PRESIDENT'S MESSAGE

'IT IS A GREAT CLUB'

It has been my good fortune and honour serving you once again as President - this time for a third year and do hope you have received some pleasure and satisfaction and enjoyment from being part of our Club.

For the first time we have taken out the Club Championship award from Saints and Redsox - being Minor Premiers in both A1 and A3 and third in A2 (points before semi-finals). It is indeed 'a Great Club'. Our sincere thanks and congratulations to Coaching Director, Don Culpitt, for his work, assistance and contribution with all teams to achieve this result for our Club. Our A1 and A3 teams came in as Minor Premiers with A3 undefeated Minor Premiers the last time being in Devil's second year of operation in 1972 with our then A3 team. Top effort girls!!!

A record number of teams, 14, were registered an increase of 3 with finally our U16B(2) team disbanding early in the season. We had a record number of players signing on and unfortunately due to the lack of coaches (regretfully) had to turn away some girls.

Our Club Selectors, Don Culpitt, Sandra Gaddes and Rob Symington, did a splendid job with grading, with minor troubles during the playing season.

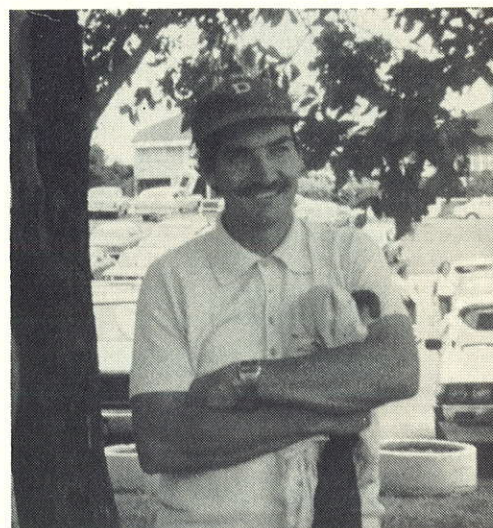

Playing fees this year were kept at a minimum with little increase due to the reasonably healthy financial Club we have. Our Registrar, 'Teggie', did a marathon job as Club Registrar and maybe next year we should split this job to a Junior and Senior position.

Our usual Club Camp (Junior training) was held at Linville on 5-7th September. Although small in numbers, was successful under the leadership of Coaching Director, Don. Girls, Linville is booked again for next year and we do require more support. It is an educational and serious weekend.

Our Club participated in both Kumbia and Brisbane and Redlands Carnivals as well as our own and these are always good weekends. Our own Club Carnival on 23rd November was handled by Peppy Gaddes, Robyn Gaddes and myself and was both a financial and playing success. We had teams as far afield as Gladstone. We received NO invitation from Toowoomba this year.

Delegates - 'Teggie' attended all Brisbane meetings as well as a Queensland Management and Robyn Gaddes attended all Brisbane junior meetings. We thank you both for your time and communications.

Team of the Year was won by the Under 16A (1) Team who raised \$475.94 which was a top effort. These players and officials will receive an award and a Bar-b-Que from the Club.

Sister Club - We have now adopted a reciprocal Club on the request of Gladstone Devils. We are extremely happy to be associated with this Club and the first seeds have been sown with Gladstone attending our own Carnival. I know a lot will be heard of Gladstone Devils in the future. Thank you DEVILS!

Signing-on, Selections and Pre-season Training - These were a little untidy and disorganised this season and do hope that next season we will be more organised and professional.

Umpires Roster - This unrewarding and thankless job was handled capably by Vicki Gannon and our thanks for your tolerance during frustrating times. Vicki on behalf of the Club, please accept this 'thank you' as our personal thanks from us all.

Gear and Uniform Steward - Another thankless job with Liz Thompson (Uniforms) and Sandra Sale (Equipment), both doing a splendid job. For your help, assistance and time attending management meetings, we thank you also.

Uniforms - These were slightly up-dated with the word 'DEVILS' on front, free of charge to players.

Representatives - We had a number of players this year representing as follows -

Juniors -	Brisbane Schoolgirls (Bundaberg)	Karen Moore, Patrice Webb
	Primary School Champ (Darwin)	Sharon Cunnington
	Brisbane Under 14	Sharon Cunnington
	Brisbane Under 16	Karen Moore, Patrice Webb
	Queensland Under 16 (Perth)	Karen Moore, Patrice Webb
Seniors -	Brisbane Seniors (Townsville)	Pauline Harvey, Joyce Lester, Leigh Lester, Diane Lowry, Maryanne Walsh
	Queensland Seniors (Melbourne)	Pauline Harvey, Joyce Lester, Leigh Lester, Maryanne Walsh.
	Australia (China)	Joyce Lester
Coaches -	Brisbane Schoolgirls - NORTH	Leigh Lester
	SOUTH	Maryanne Walsh
*	Queensland Under 16	Leigh Lester

Presentation Dinner -

100 A Grade Games	Deborah McColm	24/9/80
200 A Grade Games	Joyce Lester	17/10/80
200 A Grade Games	Diane Lowry	12/12/80

Appropriate presentations and dinners were held for Debbie and Joyce with Diane's dinner to be held in conjunction with Presentation Night.

Scorers and Manageress. Our thanks to all Scorers for giving a lot of their time to help this Club. They are largely overlooked. From all at Devils to these diligent workers - Thank You. To our Manageress' handling problems, monies, ice and water and whatever, with your contribution makes life and playing a lot easier - Thank You.

Xmas Party - A reasonable successful Xmas Party was given to our Juniors, free of charge even without Father Christmas. I feel this is an important event in our calendar and we have to upgrade this event and present it a bit more professionally. There was a lack of Juniors also this year. Next year please make the effort. The Grandparents and other oldies enjoyed the day before a severe storm struck. There would not be more than a handful of Senior players - shame!

Redlegs - Again sponsored by Kedron A.F.C. Made third spot but could not make it against Jaguars. Perhaps a bad call makes or breaks any game. Previous title-holders, you did your best and did not let the Club down. Better success next year, although a reasonably good season. Individual trophies were won by Joyce Lester, Maryanne Walsh and Sandra Gaddes. Our bat girl, Allison Rees, did a sterling job.

Red Devils - After losing the first game, advanced undefeated to Minor Premiers and then beat Bears in the Grand Final on 9/12/80. A lot of juniors in the team, all doing their best under coach Windy Gale and a lot of champagne flowed later. A top effort Coach, Officials and Players.

Fund Raising - Social Committee was chaired by Gordon Shorten. A lot of money was raised but Gordon had a lot of frustrating moments with the Games Night and two Street Collections called off. We definitely need more support next year from Players and Supporters. Thanks to you and your committee.

Social Events - During the year the following marriages were recorded -

Sue and Eric Gamble (nee Perry)
Sandra and Lyle Kropp (nee Greenwood)
Kym and Donn Jefferies (nee McDonald)
Helen and Craig Hamson (nee Rose)

Former players, Cher Bartorillo and Robyn Peate, had additions to their family.

To all these players, we congratulate you in every way and do wish you all the very best for the future from each and everyone of this Club.

Communications - With the important job of producing and distributing our 'First Base' each week, we are very grateful to Peppy for her professional journalism and I for one know exactly what is involved handling this weekly newsletter. For your time, tolerance, use of telephones, machines, etc., etc. a "Thank you" does not really fully express our thoughts for your contribution. It has been the usual TOP newsletter and a MUST for our Club. Without 'First Base' our Club would not be the Club it is, but anyway, thank you.

Committee - After a very small turn-up to our last Annual General Meeting (AGM) we eventually filled all Management positions. Whether I'm a little too critical or not, I'm not sure but I feel a few people on Management could have pulled their weight a little more. It beats me why people stay on committees if they are not interested - enough said. To those who put their best foot forward to help the Club with right decision I'm truly thankful. I know there are different members who really work with their heart in the right spot and it is difficult to mention these all but collectively for your efforts - Thank You!

To our hard-working Secretary Judy (as well as scorer, etc., etc.) for your help and assistance towards the betterment of the Club I thank you.

I feel next year should see a change to the Constitution with the return of players (not necessarily A1) onto Management. I know this will be to the advantage of the Club.

It is very easy putting pen to paper and overlooking people who have helped the Club in any way, no matter how large or small, and not thanking them - to you we say sincerely thank you.

IT IS A GREAT CLUB - I have enjoyed being your President this year and I do ask that Senior players PLEASE next year, get to the Juniors and COACH them the right way of Softball. It is left to a very few and these Juniors are suffering. I know I can depend on you because you are not only good players, but great people in the BEST CLUB. We need Coaches for next year. It has been an exceptionally good year, let us ALL make it a better year next season.

To any players or parents leaving the Club or retiring after this season, on behalf of the Club, I wish you well and the very best for the future. (P.S. If this Club has treated you well and I know it has, one day you may come back to Brisbane - be like Pam McLennan and come back to DEVILS).

CLUB HISTORY AND RECORDS

1971:

Devils Softball Club was founded in 1971 by Sandra Gaddes and Elaine Robinson. The first ever match played by Devils was 2nd October, 1971 against Vikings and won by Devils 21 - 1. There were only 13 members that first year, they were:-

Jill Bolen; Alison Dawson (Holdway); Sandra Gaddes; Judy Lindholm; Roslyn Gaylard (Morrison); Rae Hyslopp; Julie Browne; Merle Martin; Narelle Sharpe; Elaine Robinson; Marilyn Phillips; Rosslyn Culpitt (Wilson); Fay Hammond (Walter).

There was no Captain, Elaine coached and they all shared the work. A very happy team. They won the trophy for the dress parade, which meant that they won their first trophy for Devils before they ever played one match. That first year they made the Grand Final, but were defeated by Rebels by only one run.

