" you may want to include "Email" so then you email the Usernames to all your Members etc. Finally click on **Run Report** when you're ready to view your Usernames Report with the fields you've chosen.

How to reset Passwords for your Members

For Members who don't have an Email address in Footyweb and won't be able to "recall" their Username & Password or will receive a Member Renewal Email, you will most likely need to "reset" their Password and provide this to them along with their Username so they can register for the new Season on your Club Registration Form. In order to reset Passwords for your Members, follow the below steps-

1. From the dashboard menu in your database click on **Cog/Settings** icon as below and from the dropdown list then click on **Password Management**

2. On the next screen click on **Member**

- The next screen will present a list of **all** Members in your Footyweb database who have been a part of your Club. In order to reset Passwords for any number of your Members, simply add a temporary Password you will provide to the Members of whom you wish to reset in the blank **“New Password”** box and once you’ve done that for all the Members for whom you wish to reset their Password then click on the **Update Passwords** button.

Password Management

In order to update an existing password please enter the new password against the appropriate username. Only the passwords where a new password is entered will be updated. If you wish to only provide read only access to a user then check the **“Read Only”** check box and this will provide the user limited access to the database. By pressing **“Automatically Generate Passwords”** passwords will be generated and saved for all Members who currently have blank passwords. After you have finished modifying the passwords you must press the **“Update Passwords”** button to save your changes.

Member Passwords:

Name (FootyWeb Number)	Username/Code	Password	New Password	Read Only
Churchill, Craig (02401957)	110188136	*****	<input type="text"/>	<input type="checkbox"/>
Collingwood, Jeff (02321133)	19642830	*****	<input type="text"/>	<input type="checkbox"/>
Costanzo, Alicia (02427054)	110439810	*****	<input type="text"/>	<input type="checkbox"/>
Costanzo, Tony (02321147)	19642865	****	<input type="text"/>	<input type="checkbox"/>

Donald, Colin (02321127)	19642819	*****	<input type="text"/>	<input type="checkbox"/>

- Once the above is complete is you can provide your Member(s) their Username and Password (that you just reset for them) so they can access login to their Footyweb record on your Club Registration Form and register for the new Season.

How to send automated Member Renewal Email or SMS

An email can be sent out to all existing members in the database inviting them to re-register to the current season. This will send an email to all members who haven't yet registered to the current registration season.

To send out Member Renewal emails to your members, follow the steps below:

1. Select the past Season

The box underneath the 'Hi <<Member Name>>' text will allow you to add in any further information to the email that goes out to your members.

***PLEASE NOTE:** The click here button is only to be used for **Single Registrations**, it will only allow one member to re-register at a time. If the Registration Form is set to accept Multiple Registrations (ie. Family Discounts)

members who wish to re-register more than one child at a time will need to access the Registration Form via a link, rather than from the Member Renewal email.

5. Click **Send Emails Now** to send out the email to your members

You also have the option to send out Member Renewal SMS messages. To do this, ensure that the 'Send SMS Only' or 'Send both Email and SMS' box has been ticked when customising your form.

The member will receive a message with the registration hyperlink that will need to be clicked. This will open the registration form on their phone with their details already filled in. They will have the ability to continue through the form and register.

The screenshot shows a configuration window for sending SMS messages. At the top, it states: "To send SMS messages you require sufficient credits. You have 264 SMS credits available. Using account testing_fsp". Below this is a section titled "SMS". It includes a "Sender:" field with the value "99999999" and a "Message:" section. The message content is "Sent from DEMO" followed by "Register for a new season at" and a placeholder for a "Signup URL". Below the message field, it indicates "You have 96 characters remaining." There is an "SMS" label next to an empty input field, and a "Password:" label. At the bottom, there are three radio button options: "Send Email Only", "Send SMS Only" (which is selected and pointed to by a red arrow), and "Send both Email and SMS". A green button labeled "Send renewals now" is at the very bottom.

What the Member will see when registering

When your members log in to this Registration Form to register themselves, they will see the screen on the next page as an example of a registration form.

