Introduction

"Welcome back to the Sebastopol Junior Football Netball for all returning players and families for season 2015. A special welcome also for players and families new to the Club, we trust your involvement with the Club will be long and rewarding.

Club Mission Statement

Statement which embraces the whole Club, Junior Football, Senior Football and all Netball Grades, was developed at 2003 Strategic Planning Workshop, and in the years ahead, will be a permanent reminder of what this Club stands for and what we are about.

"A QUALITY FAMILY ENVIRONMENT COMMITED TO SUCCESS THROUGH DEVELOPMENT"

Coaching Development Philosophy

The Sebastopol Football Netball Club is embarking on a "whole of club" philosophy to coaching and development.. The aim of this is to establish throughout the whole club;

- consistent culture and coaching philosophies,
- develop resources for training drills and techniques,
- develop a sense of game style

The club also has established guidelines for coaches, parents and players. It is important to note that the club does not wish to inhibit the individual characteristics of our coaches, but merely set base standards of the expectations of parents and players alike. It is hoped that the philosophies and guidelines will not only assist in developing your child to their full ability, but allow the team to develop fully as well.

Policy for Social Media

Recognizing the increasing use of social media for broader and instant communication, the Sebastopol Junior Football Netball Club requires all players and members to adhere to the Social Media Policy described herein. The purpose of this policy is to protect players, officials, club members and the broader BFL Junior community from inappropriate use of Social Media.

Any SJFNC player or member using Social Networking sites such as Facebook, Twitter and YouTube (as examples but not limited to) where content may be deemed or considered improper, intimidating, racist, sexist or degrading are strictly prohibited when the content involved relates to SJFNC on-field or off-field activities and events. If in doubt, please seek approval from the SJFNC committee so as to not breach this policy.

Whilst the club understands that individuals have a right to freedom of speech, the AFL Vic, our governing body, requires that all clubs, players, coaches, club officials and club members/ supporters abide by a Code of Conduct for the club to be granted a licence to play. This policy requires that an individual or individuals be held to the same standards for Social Media that they would normally and reasonably be held to in other forms or public communications. Comments or accusations that can be deemed improper, intimidating, racist, sexist or degrading can result in disciplinary action from the SJFNC, fines and/or the requirement to attend an Independent AFL Vic Tribunal. Using the AFL Vic Reports and Tribunals regulations, behaviour which is considered unacceptable can be brought to the Tribunal even if the behaviour did not occur on the field and as long as an incident is Australian Rules Football related, then it falls under the jurisdiction of the Tribunal. This type of behaviour is totally unacceptable in Australian Rules Football at any level and will not be tolerated by the SJFNC or the Leagues governing body. If you have not read the AFL Vic Code of Conduct Policy, please click on the link on our website or ask a committee person to obtain a copy for you.

In relation to this Social Media Policy, the SJFNC would like to make it very clear to its players, coaches, officials and club members, that you are responsible for your statements and actions unless written approval has been granted by the club to make comment on a matter. Any misuse of a Social Networking site on Australian Rules Football matters, which includes comments made about our club, the League, an opposition player or club, club member, or official which can be deemed improper, intimidating, racist, sexist or degrading will not be tolerated and the SJFNC will have no hesitation in referring the matter to the AFL Vic Independent Tribunal. SJFNC will cooperate with any direction then given by the Tribunal or AFL Vic offices with regards to the matter.

In addition, the SJFNC would remind its players, officials, club members and supporters that Social Networking postings often unwittingly enter the public domain thus leading to broader civil proceedings where other parties are offended or distressed by inappropriate content.

This Policy is to be read in conjunction with the AFL Vic CyberSafety Policy, where this club policy does not address a specific issue it is superseded by the AFL Vic Cyber Safety Policy.

Matchdays

All players must be at the match venue at the time stipulated by your respective coach. Generally 30 minutes prior to the match at U10 age group is sufficient. If you are going to be late, again a courtesy phone call is appreciated.

All football players **MUST** have the following before they can take the field;

- A suitable fitting Mouth Guard (Bill Davies offers these to club members at a reasonable cost Ph. 03 5331 1802)
- Satisfactory football boots. **(These MUST be clean & polished for every match)**
- Correct football shorts - All "Home" matches wear blue shorts. All "Away" matches wear "white" shorts. Both shorts **MUST** be VCFL style.
- Correct football socks (Blue & Gold)

Playing Attire

We unashamedly cherish the club's jumper and it is held in great respect to honour the players who have worn it in past years with pride, courage and a selfless attitude.

