We have well and truly kicked off the STJFL season. Well done to everyone involved in making it happen. In our next edition of the newsletter we will have updates, news and photos from all teams and age groups. This "interim" edition of the newsletter was a chance to share some photos from rounds 1 and 2, plus some important information that couldn't wait.....

AUSKICK

Auskick kicks off this Friday night at Kingston Beach Oval at 5.30 pm. We have 61 children enrolled so it's going to be a fun and busy night for our coaches. It could also be a fun and busy night for our canteen staff. In addition to our yummy chips and gravy I hear there are roast beef rolls and chicken nuggets on the menu too.... The clubrooms will be open from 5 pm.

HALF TIME GAMES AT TSL MATCHES

On Saturday our Under 8's and Under 9's were given the opportunity to play a short match at half time during the Tigers v Glenorchy match at the Twin Ovals. This is an optional thing for those kids who are keen, and we plan to do this on several occasions during the season.

The kids were so excited before the match it was hard to gather them in for a group photo, they were bouncing around so much! Unfortunately the weather cracked up just before time so there were only a few spectators who braved the cold to watch them in action!

Here are some photos.....

Callum Rawson flies high

Old fashioned hard football was the theme of the Senior game between the Subway Tigers and Glenorchy at the Twin Ovals on Saturday, April 18. From the first bounce, the Tigers matched the top of the table Magpies in most facets of the game, only letting themselves down with the polished finishing skills that ended up being the difference between the two sides.

While the margin may have been 51 points, supporters watching the game would have been forgiven for thinking that it was much closer. The team is definitely more competitive and that first win is only around the Corner.

Our Development League side came up against a very good Glenorchy outfit, who have taken all before them by big margins this season. They showed that they are on the improve and we are really impressed with the many 15 and 16 year olds that are having a crack at the second highest level of football in the state.

The Under 18's played a ripper and really took it up to the highly fancied Glenorchy outfit. They have been playing a great brand of football and will only get better with continued training and learning under Matty Lamprill and Kirk Hughes.

The more the boys play at this high level the better they are getting and everyone who watches the boys play can see that there is a great future at Tigerland.

The club will recognise ANZAC Day this Saturday at the Twin Ovals with the reading of the ODE just prior to the start of the senior game which will kick off at 2.45pm. The ODE will be read at 2.40pm. The club is taking on the Clarence Roos, in what will be three tough games of football.

Teams and umpires will line-up in front of clubrooms and Kingston Beach RSL Sub Branch President (Mel Cooper) will recite the ODE and the Last Post will be played, prior to the bounce.

Twin Ovals Twin-Stands Project manager Dennis Fuller said he is proud to see both local footy and RSL Clubs getting together to honour those who gave military service to the country.

"It is important to continue the ANZAC tradition so the younger generation understand just what this country went through to make us the luckiest people in the world," Mr Fuller said. "Uncle Den" as he is affectionately known by many, is a past President and Life Member of both the Kingborough Tigers and Kingston Beach RSL Club and loves the friendship and camaraderie shared by both groups, many of which are dual members.

"It really gets to me on ANZAC Day when I see young guys (a lot in their teens) going out to play footy and think - guys the same age went off to war to defend our way of life, with a lot of them giving the supreme sacrifice, never to return."