Compulsory fields will be marked with an orange star, products (if displayed on a registration form) will display at the bottom of the form.

Pending Registration: How to Approve or Deny

New players that have not previously been registered with another Club in the Footyweb system will be able to register online via the “I am registering to the Club for the first time” link but they will be put in with a **Pending Registration** status. Auskick players joining a Junior Club will be able to register online via the same means and they will go into a **Pending Registration** status.

It is then the responsibility of the club to **Approve** or **Deny** the registration. To update the member statuses follow the directions below.

1. From the dashboard hover over **Members** and click **Pending Registration**

2. You will then be taken to the pending members screen where you will see a list of all pending members.

A screenshot of the 'Pending Members in Association' screen. It features a table with columns: Family name, Legal first name, Gender, Date of Birth, Address Line, Suburb, Postal Code, Email, Phone (Home), Phone (Mobile), FootyWeb ID, Approve Re., Paid Default, and Total Unpaid. The 'Approve Re.' column is highlighted with a red box. The table contains four rows of pending members. Above the table are filters for 'Showing - Family Name including' and 'Age Group' (set to 'All Age Groups'). A 'NEW APP! NEW FEATURES' banner is at the top right.

3. From the **Approve Registration** column click the the word **Pending**, this will open a drop down box which allows you to choose either **Reject** or **Approve**. If you approve the member they will be added into your club in the current registration season.

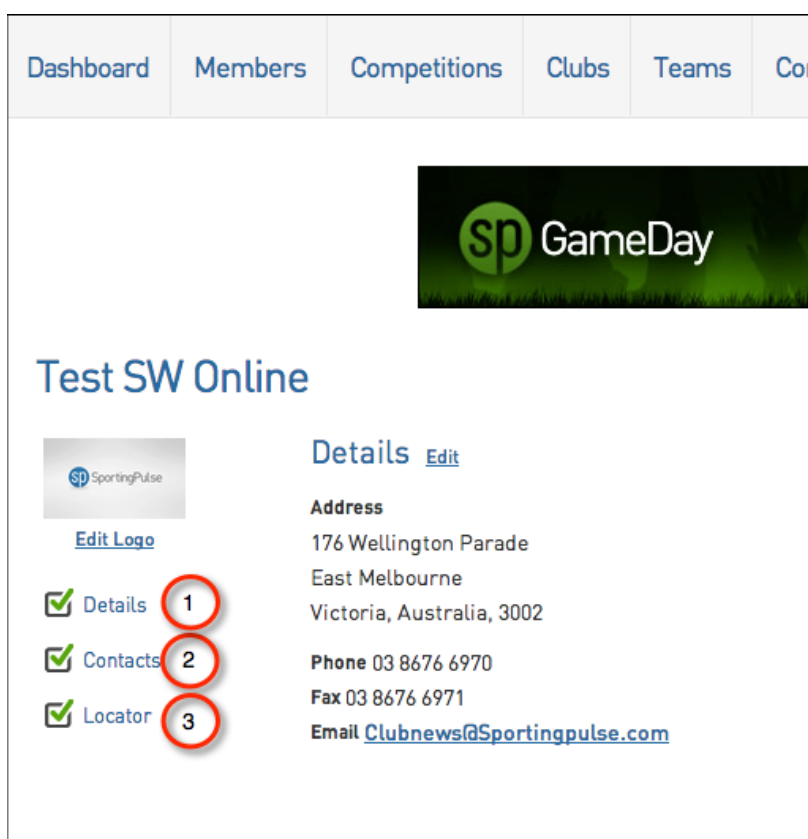

NOTE: Levels above the club will also have access to change the pending status of a member if required.

Contacts & Locator

With the rise of the Internet as the most popular method for finding information, ensuring your club or association is highly visible on the Internet is crucial to promoting your club/association, attracting new members and providing a professional service to your existing members. FOX SPORTS PULSE Membership makes this possible through the Contacts and Locator modules.