1972:

The following year there were three Devils teams, A1, A3 and J1C. J1C were runners-up in the Grand Final to Jindalee Jags.

This year saw Devils take out the A3 Premiership to the tune of 13-0 to Saints culminating a very successful year, the team being undefeated. Members of that team were -

Kerry Boxall; Diane Lowry (nee Clark); Barbara Flude; Caroline Grice; Nancy Lowe; Leanne McWaters; Anita Pagonis; Kerry Pollock; Anne Simmons; Amanda Turner; Judy James (nee Turner); Judy Woodward; Janelle Green; Joyce Lester; Leigh Lester; Leonie Tigani (nee Bertwhistle); Marie Uhle.

At the end of this Season, Sandra Gaddes and Rosslyn Culpitt (Wilson) had completed 32 and Elaine Robinson and Jill Bolen 17 'A' Grade Club Games.

1973:

In 1973 we fielded 5 teams A1, A2, A3, B3 and J3. This was a tremendous increase, after only 2 years Devils had 5 teams, three of them in the highest possible grades.

Also in 1973 the very first night Softball started at Hawthorne Park, this was later to be transferred to Perry Park. How well we remember those first nights. The squad for that year was:-

Karen Allan; Julie Browne; Diane Clark (Lowry); Sandra Gaddes; Joyce Lester; Leigh Lester; Elaine Phillips; Marilyn Plumb; Kerry Pollock; Amanda Turner; Judy Turner (James); Maree Wilson (Bitossi); Rosslyn Wilson (Culpitt).

Considering the age of some of these players today, just work out how young they and their Coach Don Culpitt were in that first night series. This is the first year that complete records could be registered, as we have no score books for the A2 and B3 that year we cannot include these in our records.

1976:

We returned to Kumbia in 1976 to defend our title and very proudly brought the trophy home with us for another year.

The year of 1976 was the first year we were sponsored by Kedron Aust. Rules Football Club. We wore the new colours of red and blue very proudly for our new name for the night competition was to be 'REDLEGS', we certainly had a wonderful night series. Firstly, we won the 4BK Cup then went on to become the premiers of that competition. There were many individual trophies won by Sandra Gaddes, Leigh and Joyce Lester.

In the same year, 1976, we celebrated the 100 'A' Grade Games with a Dinner for Sandra Gaddes and both Leigh and Joyce Lester. They were all presented with an engraved tray. Sandra played her 100th game on 27/11/76 against Rebels. Joyce and Leigh both played their 100th game against Rebels on 6/11/76.

In the pre-season Kumbia Carnival we once again won the A Grade Senior, A2, and B Grade trophy and returned feeling very tired and triumphant.

At the end of the Season, Sandra Gaddes had completed 109 'A' Grade games, Rosslyn Culpitt 145, Joyce Lester 111, Leigh Lester 107, Diane Lowry 86, Lyn Miles 79, Kerry Pollock 72, Alison Dawson 50. Joyce Lester (A1) had the leading fielding average of 1.000 and Leonie Bertwhistle (A2) the batting average .600.

1977:

This year saw the appointment of Audrey McLaughlin as A Grade Coach. We played at Perry Park again this year. We had another A Grade player reach her 100 games in 1977. Diane Lowry played her 100th game on 15/10/77 against Redsox. I am sure you all know Diane, she is the A Grade pitcher and has played for Queensland many times along with Wendy, Sandra, Joyce, Leigh, Rosslyn, Alison, Debbie and many others.

We fielded 5 Senior teams and 5 Junior teams. T-Ball won the Premiership this year again under Joyce Lester and the U12A team won the Premiership with coach, Leanne McCulloch.

Alison Dawson had the Highest Fielding average that year .990 and Alana Casey .500 the highest batting average. On the completion of this season, Joyce Lester had completed 145 'A' Grade games, Diane Lowry 119, Kerry Pollock 82, Alison Dawson 71, Wendy Fallis 70, Leigh Lester 110 and Jacki D'Alton 61.

1978:

Wendy's 100th game came up at Toowoomba playing against Toowoomba on 28/1/79. This also was a great year for we had so many reps from Devils, not only in the State Championships but the Australian Championships, Juniors, Under 19 and Senior teams.

We were now fielding 5 senior teams and 6 junior teams. There is a tremendous lot of organising and work for management when the ranks fill to this proportion, 63 Seniors and 71 Juniors.

As at the end of February 1979, Joyce Lester had played 163 'A' Grade Club games, Diane Lowry 145, Sandra Gaddes 133 and Wendy Fallis 108.

Out of over 11 teams this season, we had 8 make the Semi-Finals, 7 the Preliminary Finals and 5 in the Grand Finals (T-Ball, U14A, U14B, A2, A1). T-Ball and U14A were Grand Final Winners.

Southside Nightball Promotional Softball tournament started at Langlands Park with our team called RED DEVILS and we were most successful winning the Grand Final. Members of that team were -

Julie Alberts; Leonie Tigani (Bertwhistle); Michelle Fallis; Vicki Gannon; Glenis Kelly; Wendy Jeays; Kelli O'Brien; Christine Osborne; Kerry Pollock; Anne Simmons; Sylvia Van Der Valk; Sandra Greenwood; Diane Christiansen; Heather Dutton. Coach was Elaine Robinson and Kim Montgomery. Scorer - Lesley Mackay and Manageress was Ailsa Fallis

We once again fielded a Redlegs team at Perry Park and were runners-up to Redsox 5-1 on 23/11/78.

This year 3 players from A1 fielded 1.000 - Pauline Harvey, Joyce Lester and Wendy Fallis. Best batting average was .585 Sandra Gaddes (A1). Chris Campbell (B2) also achieved 1.000 fielding average.

1979:

A record number of teams fielded again, 4 Juniors and 7 Seniors. Six teams, U12B, U14A, U16A, U16B, B2 and A1 made the Semi-finals, with B2 and U16B finishing Minor Premiers. U12B were Grand final Runners-up and A Grade and U16A were Grand Final Premiers. There were 46 Junior and 84 Senior players.

A Club Carnival was held at Kedron with country and city teams competing. Over \$500 was raised. Representative players both Junior and Senior competed in Brisbane and State teams. Caroline Grice was Captain of Brisbane U19, and was successful in playing for the state as Captain in Hobart. Junior players played at Mt. Isa.

Redlegs were successful, being Grand Finalists winning the Mack Gilley Trophy and were tops at the end of round 1, winning the Sunny Queen Egg Trophy. This is their second success, the last in 1976. Our A1 and Redlegs team saw a new coach and an old face, Don Culpitt, back into our club.

The Club competed at two carnivals, Kumbia and Toowoomba. Patti Walker was our only 100 'A' Grade Game player against Rebels 17/11/79.

Life Membership honours to Teggie Tegner and a "Sandy Gaddes - This is Your Life" night was held with Sandra presented with her Life Membership Badge.

Sylvia Van Der Valk completed 103 games (other than A1 Grade) for the Club. 100 'A' Club games at completion of the year were Joyce Lester 199, Diane Lowry 180, Sandra Gaddes 170, Patti Walker 115, Wendy Fallis 135, Leigh Lester 122.

Joyce Lester, Wendy Fallis (A1) and Liane Mills (Red Devils) all had 1.000 fielding averages for the season with Batting Average of .567 to Deborah Mills (B2) and Helen Rose .706 (Red Devils).

1980:

The appointment of our A1 Coach, Don Culpitt, as Coaching Director for 2 years was instrumental in our Club winning the Brisbane Club Championship Trophy for the first time ever. Our A1 and undefeated A3 teams were Minor Premiers with the A2 in third position - no mean effort by our A Grade teams. A3 with their undefeated record reflects back to 1972 when our then A3 team were undefeated Premiers. Don has been a real inspiration to all the players.

Once again a record number of teams were registered - 14, with one U16 team disbanding during the season leaving us with 4 Junior and 9 Senior teams. Ten teams - T-Ball, U12A, U14A, U16C, U16A, C1, B1, A3, A2, A1 reaching the Semi-finals. There were 56 Junior and 105 Senior players.

Our REDLEGS Nightball team once again sponsored by Kedron Football Club was not quite as successful this year, reaching third spot and losing to 4th team, Jaguars in the Semi-finals. Nightball for the first time was played on the International Diamond at Downey Park changing from Perry Park. Our Southside team, RED DEVILS, after losing the first game of the season, then went through undefeated to win the Premiership - a top effort to coach, Windy Gale, and captain, Kerry Pollock.

A Junior Club Training Camp was conducted at Linville 5-7th September for the third time. A most educational weekend under Coaching Director, Don Culpitt. Club attended Kumbia (A, U16), Redlands (U16, U14) and Brisbane (A, U16, U14) Carnivals. A most successful Devils Carnival was held at Kedron on 23rd November. Teams from as far afield as Gladstone participated. No invitation from Toowoomba received.

A first for our Club was the 200 'A' Grade Club game obtained by Joyce Lester on 17th October, 1980 against Redsox and then followed shortly by Diane Lowry on 12th December against Redsox once again. Debbie McColm reached the rank of our 100 Grade Club players on 26th September, 1980 against Panthers. Sandra Gaddes had 196 games as at the end of the season.

The Club successfully, and with a lot of pride, was the Liaison Club for the San Diego Trendsetters at the Mini World Series in Brisbane 2-9th March, 1980. Against Australia, Canada, New Zealand, Phoenix U.S.A. and Japan, our San Diego team won the Series in an exciting Final game against Japan. Pitcher, Pam Stone, visited our Club in January on leave from Waverley Club in Victoria.

