F O O T B A L L

Q U I Z .

Each week for the fifteen qualifying games the N.N.F.L. will be running a Football Quiz through the programme. All answers must be placed in the box provided near the time keepers bench by , 4.30pm every Saturday. The answers from the previous week plus a table showing the leaders will be published in each new addition of the programme. At the end of the season a Prize to the value of \$500, will be paid to the winner. The judges answer will be Final.

All answers must be on the answer sheet current for that week.

QUESTIONS

WEEK

TWO

1. How old was John Todd when he won the Sandover Medal? ✓ 17
2. when was the last time E.Perth finished on the bottom of the League ladder? 1985
3. Which team has never finished on the bottom of the V.F.L. ladder? Collingwood
4. What is the distance between goal posts on most Australian grounds? 10m
5. What did the 1977 V.F.L. grand final have in common with the Sydney Rugby League grand final the same year?

Answers to 28th March Questions.

- | | | |
|-----------|---------------|---------------|

PIONEERS CLUB NOTES.

I'm glad the first game is over, it's like getting ready for a wedding, although we didn't have much of a honeymoon with both teams going down to Centrals.

My congratulations to the Centrals teams. The final score did not reflect the quality of both games, our young team was by no means disgraced.

I believe that they showed everyone present that once we get our act together we will be a force again, as we were in the past. We have a lot of new players and first year players. Experience is a good teacher as we all know.

We line up against the Tigers this weekend, we'll see how we go, should be a good game.

John McKoy.

TIGERS FOOTBALL NOTES.

Well done Tigers; what a great start to the season, knocking off last years Premiers (who were apparently expected to carry all before them this season) must have been particularly satisfying to everyone at Tigerland, especially the players. Coach Phil Austin must have been pleased with the effort and commitment shown by the twenty players selected for the game.

Selecting best on the day must have been a headache for those involved and congratulations to those chosen, but to my way of thinking it was a classical case of a team effort as everyone did their bit.

Certainly augers well for the rest of the season and with Phil keeping everyone's mind on the job ahead complacency should'nt be a problem.

Unfortunately the reserves went down by a few points to a much bigger and perhaps slightly fitter side, but the courage and desperation shown by the lads was clearly evident and coach Norm Towers was particularly impressed with this aspect of their play. He is organising an extra training night for developing the skills of some of the boys and the fitness of a few others so some good wins are sure to be had shortly.

Finally, players don't forget those memberships. League Best; Peter Buchanan, Paul Browne, Norm Towers, Mick Packham.

Reserves Best; Graham Mullins, Shaun Twyford, Greg Harper.
