

Palau Basketball Federation

2015 Summary Report

Palau Basketball Federation continues to expand in all aspects of the game. More people are playing the game. They are more aware of the programs as PBF strives to improve its quality by promoting Character and Attitude development and Education and Health Awareness through the game. The key factor is the PBF annual plan and the consistency in implementing all the programs in the plan with the help of all associations and volunteers under the umbrella of PBF.