Patron, Bill Tegner, was presented with an appropriate Life Membership joining Elaine, Peppy and Teggie.

Our Club has now a reciprocal club, we call our Sister Club - Devils Gladstone.

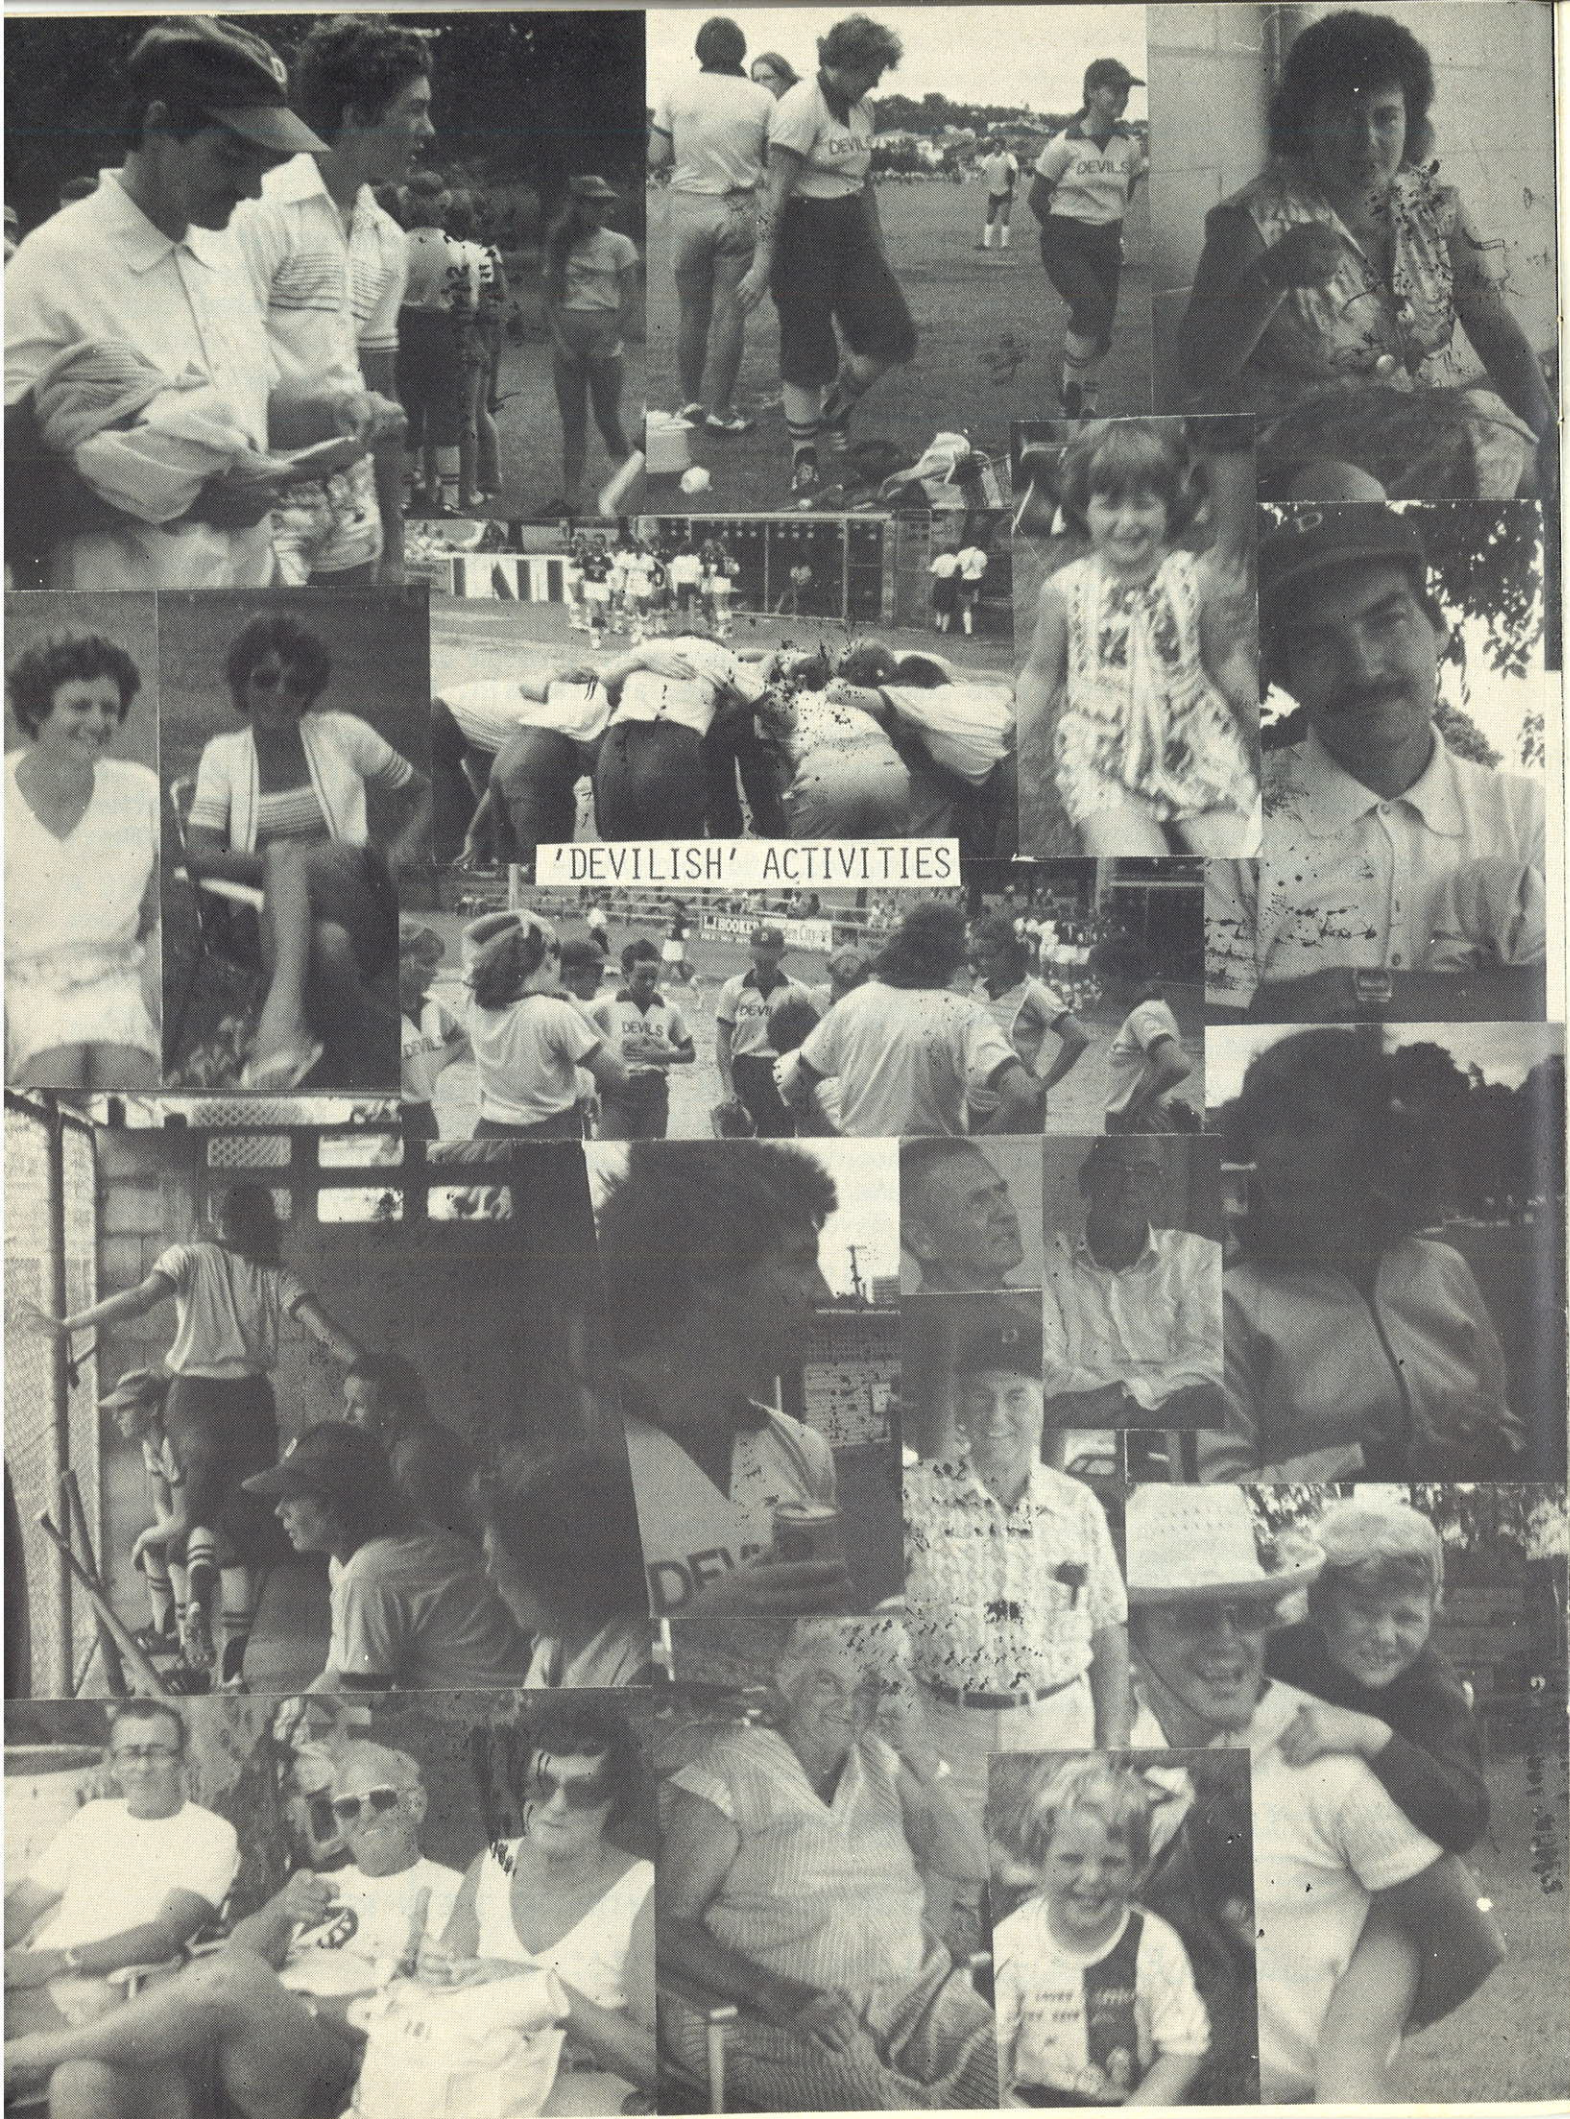

Representative players, both Junior and Senior, competed in Brisbane, State and Australian teams. Joyce Lester after representing Australia in San Salvador last year had a China tournament. Sharon Cunningham competed in the Australian Primary Championships in Darwin. Karen Moore and Patrice Webb represented Queensland in the Australian Under 16 Championships. Maryanne Walsh, Joyce and Leigh Lester and Pauline Harvey represented Queensland Seniors in Melbourne.

The Club is in a healthy position both financially and with good depth of players. Lack of Coaches, saw the Club turn away promising juniors.

RED DEVILS TEAM REPORT

It was most enjoyable to coach this Red Devils team in the Southside competition this year. A further joy was to coach the side to the win in the Grand Final. All the girls worked as a team and gave 100% effort every game we played. A big thank you to Kerry Pollock, our Captain, for her assistance during the year.

We will have to return to the Southside next year and make it a double.

Lynette Taylor won the trophy for the Pitcher of the series and Lynda Cunnington was voted the best fielder of the series. Judy Cummins from Eagles won the player of the series.

Once Again thank you to all the players for an enjoyable night series and all your hard work. You all deserved to win the Grand Final.

Inset - Leigh Lester

After the transfer to other Clubs by a couple of last year's Premiership players, we saw two new faces come into our team in the form of Maryanne Walsh and Leigh Lester. I felt that this new team would be superior to last year.

However, the 1980/81 Nightball season started disastrously for Redlegs. Due to illness and the unavailability of players, we played the first few games with a somewhat patched-up side. To the girls' credit, we came through the first round undefeated. At this point, I would like to mention our very first game of the season, because of a hotly disputed call at home plate, we drew to Saints who gained one point, which took away our Minor Premiership Trophy and also our opportunity of two chances in the final series.

For some reason, we seemed to be plagued with controversial umpiring decisions as was the case when we were eventually knocked out of the night series in a game awarded to Jaguars 1 - NIL.

The presentation of trophies night saw our girls shine with Joyce Lester winning the "Player of the Year" award, Sandra Gaddes and Maryanne Walsh both winning hitting trophies for R.B.I.'s and most hits respectively - well done, girls!

We saw the opening of the day season provide us with a shock loss to one of the bottom order teams. This however, was our only loss of the season and we went on to become Minor Premiers in what was our club's best ever 'A' grade day season.

I would like to thank Bev for looking after the girls, Teggie for keeping the scorebook immaculate and Allison for her efforts as Bat Girl. I would also like to thank the girls who filled in for the team and my thanks to people involved in the officialdom for the team.

Don Culpitt.

SPONSORS - APPRECIATION

Devils Softball Club wish to thank the many sponsor Donors and helpers, no matter how big or small, throughout the year. In particular, we mention Mr. Des Seymour at The Grange Amoco Service Station, Days Road, The Grange, Mr. & Mrs. Ron Cooper of Tumbler Togs, Kitchener Road, Kedron for materials, Parents and Supporters with donations at our Club Carnival, Parents and Supporters for Donations for Trophies to our Presentation Night, etc., etc.

Your contribution and kindness has contributed to the betterment of this Club and for this we are truly thankful and ask all players, officials and supporters to support them likewise throughout the year.

A2 TEAM REPORT

Back row - L-R - Rhonda Cutlack, May Edwards, Pam MacLennan, Karen Punchard, Kym Jeffries, Graham Lowry (Coach)

Front row - L-R - Michelle Fallis, Kerry Pollock, Sue Knight

After a disastrous start to the season, by losing our first 3 games, our team chalked up eight straight wins to the semi-finals. We finished in third position and will play Jindalee in the knock-out Semi-Final. It is a great credit to all members of the team for the sheer determination they have shown over the last 3 months. Every member of the side has given 100% effort and as a result we have beaten all before us. I am confident at this stage that we will win the final if we continue the same dedication. I can honestly say I have never coached a more enthusiastic bunch of girls, who were so keen to listen and as a result their games improved dramatically. It has been a great pleasure to coach the side and very rewarding. Good luck in the finals!

KERRY POLLOCK - First Base - Kerry is the team Captain and has done an excellent job this year. She has led by example and is one of the better hitters in the team. A great asset in any team.