As sports administrators we urge you to do what you can to keep your club/ association information up to date. Below are a few tips on how to do so.

When you log into your association or club database the first screen you see is the 'dashboard'. From here you can access and update your association/club's basic details and information (item 1 in the graphic below), Board & Committee member contacts (2) and physical address so that you can be found in your sport's club/ association 'finder' (3).

Details

The 'details' menu allows you to update the basic information on your club/ association including address, phone numbers and email addresses.

Contacts

This module allows clubs and associations to manage the contact details and responsibilities of their administrators. Entering data and contact details into this area will assist administrators by sending them important communications in relation to the area they are responsible for.

To do this click on the **tick box** within the **Functional Responsibilities** area that correlates with the board members responsibility.

Locator

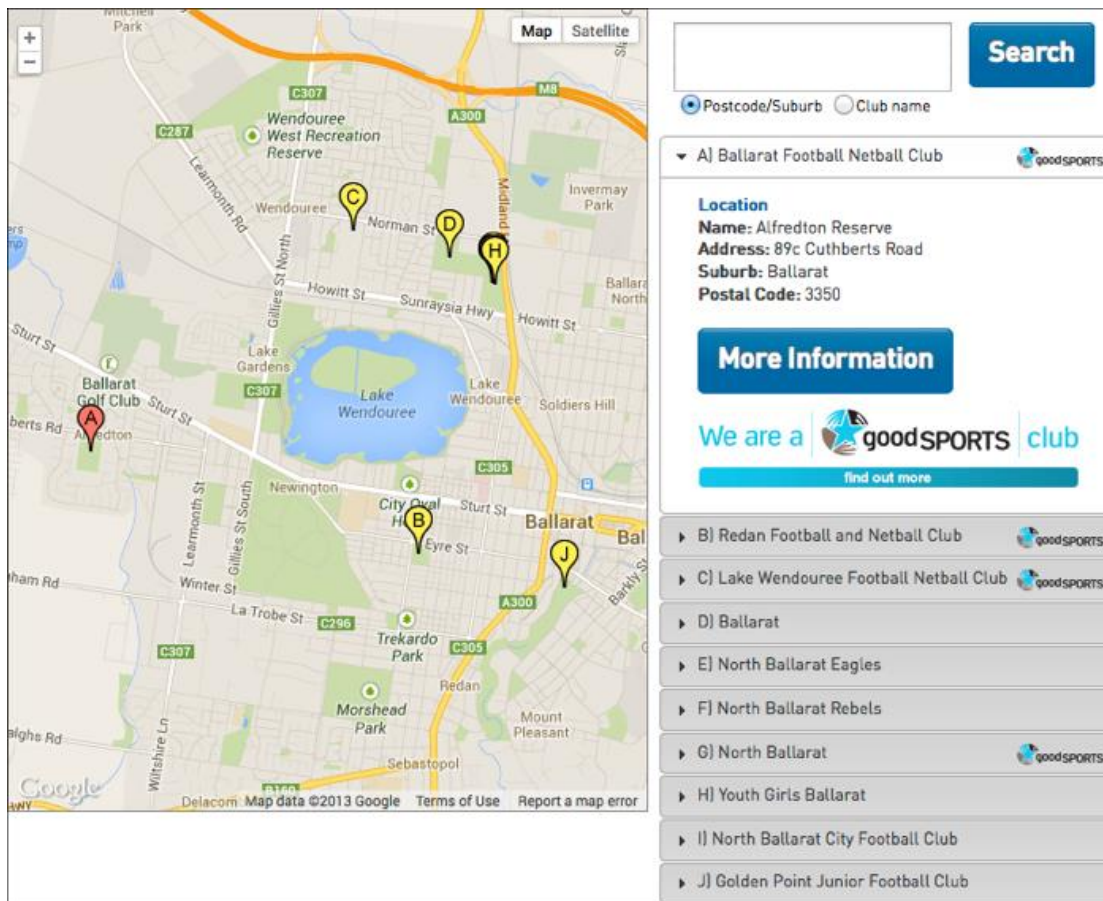

The 'locator' is a valuable tool for ensuring that your club/association can be found by potential members/players through the FOX SPORTS PULSE 'locator' which will be displayed on www.playafl.com.au. Entering your playing venue location details into the locator section in Membership will ensure that when someone uses the locator to search for a club, yours will appear in the results along with the club's contact information. Below is another example of a sport's 'Locator' on the FOX SPORTS PULSE website and the results that are returned when a postcode or suburb is entered.

