

Premier League Home Game Host Fundraising Opportunity

Background

In the past, the CDBC have scheduled junior age groups to host and assist with Premier League games at StarPlex. This came with the opportunity to fundraise on the night but this has been met with mixed responses. Some teams have been fantastic, with others not so. This year we are trying something different! We are asking for Teams/Squads to put their hands up for the opportunity to raise money for their Team or Squad by hosting a Premier League home game.

There are 9 scheduled home games available. See here for the Home Game Fixture: <http://bit.ly/18WL5jh>

Host Requirements

Provide Player supper

(2 games x 2 teams and officials approx. 35 people per game – You need to cater for approximately 70 people)

The responsible Team/Squad will be given a \$200 budget allowance to cater for the supper.

The team can elect to either purchase the supper with this allocation,

OR

Have the parents/players provide the supper and the Team/Squad can add the \$200 towards their fundraising total.

Court set up and pack up after last game

Provide 2 adults to assist the Committee with court set-up. You need to be at the court approximately 1.5 hours before game time.

Provide 2 to 4 adults to assist with court and supper pack-up for approximately 40 minutes after the last game

Front Counter

Provide at least 1 person over the age of 16 at the front counter to collect entry fees.

Bar

2 adults to serve behind the Lions bar.

Court Sweepers

1 or 2 junior volunteers per game to sweep/mop the court during the game as required. Volunteers must stay court side throughout the game. We suggest rotating volunteers per quarter.

Fundraising

The team/squad hosting the night can undertake any fundraising activities they would like, however any food being sold at the game must not be what the PEC Deck Café sells (if open). Fundraising and food ideas must be advised and approved by the CDBC Committee prior to the game.