KYM JEFFRIES - Second Base - Played 2nd base for us this year and did a great job in a position she was not accustomed to. She is a real asset to any team and is a good steady player who has had a great season.

HELEN HAMSON (NEE ROSE) - Shortstop - Helen is a steady player who has a great arm and is an excellent hitter. She has done a great job for us at shortstop and is a good team player who never gives in.

MICHELLE FALLIS - Is the team "Miss Versatile", she can play anywhere from catcher to outfield and is our lead off batter, who for most of the season was batting about .500 which is excellent. A great player to have in any side and a good team girl.

HEATHER SYMINGTON - Is one of the more experienced players in the A2 team and has played well all season. She is a good player who is extremely dangerous with the bat, and a great asset in the side.

It was a pleasure to coach this team due to their good team spirit and willingness to win and I am sure we will be there in the big one.

Graham Lowry.

P.S. My thanks especially to assistant coach, Don Culpitt, who was at every game and helped us tremendously throughout the season. He was a tower of strength both to the players and myself.

1980-81 has been an excellent season for the A3 girls. Although the season started with chopping and changing of players, we finally settled down to 9 permanent players who I might add were mostly under 16 players (thanks Leigh!). Since then the girls have settled into the usual routine and have gained a win in every game this season. That, in itself, is a fantastic effort because only a good TEAM EFFORT can result in a no-loss season. Again, this is a feat which we have not seen for a while in the Devils Senior Club.

To go through the team player by player, I shall mention them in positional order -

LYN TAYLOR - *Pitcher, Third* - Lyn is 15 years of age and has come through the Devils Club from T-Ball. She has proved herself to be a very competent pitcher as well as batter. Lyn has played above herself this season as few hits have been scored against her. In one game in particular, against Rebels, she pitched a no-hit game. If Lyn works hard at her pitching she will do well in the near future.

CATHERINE SWANNELL - *Catcher, Outfield* - Cathy is only 17 years of age and this is her first season in Devils Club. Her game has improved greatly this season and this is apparent by her averages. She still has lots to learn but her biggest problem being the absence of a catcher's mitt. Cathy is a very capable softball player who is capable of hitting a very long ball.

PATRICE WEBB - *First Base* - Patrice is 15 years of age and an up-and-coming player in the Club. She has played in Devils since T-Ball and has developed into a very consistent and capable player. 'Webbles' has an excellent batting average and fielding average in the team. Overall, Patrice works in with the team and is a great team player.

JENNY CLARK - *Second, Utility* - Jenny is 14 years old and another player who played through from T-Ball. Jenny is an excellent player to have in any team. She has improved greatly in the latter half of the season, both in her batting and her fielding.

DONNA NEVILLE - *Third, Pitcher* - Donna is the normal third base in our side. She has a great arm to first base and has fared well in the batting for the year. In times of trouble Donna has come to the rescue with her pitching and has done quite well.

KAREN MOORE - *Shortstop, Outfield* - Karen is 15 years of age and an integral part of our team. She is a very strong player, especially in batting. Her attitude towards the game is always positive and therefore she plays well. Karen is an excellent player who will go a long way in the future.

LEONIE TIGANI - *Leftfield, Outfield* - Leonie is an important player in our side. She is the biggest incentive to other players in the side because of her drive and experience in higher grades. Leonie has batted very well this season and has been an excellent team member.

KELLY GADDES - *Centrefield, Outfield* - Kelly is 16 years of age and an asset in our team. She is a very aggressive baserunner and has batted excellently for the year. She has a positive attitude towards her game and you can count on her to get a hit when the team needs it. She needs to work on her glove work and then her game will improve greatly.

SANDRA PLATT - *Rightfield, Outfield* - Sandra is only 15 years of age. Her game has improved since the start of the season in her fielding and especially in batting. Sandra has played with Devils since T-Ball and is a consistent player.

I would like to thank everyone who has been directly involved with the team. Special thanks must go to the team for being such an easy team to coach and putting up with the coach's quirks. Many thanks to Don, our Assistant Coach, Heather Moore our mad scorer (keeps me sane), Mrs. Neville the Manageress and the Under 16's who helped us and most of all to the spectators who were fantastic this season.

Don and I would like to wish all the girls all the very best and may you get out of the sport as much as you put into it.

Jos.

