O.K. Tigers today's the day all the work you've done through the season goes on the line. So far everything has gone according to plan, and the players have given their supporters a great year and now have a chance to reward themselves and us even further with a premiership. No doubt last years result still has a bitter taste for the league side and we're sure they won't want to go through that again. If the guys show the same application and dedication that they have displayed so far we should be all having a great time tonight. Good luck to Phil and the boys.

The reserves should remember how good it felt after last years flag and will be keen to make it a double. They have come good at the right time, but you can be sure pioneers will make it hard for them, and it will take total committment and real guts to win.

Good luck to Norm and his boys.

All of us at Tigers would like to acknowledge and thank our sponers, Peter & Ann Collins-Supermarket, Lorraine Barber-Boulevard Coffee Lounge, Overlander Hotel, Shirly & Bill at the Capricorn Roadhouse, and Willy Camille of Newman Pest Control, for their support over the season and we are sure they will be part of our celebrations tonight.

Also to our members and supports we say thanks to you all for your support throughout the season and we are sure that both sides will do the right thing today.

Congratulations to Ian Crawford on winning the Sir Ian McLennan Medal for the fairest and best in Newman League, and also the goal kicking award, It's the first time Tigers player has won the medal, which makes it an even more notable achievement, but I'll bet that Ian would be the first to acknowledge the efforts of the team-mates in his win and would be even more thrilled in helping his team win the flag.

Congratulations Ian.

Also a special mention to Shaun Twyford on his effort in being R/UP in reserves award and to Billy Buchanan for finishing the season as top goalscorer in the reserves. Bill's effort is even more memorable considering his late start to the season. Congratulations fellers.

So Tigers lets top the season off with two Flags.

EDITOR'S NOTES

TO the teams that play today in the Grand Finals, reserves and league, may I wish you all "GOOD LUCK". Hopefully there will be two excellent games of football.

I'd like to take this opportunity to thank the people who have helped me through the season. Special thanks, to Mary and the girls at the Shire office, to Alf Cox of tigers who regularly every week delivered the Tigers notes, it was good to know that I would have one club's notes every week. Thanks must also go to Pioneers and Centrals, for some notes through the season.

Congratulations to Ian Crawford and to Lindsay Carter on their awards and to all the other footballers who picked up awards.

Congratulations to N.N.F.L. on an excellent night for the Medal Count.

Once again good luck to the teams that made it to the finals, and may the teams that play the better football win.

F. Ridley.
