

TRANSFER CAP POLICY

An Affiliated League Club may refuse a Clearance for a player if three (3) players have previously transferred from the Club with which the player is currently registered ('the Current Club') to the same Affiliated League Club ('the Transferring Club') in the current season.

Exemptions to transfer of players (to be approved by League Registrar when applying for exemption):

- A family changing Clubs of more than 1 child (2 or more), would be considered as only 1 transfer,
- If a child of a newly appointed Coach (ONLY) from outside their Club is transferring Clubs – it is not considered as a transfer,
- If the player is a former player of the Club and returning to play for that Club, it is not considered as a transfer,
- If a child has a parent who is a Life Member of the Club they are transferring to, it is not considered as a transfer,
- If a player transfers from OUTSIDE any Metro West Clubs, it is not considered as a transfer,
- There are NO restrictions on outside League transfers,
- The League Executive would have discretion over approving transfers based on individual cases, and subject to a majority League Executive vote. Clubs to be informed of any decisions.