An enjoyable season was had by all, although we did not make the final four, this did not deter the girls from trying harder with each and every game and great satisfaction was experienced when defeating higher ranked teams. It seemed at the start that they were a very ordinary lot and I having no expertise, wondered what the 'devil' I was doing there, but the squad was tolerant and as my knowledge increased, so did the girls confidence in me.

After crushing defeats in the first 3 games, we all realised the ominous task that was upon us. Fielding and batting changes - concentrating on our weak spots at training and trying for the extra outs, all help to bring stability to the team as a whole. Improvement was soon forthcoming and consequently we won five out of the seven games that were left; only being defeated by the leading points scorers. If it were not for losing points on an unregistered player and the fourth team in the final four getting a forfeit, we would have made the finals. Never the less it was gratifying to see the tremendous improvement in the team and I am sure you as individuals must share my feelings. It has been a pleasant experience being with you for the season and I hope we can renew acquaintances next season.

ELIZABETH HANIFIN - *Pitcher* - A very conscientious player whose skills were appreciated by all, fielding and batting were to the fore and her pitching improved dramatically once she realised there were eight other players on the field with her, whom she could depend on.

JOANNE GREENWOOD - *Catcher* - Played well throughout the season and filled in admirably as catcher (she even surprised herself), but it would be nice to see a little bit more determination at times in this position. She also played second base where she proved quite capable. A good understanding between our pitcher and herself proved invaluable to the team as a whole.

JENNY COOMBES - *First* - Joined our squad a little late and found it a bit difficult to catch up, since she had not played since school days, but catch up she did, in the last four games with good batting and proving dependable at first base. Nerves were her main trouble and it was good to see these being eliminated by the end of the season.

SUE MAGUIRE - *Second; Outfield* - Played centrefield and then second base where she was invaluable, batting was a bit inconsistent for her ability but nevertheless she had a high batting average and fielding exceptional. A player with unlimited ability.

CATHY DAVIE - *Third, First* - First base where I felt she was being wasted so I moved her to third, where she proved a valuable asset. Fielding was good and she batted very well although I felt not always batting to her ability. A player with more than average ability.

SANDRA SALE - *Shortstop* - Played most of the season with C1 and was a valuable addition to the side at shortstop for the last half of the season. Batting was good, fielding OK. Backing-up was very good, but her throwing arm leaves a little to be desired; more practice will overcome this problem.

TRACEY MCLEAN - *Outfield, Shortstop* - Batting because of nerves left a little to be desired, but by being attentive sorted out a lot of her problems. Fielding had similar problems. I feel sure if you had a rule book, studied and got a greater understanding of the overall game, your game would improve immensely with your willingness to learn; overcoming this should be no problem.

PAM MIENERT - *Outfield, Utility* - Finished up at centrefield where her fielding was excellent. Batting was very consistent also. A person who gave 100% all the time. It is a shame that she cannot run a little bit faster, but her other attributes compensate for that inability.

SYLVIA VAN DER VALK - *Outfield, Third* - Played leftfield 80% of the time and filled in at third base. A great fielder of the ball, very safe, but Alas!! Those well hit foul balls - Oh! to straighten them out which I am sure you will. Next year, I can envisage you being on top of the batting list, but you must have confidence in yourself as I have in you. A great team player.

ANITA GORMAN - *Outfield* - Stayed at rightfield nearly all season. Although not a big hitter of the ball, turned out to be consistent and was sighting the ball well, returns of the ball were inconsistent. School problems, lack of training and not much incentive hampered her improvement. Let's hope she can resolve these problems before next season.

Darryl Sale.

We recorded 6 wins out of 12 games. Despite being plagued with a number of problems it has been a successful season. After making an almost too late start to training we were immediately hit with a series of withdrawals leaving us without a team right up to the first game. During the season we registered 15 players and were never able to field the same side two weeks running until the final two games. However, the girls attitude to training was always good (2 nights/week) and with a regular side we would have been difficult to beat. The team would like to offer a special thanks to our Scorers and also to all the other players from B3 and U16 who filled in for us every week. Without them we would have fielded a team only on 4 occasions. Thanks girls! Thanks also to Mick for his help.

CATHY MORRISON - *Pitcher* - Had good pitching and batting performances but was often let down by poor team fielding. With her hard working attitude, maturity with age and correction of minor fielding faults, Cathy can only improve with the seasons.

BARBARA HOTCHIN - Due to an unexpected operation, the team was without Barbara's fine batting and fielding ability for half the season. Barbara is an ideal team member because of her attentive and diligent attitude to both training and the game.

PAM CULPITT - *Outfield* - Despite one disastrous unwelcome performance on third, Pam had a good consistent season for the team. At bat, Pam rose from a tail ender to the prominent 3, 4 and 5 position. Pam is a good trainer and team member who only needs to develop more speed to strengthen her game in the outfield and with base-running.

PAULA WARNER - Paula's aggressiveness showed both on the field and in the beer garden. With her willingness to attack the ball she was a welcome addition to the team infield. Her batting improved enough for promotion alongside Pam.

DENISE MAY - *Outfield* - Was the speedster and fittest member of the team. Her speed at running bases often caused errors in the opposition fielding and strengthened ours with her quick backing up and strong throwing arm from the outfield. To continue her development as an outfielder, Denise needs only to gain confidence in herself.

SUSANNE DAVIES - *Utility* - Sue was used as the utility player of the team, filling in wherever we were left short by absences. She never failed to make contact with the bat and would have had a better average if she had been quicker on her feet. Thanks for doing the dirty work Sue!

LYNELLE PRITCHARD - Lynelle was one of the few players to play the same position all season and finished with a fine average. At bat, Lyn was often valuable in tight situations but lacked consistency due to lack of self confidence in her ability. Push yourself Lyn.

SUSAN SMITH - Was one of the late entries to the team who helped fill in our gaps of players. Sue showed up well in the short time we had her and I hope she returns next season.

LYNDL DEMPSEY - An old club player who made her return in time to help us out of our troubles. From the teams viewpoint she should have returned earlier as we could do with her batting aggression.

BELYNDA JONES - *Catcher* - She was promoted from B3 during the season to replace our catcher (Liane Mills) who went overseas. As such we could not have done without her as she filled the plate competently. It is not easy to switch teams during a season, so a special thanks for doing so Belynda.

DEBORAH MILLS - *Second* - Debbie was just starting to hit her stride when she ventured overseas to visit her sister Liane (one of our better early season players). As such we were without her assistance for some time, but were pleased to see her return for the finish of the season.

Bruce Staib.

1980 started off really well for us with three wins in a row. The girls played good games all season, with a total of eight wins and four losses prior to the semi-finals. All this from a team who started with 5½ players (no catcher or pitcher) and a coach who was very uncertain about even trying to build something out of what was given to her (or should I say which girls were not taken from her).

My thanks to Sandra Sale for her perserverance early in the piece and for cheerfully taking over the burden of the pitching department. Her confidence in the fact that our team could, and would, do well helped build team morale a lot during those early games. We saw a lot of faces come and go but we were very sorry to see her leave to join the B3's.

She introduced her friend, Leigh Braiden, whom she had met at Cricko, and at last we had a fairly sound battery. Leigh played well at catcher throughout the season and when not available was replaced by Debbie or Fiona (once she was fit). When Sandra left, her duties were taken over jointly by Debbie and Chris (a rather late starter this season but always welcome in C1) and they performed well.

Our infield - Kathy at first, Leanne or Donna at second, Paula at third and Jacky at short stop - worked with precision and did what was expected of them without too many hassles or errors. The outfield saw ever-changing faces and the only one certain of a spot was Jeanene at Rightfield. After having had a bad knock early in the season, she has come back with a vengeance and is playing now with much more confidence and ability. The fact that husband, Rusty, has helped me with coaching in the latter part of the season has had a lot to do with her improvement (one way or another). My sincere thanks to Russell for his help and comments on these occasions.

Gary Nash lent his support as Team Manager and, once again, Alison Andrews cheerfully gave her time as Scorer. I say Scorer here, because that is what is on the record books but for all that is not on record, I thank her. Now for Windy who is about to help us out in our semi-final as this coach, has just turned player. My thanks go to him and to all the others (approachable or not) who have helped make this Player-come-Coach into the Coach-come-Player she has been throughout the 1980/81 season.

Robyn Gillinder.

As can be seen by the above, some teams did not put quite the effort they should have and we hope that we can all get together next year and make it a better and brighter year financially for the Club.

Thank you.

A mixed season for this team, showed brilliant team work on the field and with the bat, but on some occasions they seemed an absolutely hopeless combination. As far as 'team' feeling goes, these girls would have to rate a 10. At training and on the field, they're all "good mates" which makes the coach's job a lot easier. Each girl did her best to turn up to trainings twice a week and usually put in a good effort. On this point, thanks must also go to the parents. No matter what the game or what the weather, we always had a good following of supporters to cheer us on. Special thanks to Mrs. Gumm, our Manageress, and Mrs. Gaddes who acted as our Assistant Coach; and to all the scorers we've had this season.

On the points table, we stayed in the top 4 all season; but now, due to bad weather and unfortunate circumstances, it's slightly possible that we may be forced into a play-off. Only time can tell!

ROBYN DUNN - *Pitcher* - First season with Devils, joined from the Wolves camp. Early games saw Robyn pitching lots of balls in the dirt, but with a change of pitching style and some effort she soon showed noticeable improvement. Robyn plays well in other positions, but was needed more as a pitcher. She has an unorthodox batting style that confuses the opposition with lots of opposite field hits. Her specialty is 'uphill home-runs'.

