

Mulwala Football Netball Club

The 2015 is here!!!!

We have had our first practice match, rosters are being sorted out and meals are one week away.

Pre Season Training

Practice matches have been happening over the last couple of weeks for all teams. The final practice match is this Saturday in Albury against The Murray Magpies.

The Season begins

4ths Coaching Update

Adam Rouel & Joel Hogan have taken on the role of Co-Coaches for the 4ths after the resignation of Matt Davies. The boys will be ably assisted by Mick Fletcher.

Memberships are now available. All memberships can be purchased on any training night and also on home game days. If you have friends and relatives that may be interested, please encourage them to become a member.

Thursday 27th March, meals are back. There will also be a **fundraising auction for the football club** held after training. Bid for your chance to be 1 of 3 people on the Helicopter that will be delivering the Match ball on Good Friday.

Friday 3rd April is the opening round of the year. MFNC will host Congupna, kicking of the Easter Long weekend. Congupna is always a strong opponent and it will be a great start to the season for our Club. It should be a bumper match, to start a feast of football with Yarrawonga playing at Lonsdale Reserve on Easter Sunday.

Merchandise

Training Singlet's – there are a small number of pre-season training singlet's still available at a cost of \$20, please see Sharon Pitches.

There will be an order placed for Hoodies. If you would like to order please see Sharon. Please note that the hoody will be of a light weight than the ones ordered last year. Deliver is expected within 4-6 weeks.

The Club also has stock of Polo shirts and track suit pants available if anyone would like to get their wardrobe sorted ahead of the season proper.

Other goings on

Work is still continuing on the netball courts. The concrete has been poured and is currently being left to harden in preparation for the finishing touches.

Work is well underway on the drainage and roads around Lonsdale Reserve. A couple of structures have been removed in the process and all appears to be coming along nicely.

The Club would also like to encourage all supporters to lend a hand around the Club, whether it be on Match Day or on Training Nights. As the saying goes "Many hands make light work"./
