NEWMAN FOOTBALL FAREWELLS ALAN SUE & MELISSA WHYBORN

BEST WISHES

ALLAN WHYBORN.

Newman and Sport in general say farewell to Allan Whyborn, this Saturday. Allan with his wife Sue, walked into our lives in 1980, and made a place for themselves in sport in this town. Sue with Netball, Softball, and the Pioneers ladies committee.

Allan soon foundhe was in demand for any sport he put his hand, or foot too.

FOOTBALL, Pioneers, played in all 5 Premieship sides, which must be a record in it's self.

Was picked to play in the N.N.F.L. side on several occasions.

Last season must of been special for Allan, winning not only Pioneers Fairest and Best Player, but also taking off the N.N.F.L. Fairest and Best for 1985. CRICKET, was yet another sport allan did well. in (1985 Cricketer of the Year).

INDOOR CRICKET, MENS SOFTBALL.
WATERPOLO, was in the side to win the Premieship for
Pioneers.

Which ever sport Allan was involed in at the time found he gave 100% to that sport and 100% of his friendship,. Allan is highly regarded as a fair sportsman, and a good friend to many. Regardless of which sport they play or team they play with. Allan also gave of his time to Coach Pioneers Football Side to 2 of their Premieship wins.

He is a gentleman that this town is going to miss.

So we say goodbye and OUR BEST WISHES for a very bright future must go with ALLAN, SUE and MELISSA, hoping that your stay here will always hold fond memories and friendships of Pioneers and Newman.

PIONEERS CLUB NOTES.

Last Saturday saw the league and reserves team lose the footy. The real winners last week were the crowd that saw a revue not to be equalled by a royal command performance. A great effort by all involved. with the evenings entertainment and catering.

This week sees a game that Pioneers HAVE to win to stay in third position. Aloss means the bottom of the ladder for the neers. Also this week we see PUDS last game, an invaluble player with many achievements since joining the neers in 1980 So let's have a win.

Now more about the gala event of the year the Pioneers revue. There were four great performance They were the TAB and APPLE CHOIR, plus a few, with the boys in great harmony lead by berval the bass drum. Miss North West was a crowd pleaser with lovelies like Dc othy Doesit a Shaft Inspector from Kalgoolie.Les Patterson made a guest appearance to crown Miss Jigalong the winner, who gave everyone a look at her scared sights. Buster Hyman turned out to be a lady killer on the Perfectmatch, with everyone calling for an encore from him.

Then the night was marred by a ugly and vicous BRAWL, courtesy of the like of George the animal steele, hillbilly Jim and others from and roll wrestling. This was watched by a crowd fully contented by a delicous 3 course meal, served

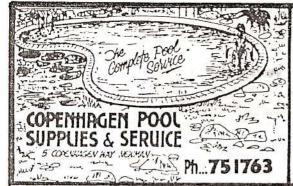

by lovely french maids ...

In all.a great night with heaps of spirit . lets take this SPIRIT on to the field on Saturday and have two good wins.

Before signing off , on behalf of all PIONEERS members, I'd like to wish Allan, Sue and Melisse

all the best wishes for the future.

When the going gets tough it's Centrals Ladies Indoor Cricket that get going. Yep, the goils have knocked off the flag...in style. We also check out round 2 of the Carpet Bowls Classic. The game has swept the town by storm and it wont suprise to see the curater establish another rink. And Streetfighter has taken over exactly where Hoover left off.... this time in the back of Steve Keogh's car.

With a crowd that made the world cup soccer embaressed, Centrals girls shaped up to the Chalkies at the Indoor Cricket centre. Chasing a healthy 64 runs, Debbie Dawson and Helen Godber set about the task. Then came the dynamic duo of Kathy Siddons and Michelle Lord. The icing was thoughtfully placed on top by Pauline Walton and Marie Arnason. Being urged by the Centrals Army led by one of Michell's friends, they collected 82 runs to take a well played victory. Supporting the team during the season were Chera Lee, Lisa Harris and Leanne Scott. The Centals Club Congratulates the ladies on their Premiership.

Round 2 of carpet bowls saw some suprise newcomers and the usual cagey veterans. In for their first roll were Mike Coote, Big Tony, and Mick Humphries. The latter adoping a stance like a chap concreting, but could be the darkhorse. Fongy took to the game like a lame duck at a rifle club. Sadly out of touch was Ricey. Keen observers say the veteran is injured and it won? t suprise to see him having a rest in Exmouth. Johnny Bank got off his charge. He testified that the illegal cigarette butt was not his brand. Alac Barfield bowled a good length all day. The Telegram, although arriving late, regained composure to outroll many a young apponent. This week sees the Bank Johnnies take on the Posties in a winner take all match. Be there on Sunday to see these two classy teams do battle.

Round up this week sees Robby Bruce back hunting leather. Nice one Bomber.. Ray and Chera-Lee looking better after a walk under a ladder. Streets takes this weeks wine taster wward,

Cooty wins the longest wink prize, Les Patterson wins the best Yappy impression, Shanners and "Streets" won the longest conversation without communicating award. Gards may play good footy... but his cordial making lacks total commitment// Finally- beware of batchelors named Hector and his Tasmanian mate named "Boomerang".

Have a nice day.