LINDA PUSTERLA - *Outfield, Pitcher* - Upgraded from Devils 8 to Devils 7 early in the season. She's proved a valuable asset as a consistent pitcher as well as a reliable outfielder. She's certainly not scared of hitting the ball but is lacking in some knowledge of the game, that only experience will bring.

SALLY WILSON - *Third, First* - First season for Devils. A very strong player who shows a lot of natural ability. A few points on technique need working on but she has showed definite improvement since the start of the season. Sal has a great side-arm throw from third and plays well in the outfield or first. A back injury hampered her

progress for a few weeks but has come back fighting fit and full of get-up-and-go. Sally also hits the ball hard, usually driving it hard, low and flat through the infield.

MELINDA SHORTEN - *Second* - Originally from Wilston Grange and this is her third season with Devils. A very enthusiastic player who trains hard. Melinda has had a very up and down season with the bat. Remember, all great players have a bit of a slump sometimes and fortunately Melinda's coming good at the right time for finals. Her specialty is the "Home-run Bunt".

RHONDA MITCHELL - *Second, Shortstop* - Started well for us, but did not complete the season. A very consistent fielder at second base and occasionally at shortstop. She has taken off some brilliant catches and plays and definitely has the makings of a good player. Training and hard work is all that is required.

LYNDA CUNNINGTON - *Catcher* - This is her third season for Devils. An example of the few good 'all round' softball players to be found. She is not lacking in any department - glove work, throwing ability, batting, baserunning and aggression are all in her credit. A girl who can play anywhere, but is needed much more at catcher. Improvement in the calling of plays from the plate will gradually come with more experience. I'm sure this girl will go a long way if she's willing to put in some hard work.

LESLEIGH GUMM - *Leftfield* - This is Lesleigh's 4th season with Devils. If enthusiasm and dedication were all that was needed to play the game, well then this girl would certainly loom 'head and shoulders' over any other girl of her age. As lead off batter, she consistently sets the batting pace, starting with a one or two base hit. Lesleigh trains hard; plays hard and would you believe even dreams softball. More improvement will definitely come with experience in a higher grade of softball.

JODIE GADDES - *Shortstop, Catcher* - Fifth season with Devils. Jodie's fielding certainly has improved since the start of the season. Not only the skill of making routine outs at one, but in particular, the thinking plays involved with getting the advanced runner. Jodie is a consistent batter, but needs to thump the ball harder and generally get more aggressive.

GIOVANNA GAGNO - This is her fifth season for Devils. A good all-round player, who could go a long way if she puts some hard work into her softball. A very safe player on the field and consistent batter. A few basic bad habits need to be ironed out so that Giovanna could reach a very high standard player. A very fast baserunner and aggressive player.

MICHELLE DYER - *Outfield, First, Third* - Her 6th season with the Club. Michelle has been moved around quite a lot from outfield, to third, to first and back again. She always tries hard and is a consistent player on the field; but more improvement will come easily if she gets a bit more "zest" into the game. The biggest hitter in the team and often sends the ball flying over the opposition fielders heads.

This season has not been one of our best, but I hope that all players enjoyed their games on a Saturday and made a mental note of their mistakes which they must work on and try not to repeat. We had a lot of fun and I look forward to coaching another 'Mad Mob' next season. Thanks to Roy Bender for his assistance during the season and our supporters who gave vocal support and knowledge during the year.

Finally, the team supporters and myself would like to thank Des Seymour of the Amoco Service Station, Days Road, The Grange for his team sponsorship for the year. His generous donations of money and cold fruit juice after each game was appreciated and I am sure Devils Club are most grateful.

HELENE MATTHEWS - Pitcher - Helene had a good sound season and with solid coaching, I feel, could develop into a top pitcher and be an asset to any club side. She is a sound batter and is very sharp on the field and has worked very hard this year.

CATHY McLEAN - Catcher - She is a good team member and tries very hard at all times. A strong batter and one player determined to do well every innings. Unfortunately injured towards the end of the season, but I am sure will be back next year.

BERNADETTE GORMAN - First - A new club member this season and has fitted in very well with the team. At last, we found a spot for her and first base suits very well. Bats and fields very well and tries hard at all times.

ROSSLYN CLISSOLD - First, Rightfield - "Flash" is a good Club and team member and always has an answer for the coach. We believe that she will be taking 'sprinting' lessons during the off season endeavouring to turn all those 3 base hits into home runs. A good team player and the "life of the party".

ANDREA GALE - Second, Catcher - Andrea will try anything and it is handy for a Coach to have a player that can fit in if needed. Andrea is also joining Rosslyn at the off season training camp for budding sprinters. A good team and club member and very keen on the game.

SHARON PARRY - Shortstop - Did not have the best of seasons, but tried very hard every game and that is all a coach expects of his players. A very strong batter and has the ability to belt the ball out of the park.

IRENE SITTON - Third - Irene is the quiet one in the team but certainly gives every game her best. A sound batter and fielder and certainly a keen team member. A little coaching in a specialist position would work wonders.

KYM BENDER - Leftfield - Is a good member and gives 100% effort every game. Strong batter, capable of a home run any time. Has not had a brilliant fielding average but certainly has the ability.

TRACEY GILL - Centrefield - A new member of the club and team this year and was a welcome addition. Several times during the season, Tracey has made some very good outs and has bags of ability. Her batting is her strength and this helped the team several times this season.

LORETTA ZANATTA - Rightfield - Not the best of seasons, but Loretta is gaining confidence and improving with every game. She has fitted in very well with the team and gives every game her best effort.

Windy Gale.

REDLAND BAY CARNIVAL

On the weekend of 27/28th September, 1980, Devils were invited to participate in the inaugural carnival of the Redlands District Softball Association at Thorneside.

Under the guidance of Debbie McColm (U14) and Leigh Lester (U16), the teams had good pre-season games against the representative sides from Kumbia, Ipswich, Gold Coast and the Redlands District. Although neither team made the finals, the experience gained was invaluable for the forthcoming fixtures.

The carnival overall was well organised and very successful. Devils congratulate the Redlands District and would certainly encourage invited teams to participate should this carnival become an annual event.

This year Devils started the season with four teams in U16 grade and unfortunately a few players left the Club and the teams had to be reshuffled - the fourth team being disbanded. Our team finished the season with 12 players.

Although we did not finish the season in the final four, I was pleased with the teams performance as most of the girls had never played competition softball before. We went quite well and I am sure the girls have all been taught something in the past season. Although we had 12 players, it was necessary to borrow players from the lower grades over the Christmas break. I would like to thank all the girls who filled in for us during the season. Thanks must also go Windy Gale who coached the girls when I was unable to be there because my own game clashed with theirs.

One thing I would like to mention is the attendance at training which was excellent all season - congratulations girls. It is good to see such a good attendance at training. As most of the girls will still be eligible for Under 16 again next year, I am sure they will go well in future years with Devils Softball Club.

BERNADETTE AMIES (CAPTAIN) - *Pitcher; First* - Her first year with the club, although originally played first base, the lack of a pitcher in the side, Bernadette stepped in and filled the position very well. A very enthusiastic player and very willing to listen and to learn.

MICHELLE BROWN - *Outfield, Shortstop* - This year was Michelle's first with the Club. She has taken some good catches in the outfield, but with more practice her throw will improve considerably. Michelle is a good team girl, gives a lot of support to fellow players.

INGRID GECKS - *Outfield, Third* - Her first year with the Club and she has learnt quite a lot. Ingrid has taken some good catches in the outfield (but you must learn to use the glove and not your hand), is also a good batter.

CHRISTINE HARROWER - *Third, First* - Christine played third and filled in very well at first when required. Christine has good glove work and also bats quite well.

CHARMAINE MCINTYRE - *Shortstop* - Charmaine has a lot of potential, strong throwing arm and good batting. Handles shortstop very well, making some excellent outs during the season.

KAREN MAXFIELD - *Outfield* - Karen has improved this season through hard practice. Karen can hit the ball hard at times, but must learn to keep her eyes open when she bats. She is a good team girl.

BERNADETTE MIFSUD - *Outfield, Second* - First year with the Club, has showed good glove work but a bigger glove would help. Bernadette hits the ball hard. Keep on practicing Bernadette and don't forget to look at the coach for signals.

BRONWYN MOORE - *Outfield, Catcher* - The lead off batter - very capable. Especially when she opens her mouth. Bronwyn has taken some good catches in the outfield and has filled in as catcher very well.

LINDA SAUNDERS - *Catcher* - Linda has played catcher this year and Bernadette and her have made a good combination. Linda has made good outs and a capable batter always does as she is told.

STEPHANIE WHITE - *Second* - Stephanie is in her first year with Devils, a great club and team spirit. Stephanie is one of the most enthusiastic players in the team. She tries very hard, although sometimes too hard. Stephanie has to learn to get the ball first before she attempts to make an out. Keep up the practice, but remember to keep calm on the field.

LISA WILKINSON - *First* - Second year with Devils and Under 16B team. Lisa has improved a lot from when she first played for Devils coming from an outfield to first this year. Played well at first, making some excellent outs. Very fast base runner and always makes the other team make a play at her. Good glove work and team batter.

KAREN WOODROW - *Outfield* - First year with the Club, has improved during the season. Capable hitter when she wants to and of taking catches in rightfield. Karen needs to practice more at her fielding and learn to move more in the field and not stand in the one spot. Has improved this season and with practice will improve much more.

P.S. We did very well considering at the start of the season, we had a team of first bases and nothing else, but we eventually sorted it out to only 'one at a time'.

This year our team finished in second spot for the 1980-81 season, in a play-off against Saints. If they show the same determination in the finals as they did in that game, then I'm sure they will win the Grand Final. I was fortunate this season to coach the same team as last, they always listened hard to what I had to say and tried their best to respond and put into practice what they were being taught. To the Mums and Dads, a big thanks for all your support you have given the Club and the team throughout the year, for without that support the Club wouldn't be the success it is.