The Reporting System

The Reporting system is a powerful tool that will allow you to customise all sorts of reports based on the information that you require.

To access the Reports system:

1. Click on the **Reports** menu across the top

You'll then see the screen below where you can select a category for the report you wish to run (members is generally the most common run report).

To run a basic Advanced Member report:

1. Click on **Members** (from the above screen shot)
2. Click on the **Configure** button for the **Advanced Member Report**

3. Click and drag across the fields that you would like to report on

A screenshot of a report configuration interface. On the left is a sidebar with expandable sections: "Personal Details", "Parent/Guardian", "Contact Details", "Interests", and "Identifications". The "Contact Details" section is expanded, showing a list of fields: "Address 1", "Address 2", "Suburb", "City of Residence", "State", "Country", "Postal Code", "Home Phone", "Work Phone", and "Mobile Phone". On the right, under "Selected Fields", "First Name" and "Family Name" are checked with checkboxes, each having a "Filter:" dropdown. Below this is a green "Run Report" button. At the bottom right, an "Options" section contains settings for "Show" (radio buttons for "Unique Records Only", "Summary Data", and "All Records"), "Sort by" (dropdown for "National Number" and "Ascending"), "Secondary sort by" (dropdown for "None" and "Ascending"), and "Group By" (dropdown for "No Grouping"). A red arrow points from the "Country" field in the sidebar to the "Run Report" button.

4. Click on **Run Report** to generate the report

You will be able to apply a filter to your reports so you can report on specific information. For example, the screen shot below will only report on members that are assigned to the 2013 season.

The screenshot shows a web interface for applying filters to a report. It consists of three vertically stacked filter sections, each with a checked checkbox and a title:

- First Name**: Includes a "Filter:" label and an empty dropdown menu.
- Family Name**: Includes a "Filter:" label and an empty dropdown menu.
- Season**: Includes a "Filter:" label, a dropdown menu set to "Equals", and a text input field containing "2013" with a clear (X) button. This entire section is circled in red.

Common Financial Reports

Funds Received Report

This is the best report to run to reconcile all online payments that have been deposited to your nominated bank account.

Common Fields to use in this report:

Product: Displays the product(s) that have been setup and purchased by members.

Payment For: Displays which Member or Team the payment is for.

Payment Date: Displays the date that the payment was made by the Member or Team.

Date Funds Received: Displays the date that the monies from a member were physically received by the Affiliate or Club.

Transaction Amount: Displays the dollar amount of the transaction.

Money Received (after fees): Displays the exact amount the Affiliate or Club will receive from the transaction, with the transactional fees subtracted.

The screenshot shows a web interface for configuring a report. At the top, it says "Selected Fields". Below this, there are five rows, each with a checked checkbox and a label: "Payment For", "Product", "Payment Date", "Line Item Total", and "Date Funds Received". Each row also has a "Filter:" label followed by a dropdown arrow. At the bottom of the configuration area is a green button labeled "Run Report".

Best Filters to use in this report:

Product: Select 'Equals' from the Filter drop box and select the specific Product that you wish to display and report on.

Date Funds Received or Payment Date: Select either 'Equals', 'Less Than', 'More Than' or 'Between' and select the specific date or date range that you wish to report on.

Transactions Report

This is the best report to run to see all member payment transactions that have taken place through the system. The key element of this report is the 'Transaction Status' field which will state whether a member has paid or not paid ("unpaid") for a product.

Common Fields to use in this report:
