Last week this years football season got under way.

Friday night saw Pioneers and Tigers reserves meet in their first official game, which saw Pioneers win comfortably.

Saturday morning Saints and Centrals reserves meet in a heart stopper final results, with Dave Griffiths taking a mark in front of goal prior to the siren. He went on to convert the kick to a goal that allowed Saints to snatch the game away from Centrals.

In the first league game, last years grand finalists Pioneers and Tigers met with the result being a reversal of the last time these teams met in 1981.

Tigers showed Pioneers they wanted to win by playing in front all day, and making good use of the ball.

Clancy dominated the ruck and their rovers cleared the ball from the centre on most occasions.

Centrals handed out a football lesson to Saints by the mere fact they were prepared to play four quarters of football and won comfortably by 63 points.