SHARON CUNNINGTON - *Pitcher, Infield* - Shay has a great future as a pitcher if she keeps at the hard work that goes with it, a capable player both on and off the field. She also represented Brisbane Downey Park and Queensland schoolgirls.

SHERRIE PHILLIPS - *Catcher, Outfield* - This is Sherrie's first season as the full time catcher for the team. She has a lot to learn, but is showing great improvement with each game.

JODIE GRANT - *First* - Jodie shows great potential at first with sharp reflexes and good stretch. She is also very quick around the bases.

TERESA BAILEY - *Second, Third* - Loves to hit the ball hard and score the runs for her team. She is also a very versatile player adapting to the situation when it is required.

ANNA SITTON - *Third* - Anna is a very capable player when she puts her mind to it and a little more effort and she could play in the top grades for the Club.

TRACEY THOMPSON - *Shortstop* - This little girl will one day be a big threat to A Grade. She is a good all round player and always tries to give her best.

KELLY-JANE REES - *Leftfield* - Kelly is improving with each game, trying to do a little better each time she steps on the field. Keep up the hard work Kell!

MARILYN KANE - *Centrefield* - Marilyn is also improving with each game and always tries her hardest and with a little more confidence there will be no stopping her.

MICHELLE CARRINGTON - *Pitcher, Rightfield* - Michelle is a great back-up pitcher which is hard to do especially when you don't get to play that position a lot in the game. Keep coming Michelle.

Debbie McColm.

REGISTRAR'S REPORT

There were many requests last year for us to publish the statistics for all teams - not just seniors. It is so encouraging to find these young players so interested that we have decided to go ahead and let you see them.

It must be pointed out here that these figures are taken from the score books and are not for comparison or criticism. I would like you to remember that scorers are giving their time and effort to support teams. They are not representative scorers, so please remember they score to the best of their ability, and are not open to criticism. They are members of their respective teams, so accept them as such.

I regret that the T-Ball figures are not available. These players do not face a pitcher so their batting average would not be a true recording. However, we can look forward to their figures next year when they play in a higher grade. There is no embarrassment meant to anyone so if your figures are not here you have not played in enough games.

A total of 161 players passed through our books this year, so you can imagine how busy I was keeping account of them all.

We have a great Club but unfortunately not enough willing hands. My sincere thanks to all the scorers who backed up when asked. It would be wonderful to have a scorer for each team, but unfortunately we do not have enough for such a luxury.

To Anne Symington, Heather Moore, Vicki Gannon, Allison Andrews, Sylvia Van Der Valk, Win Punchard, Jan Buckley, Judy Greenwood and Joanne Greenwood we thank you. If I have missed anyone, please accept my apology.

I. Tegner.

On the whole, the team put in a great effort, even though they seemed to fall apart near the end of the season. I honestly believe we should have done better if a full hearted effort was put into the game from all the players, instead of some. I do see plenty of potential in all of the players, some stronger than others, but if you have the determination and the eagerness to continue and are willing to give it all you have, there is no stopping you.

KAREN EAMES - Could put a little more effort into her game, although she surprised many with some pretty good hits and catches. You need to practice more on softball.

VIRGINIA GRAY - You have it there. I thought you were a little too young to be playing in U14, but you proved me wrong. Don't be scared of the ball, you showed me you have plenty of go but were too scared to use it. Batting is your strongest point, fielding could be if you tried a little harder.

KELLIANNE HACKEY - One hell of a batter, and a great fielder. Keep up the good work, I can see you going a long way if you continue with the determination and go you showed us in the previous season.

SUSZAN HARLAND - Fielded and batted well at the beginning of the season, though I felt you had too big a holiday and didn't put in the best of your ability right through the season. I know that you can play 100% better, otherwise a fairly good effort. Work hard and you'll get there!

KAREN MADDOCKS - I'm sure you could have played better if you tried a lot harder. Don't be scared to move, you tended to rely on others, making your work harder when they were not there. I could rely on you for a safe hit, though you panicked sometimes and made some silly mistakes.

TRACEY-LEE SHAAB - A great fielder, with a gutsy effort all season round. You showed many top performances but that's where it stopped. Batting was a very weak point in your play. If you learned to bat as well as you fielded, you would be a far better player.

KATRINA WEBB - The same message to you as in Tracey's. A great performance in fielding, yet your batting let you down. We all make errors - just forget about them once you have made one. I can see provided you listen and try hard, you will be a threat to many higher than yourself.

YVONNE THOMPSON - At the beginning of the season you looked as though you did not want to try, yet nearing the end, you improved immensely. There is still room for more improvement. You must move to the ball, it won't come to you. Batting surprised many, with quite a few good hits.

KYLIE WOODROW - Provided you continue to show an interest in the game, you will do well. A fairly good performance in batting, with plenty of gutsy hits, yet you need improvement and unless you try your hardest you will not get too far.

CHRISTINE WRIGHT - You show plenty of determination and heart when you play. I know you have developed a great love for the game and because of this show a marked improvement in your play. Keep on listening and trying hard and you will improve further.

Karen Punchard.

After being beaten in the Grand Final last season (Under 12B), we were promoted to 12A and set about the task of making this another successful season. It was by no means easy, although we were to lose only two games, both to the same team - Wolves. We had the problem of having 14 players in the team and it was particularly hard to keep any one player in the same position. Each week more than half the team had to be pulled out of the game and four or five fresh players put in. This proved to be a headache for all concerned, especially the players who were receiving only half a game each week, and I apologise to these girls and at the same time thank them and their parents for their support with this problem.

We continued to move steadily along and at the close of the season, we were in the number two spot on the table and at the time of writing this message, I am still snorting over our 12-10 loss in the major semi-final but with the consoling thought that we are not out of it yet. Let's hope that as you read this we have come back and pulled the big one out of the bag.

To Robyn Beament, my Assistant Coach, Sue Larsen the Manageress and to all the Scorers we had during the season, THANK YOU, so very much for all your assistance. Also a big thanks to young Gavin Maycock for all his help at training. Also, I would like to thank all our supporters, especially the Mums and Dads for their help and for supporting us at every game. A special thank you to the parents for the way in which the girls were dressed each week and for the way in which they conducted themselves on and off the field, their manners were impeccable. Before giving a short run-down on each player, I would like to thank Devils Club for all their assistance during the season - it surely is a great Club.

HELEN AVIS - *Outfield* - A joy to Coach. Stick with it Helen and you can only reap the rewards.

LISA BEAMENT - *First* - First season at this position and can only improve. Good hitter of the ball.

WENDY CARTER - *Third* - Has at last learnt to catch two hands and the improvement this season is a credit to her dedication.

MELINDA DEAVILLE - *Utility* - A real trier, bats and fields well and will improve greatly next season.

LEIGH GLEADHILL - *Pitcher* - A very dedicated player who has the ability to become a top ball player.

SUSAN JOHNSON - *Catcher* - A real trier and at all times a team player. Big future!

TONI LARSEN - *Outfield* - Into the Under 12's from T-Ball. Fields fairly well. Good hitter of the ball.

LEIGH MACCARTHY - *Shortstop, Utility* - What can a father say? Thanks Leigh for coping with a lot more pressure than you deserved. Good future.

BRENDA PLATT - *Utility* - Small in stature - big in heart department. Every inch a softball player

ALLISON REES - *Outfield* - Up from T-ball this season and will be a real force next season. Good strong arm.

ELISA SITTON - *Outfield* - A good steady player. Has improved this season.

KELLIE THOMPSON - *Outfield* - Another T-baller. Thanks Kellie for a 200% effort

TREENA THOMPSON - *Second* - Has improved greatly this season and will continue to do so as she makes her way to the top.

KATRINA WOODROW - *Utility* - 200% effort player, after a few rough edges are smoothed out it will be up all the way.

Kev MacCarthy.

MAGAZINE COMMITTEE'S COMMENT

We are grateful to all Coaches for their co-operation with Team Reports, Isabel Tegner for her enormous task and effort with teams' statistics, those who have supplied photographs and to all who have helped in numerous ways, your assistance was invaluable.

Barry and Pep.

T-BALL TEAM REPORT

Back Row - L-R - Susan Buchanan, Kathy Gleadhill; Carrie MacCarthy; Samantha Wildermuth; Joanne Greenwood.

Middle Row - Janette Sitton; Laura Buckley; Jodie Maycock; Lauren Gaddes

Front Row - Kerrie Duckwitz; Louise Mitchell; Kelli Thompson; Karen Webb;

Absent - Helen Rose Monique Gastaldin

The T- Ballers went through the season undefeated until we met Redcliffe in the last fixture before semi-finals. Our main rival, Wolves, took Minor Premiership spot due to our loss, however we hope to take out the Grand Final. Our T-Ball parents showed great support for the girls and myself. Our Coach, Helen Rose, left us to be married late in the season. We wish her every happiness for the future. My thanks to go Mrs. Buckley, our Scorer. The girls and I wish to give a special thanks to Robyn Gaddes who was our Manageress. Last of all I would like to thank the girls themselves for making my first season as a Coach a very enjoyable and enlightening experience. I hope to coach again next season, thanks for all your support.

SUSAN BUCHANAN - *Outfield* - This was Susan's first season playing T-ball and she put on a good show throughout the season. Her batting was outstanding but she has a little problem with her accuracy when throwing. With a bit of practice she could become more accurate.

LAURA BUCKLEY - *Shortstop* - Laura played well throughout the season, she made a few top outs and batted well. She needs to discipline herself at training and she will do well in the future.

