

Monday 20th April 2014

Hi Everyone

Please see the attached draws for Wednesday and Thursday this week.

I have also attached the team entries as of 20th April 2015.

IMPORTANT PLEASE NOTE:

- **Communication will only be made with the TIC of sport from each school** as I am sure you can appreciate it is extremely difficult dealing with 78 team managers.
- All spectators MUST view from the viewing stands above the courts for courts 1-4. Baseline only for courts 5-6 and teams must wait until previous games have finished prior to taking the court.
- **The Trusts Arena have asked that we DO NOT assemble teams in the cafe area AND NOT on the side-lines of the courts.**
- Each team MUST provide a teacher or parent to be courtside with teams. NO EXCEPTIONS. Teams will not be allowed to take the court unless a parent or teacher is present.
- **ONLY 1 x parent or teacher or adult per team per game for scorebench duty for your own game.**
- Team rosters are due in for each team at the end of NEXT WEEK.

Can you all please communicate the above to each team/team manager coach to ensure we run games on time and with minimal disruptions.

There are NO courts available for teams to shoot around prior to ANY games. If teams/players are seen to be on vacant courts, the school will be charged and invoiced for court usage at \$56 per hour.

Best of luck to all teams and we are looking forward to some great basketball this season.

Kind Regards

Nicky Fuaivaa
Leagues Manager