The jumper is your responsibility and must be cared for as your own.

Players who forget to bring their jumper to matches, or bring it in an unsatisfactory condition will NOT be able to participate in that match.

Jumpers must be returned washed at the completion of the season. Players will be liable for the replacement costs of \$95.00 for any jumper that is not returned. (Credit card details will be requested on registration as security of return of jumper. Failure to do so will result in charge being applied)

Players may wear undergarments, such as "Skins" as long as the following conditions are complied with;

- The under garments are "your" skin colour.
- If they aren't skin colour, then the under garment cannot be seen under the football uniform, including the v-neck.
- Under NO circumstances can players wear coloured T Shirts under their jumpers.
- VCFL rules dictate that players are unable to wear sports gloves in junior competitions, unless it is for a medical condition and a doctor's certificate is provided.

Football & Netball Training

All players are expected to attend and participate fully in all training sessions. The exceptions are if you are injured or have other commitments. However some type of training can usually be undertaken when you are injured, be it fitness or ball work. It is also accepted that other commitments such as school homework must be given priority. Having said this, your attendance and conduct at training are always important considerations when it comes to team selection.

It is very important that your respective coach or Team Manager is contacted if you are unable to make training. If no contact is made, your place within the team may be jeopardised.

Personal Property

Although the club takes security seriously, due to overwhelming numbers of players, supporters & parents attending matches, the club will not be liable for any loss of personal property left in the change rooms or other locations within the match precinct. Therefore you are asked not to leave valuables, such as mobile phones, iPods or cash in your bags during games. Everyone can assist with the prevention of theft by reporting suspicious behavior. It is also recommended that you only visit the change rooms when you are participating in a match.

Lost Property

Any property located at the completion of the day's competition will be collected and retained by the club. If you have lost property, please contact the Junior Coordinator. Any valuable property not collected will be handed in to the Police Station.

Medical Conditions and Allergies

Please supply the club with any relevant medical information on your child, such as asthma and allergies to food or medicines. All information will be kept in the strictest of confidence and used for medical emergencies only.

Volunteers

For 2015 we will again be heavily reliant on parent volunteers to contribute to the various tasks required to allow our children to enjoy their sporting pursuits. Parents are welcome (in fact required!) to assist with a number of duties from assisting at training, undertaking match day duties - interchange steward, goal umpires, trainers etc - canteen roster as examples. None of these tasks are difficult, parents will be well supported and it is expected that with ALL parents contributing we won't be reliant on a small group of volunteer parents doing all the work. The message is clear, it is players and parents that are members of the Club so please get involved and enjoy the social aspect of supporting your child's Club. Please contact your relevant Team Manager to nominate your preferred role.

Match & Team Officials

Whilst the club promotes parents being involved in your child's team, only those parents who are registered as a "team" or "match" official are allowed within the fence line of the playing field during the match.

Parents must not be in or near the coach's box during the match as this can sometimes lead to interference & conflict.

It is also requested that parents limit their involvement with players during a match & intervals.

Club Equipment

Equipment such as netballs, footballs & jumpers make up a large part of the costs of the club. We have thousands of dollars invested and we ask that you respect the club's assets as if they were your own. Equipment for both football & netball must be returned at the completion of matches and training.

Conclusion

The club wants to provide an environment where you and your child feel comfortable and welcome, where support is given to enable players to grow as sports people, and as parents and friends of our players, your involvement is critical. The club will do everything possible to support your child. It is hoped that through extra parental involvement that together, we can build a club where the above aims are achieved and we are sure success will follow. We wish to have a club, which existing players are proud to be a part of, and that new players want to be a part of.

Champions aren't made in the gym. Champions are made from something they have deep inside them – a desire, a dream, a vision. They have to have the skill, and the will, but the will must be stronger than the skill.

Club Song

(To the tune of the AFL Kangaroos song)

Out we come out we come, out we come to play

Just for recreation sake, to pass the time away

Lots of fun, lots of fun, enjoy yourself today

The Burra boys are on the ball when they come out to play

Soooo!

Join in the chorus and sing it one and all

Join in the chorus, the Burra's on the ball

Good old Burra, we're champions you'll agree

The Burra will be premiers; just you wait and see.