KERRIE DUCKWITZ - *Outfield* - Batted and fielded well. She has improved greatly since the season began and has proven to be a good team girl. Kerrie will be a valuable player in any future team.

LAUREN GADDES - *Third, Shortstop* - Lauren has played perhaps her best season ever. She was instrumental in many good outs and an occasional double play. She batted well and shows a lot of potential.

KATHY GLEADHILL - *First* - Kathy played first base throughout the season. She had a number of good hits and her fielding was at its best for most of the season. She proved to be a valuable player for the team. Kathy needs to be a little more serious about her training.

CARRIE MACCARTHY - *Catcher, Outfield* - Carrie, like the other girls in the team played hard all season. In one game she hit five home runs out of six times at bat. If she continues to work hard she will prove to be an asset to the Club.

JODIE MAYCOCK - *Outfield, Catcher* - Jodie played well, she played confidently and consistently wherever she was put. Jodie needs a little more concentration during the game and trains well. She will also be an asset to the Club.

LOUISE MITCHELL - *Outfield* - Louise batted well throughout this year and always put on a good show at both games and training. Louise will prove to be a top softballer if she continues to work hard.

JANETTE SITTON - *Outfield, Third* - Janette showed us just how well she can throw a ball when she was brought into third on a few occasions. Janette's batting and fielding is proof of her ability and she could go a long way in softball.

KELLIE THOMPSON - *Pitcher* - Kellie is our smallest player and despite her size she took some good catches in the pitching position. Kellie also batted well and will make a good little softball player if she keeps working at it.

KAREN WEBB - *Outfield* - Karen showed a lot of speed in the outfield and she has a strong throw. Her batting has improved greatly over the season. Karen applies herself well to training and does whatever she is told. She certainly is an asset to the team.

SAMANTHA WILDERMUTH - *Second* - Samantha played well and her team spirit was good. Her fielding faded slightly over the season but her batting was great. She needs to put more concentration into her training and this will improve her greatly.

MONIQUE GASTALDIN - *Outfield* - Monique played only a few games as athletics kept her away. When she was there she played well and if she is to keep playing, she needs to have a little more confidence in herself.

Joanne Greenwood.

Dear Barry,

What a tremendous thrill you gave to all of us when you made the presentation of the "First Home Run Ball" at the Grand Final Dinner on the 9.4.80. I can't begin to say how much we appreciate your thought and effort in making this possible, and for the support you and Devils Club are so obviously making towards the Complex. With assistance such as we are receiving now from so many people, I feel sure our new Headquarters will be outstanding and I certainly hope it will prove to be a venue where more and more tournaments, such as the ones we have just experienced, can be staged on a regular basis, bringing to all Queensland & Brisbane players, a wealth of experience and where many new friendships can be made.

We, as Directors, always felt it would bring the softball world closer together, when we had a home of our own, and I believe we are well on the way in achieving this, and your actions in making this presentation have strengthened our thoughts.

Thank you once again most sincerely from the Directors of the Queensland Softball Headquarters - your effort has been regarded by all of us as something rather special.

With best wishes.

Yours sincerely,

Maryon W.
Mrs. M. White,
Hon. Secretary - Q.S.H.Ltd.

DEVILS, GLADSTONE (OUR SISTER CLUB)

This was our first year in A Grade, and although we were the youngest and most inexperienced team and did not win many games, we sure made our presence felt and paved the way for next year. Congratulations go to the team, and to the Coach, Desleigh Armitage, who did a fine job with the team.

The team - Laurel Mortensen (pitcher), Lorelle Armitage (Catcher), Kathy McGuire (First), Norelle Walsh (Second), Chris Williams (Third) and outfielders Sheryn Milligan, Karen Bode and Ann Rawson.

A special thanks goes to Brisbane Devils for the Carnival which we attended, very well put on, and for adopting us Gladstonites as your sister club.

DEVILS CARNIVAL DAY

Mr. Jim Montgomery - Qld. Senior Selector who kindly kept our Carnival running smoothly.

After much confusion with a double booking of Kedron, we eventually held our Carnival on Sunday, 23rd November, 1980.

We had 5 grades in all - A, B, U16, U14 and U12 in which Redlands, Toowoomba, Gladstone and Devils competed. Due to the change of date, Hervey Bay and Sunshine Coast had to withdraw. We would like to sincerely thanks these teams for attending.

Although our teams did not fare too well on the day, I know that our girls learn so much from these Carnival days and would hope that the Club continue with it. Redlands took the honours on the day defeating Devils 9-1 in A Grade; Toowoomba 5-3 in B Grade; Toowoomba in the Under 14 8-0 and in the Under 12 Toowoomba once again 8-3. The Under 16 was won by Toowoomba 12-8. The Home Run Trophy was won by Jodee Teys from Toowoomba.

This year we rostered all our teams for canteen duties, etc. and found that this idea worked very successfully, spreading the work load. It was a very successful day financially. The response to our call for help for workers on the day had to be seen to be believed. It was really good to get down to the park so early and see all the workers there marking diamonds and getting their stalls ready and it is 'Teamwork' like this that makes our Club so great.

I would like to thank Mr. Jim Montgomery (see inset) for the wonderful job he did on the day manning our microphone and generally keeping the day running so smoothly. We hope to see you in there next year Mr. Monty. Also, to Matthew Gaddes for being the runner for the day. I would also like to thank all the people who "offered" their services for umpiring - your efforts were greatly appreciated and also to any other workers; a sincere thank you.

Pep, Robyn and Barry.

DEBORAH McCOLM

100 'A' GRADE GAMES

What can be said about Deborah that has not already been said? Deb joined our Club in 1977 and played her 100th A-Grade game on the 26th September, 1980 against Panthers - her old Club.

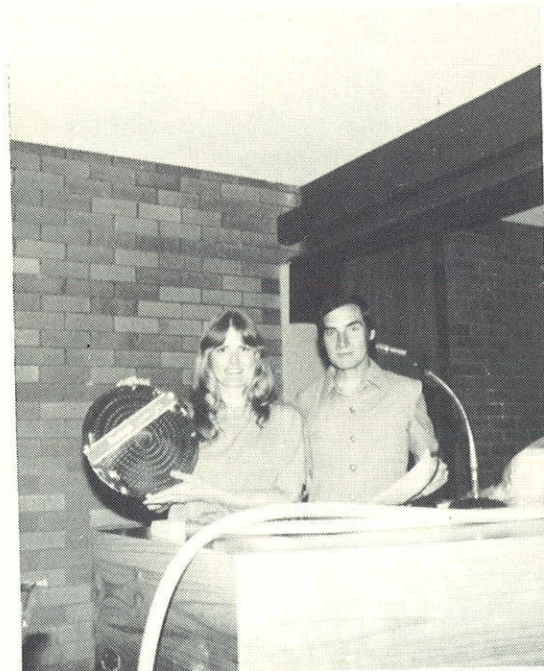

She is well on her way to her 200th and knowing Deb it will not be long before she reaches that goal. Deb has proved herself to be a wonderful Club girl, coaching juniors and she certainly has plenty of knowledge to pass on.

As a Club worker she never seems to be short of energy and enthusiasm. She was Secretary for Devils for a period of two years and at a recent game she was referred to as a 'Powerhouse' by a spectator who did not even know her name, or Club.

There are not too many A1 players who fill in as bat girl for other teams. As a player, losing is just not on for Deb, she never gives up, and makes every play beautiful to watch.

When it comes to stealing bases Deb has never been shown how to steal properly before joining Devils, but she certainly knows what it is all about now! Deborah is a driving force as Captain of the A1 team. She has heaps of determination and effort.

THANK YOU Deborah for being a super player and Club girl for Devils.

JOYCE LESTER

200 'A' GRADE GAMES

Joyce played her 200th A1 grade game against Redsox on 17th September, 1980; the first Devil to attain this honour.

Joyce has been a Devil since 1972 and an A-Grader since 1973. She played her first night series in 1973 at Hawthorne Park. A tremendous example to all Club members, both in the coaching department and playing. She also is like Deb when it comes to effort; nothing but the best will do.

In 1975, T-Ball was introduced to Softball and what a great coach Joyce turned out to be. She was T-Ball coach for 5 years and coached some of her original team in the A3 this year. We all know how well they went - winning their fixtures and what a credit to Joyce. A super effort - Congratulations Joyce. Some names of that first team to come to mind are - Patrice Webb, Lynette Taylor, Jenny Clark and Sandra Platt.

As a player, Joyce is probably the best catcher this State has ever produced, not only making State representation but visiting the U.S.A., South America, China and the Philippines and playing in the Mini World Series in Brisbane - all at International level.

We are very proud to have a Devil such as Joyce. The figures for Joyce are as follows -

DIANE LOWRY

200 'A' GRADE GAMES

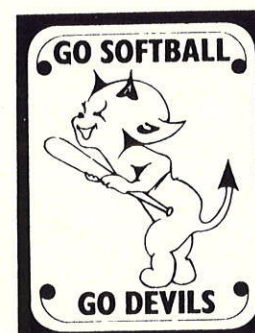

Diane notched up her 200th A1 Grade game on the 12th December, 1980. What a team to meet on an eventful day such as that - Redsox. Diane first played in our top team in 1973 but only pitched a few innings. She came in as an A-grade pitcher in 1975 and has not looked back.

As both a player and Club girl, she has been a tremendous asset. Di has coached, umpired and fulfilled all her obligations to her Club. In fund raising, she was second to none.

Diane has often been referred to as diminutive, but I can assure you when she is out there throwing strikes, she must look very big to those batters. When it comes to representing her State and City she has acquitted herself admirably.

Congratulations, Di!
