### ***Collection of Fees***

Football Qld will be invoicing Zones twice next year for their respective fees for the number of Senior & Junior Players and Referees registered in our Zone as per Census numbers in MFC in 2016.

Football SWQ will then be invoicing all Competition Administrators based on same number of players.

In maintaining fees at 2015 rates, Football Queensland absorbs the standard increases associated with the cost of living.

Competition Administrators and Clubs are encouraged to keep their fee increase at a minimum to help promote and retain playing numbers in our Zone.
