PRESIDENTS REPORT

Well it is finally here, the end of my term as Club President.

Although at times I looked forward to the break at the end of the season (if you don't count preparations for trophy night, the AGM, sign-on, for next season and helping Deb Cooper prepare this magazine), I already miss the Saturdays at Downey Park and the friends to share it with.

This was my third season with Devils and although I coached an Under 12 side in the 94-95 season, I have never before been on the committee.

When I was asked to do this year as President I must admit I did approach it with some trepidation.

Financially we were not in a sound state at all ,and most of our equipment was older than the players using it.

To make matters worse, we lost the Premier and Premier Reserves Teams not that the majority of them were members of this club, but merely permitted players, from the other clubs and associations.

That aside, we were looking at resuming this season with only a core of six teams.

With these factors in mind, I had three definite goals. I wanted the club to strive for (1) new and better equipment (2) to have a solid financial base for next season (3) to build up the number of junior members, as that is where I believe the future of the club lies.

I was lucky in many ways, I had a hard working committee with the same goals.

Looking back, I think your committee achieved each and every one of these aims.

Firstly, we applied for and were granted \$5500.00 through the State Governments Community Gaming Benefit Fund. This went into all the new equipment the club now owns.

To try and improve our finances we looked at many schemes. The two that held the most promise was to re-introduce the team levy scheme, and to actively seek sponsors.

For the latter our thanks go to Marnie Munro and VACC Insurance.

VACC, as most members are now aware is our major sponsor, and through their continued sponsorship it will ensure the club has new and better equipment.

Although the re-introduction of the team levy was a bit of a burden, it is something that most other clubs have had for years. It has helped to put the club in a position where we can afford to give out more and better trophies at the end of the year, discard club raffles and to be able to advertise for players and coaches next season.

Lastily, the increase in club players.

This year in the juniors we were able to field a T-Ball team, Under 12, 2 x Under 14 and an Under 16 side.

The seniors increased to four teams, Division 2, 4, 5, 7. One of these was an entire team from the Redlands competition, most of whom will be back with us next season.

Basically we fielded nine teams this season, an increase on the last few years, and almost as many teams as Devils used to have in 90-91.

But all this came at a price and it involved a lost of time and effort by your committee.

I would like to especially thank the committee, Debbie Devine, Pauline Edgerton, Debra Cooper, Timna Kerr, Christine Kennedy, Anne Wrafter, Jenny Kingscott and Jenny Carter for their wonderful help and support this season. I would also like to give a special thanks to the Club Captain Chris Morris. These ladies have done a great job this year and deserve your thanks as well.

Also, I would like to thank the coaches, manageress, scorers, every parent or player who came to give a hand at canteen, office duty, umpiring or just watching a game.

Without you people giving up your time to do a bit, Clubs like this would not exist. Only by helping each other can we help ourselves.

The problem is, as I have found this season, as the club grows, so increases our need for more coaches, scorers, etc etc. To that end I applied for a grant to fund coaching levels for members or players of this club. This application was granted, and we are now in a position to pay for our people to obtain accredited coaching certificates.

Finally, I would like to thank the players and members of this great club, because you people are what it is all about.

It has been a great season, some minor hiccups early in the year, but we survived and grew and I think improved.

Heres hoping the next will be even better. See you in 97/98.

John Kennedy.

VICE-PRESIDENTS REPORT

I have written this report as it will be my final chance to say what I want to everyone associated with Brisbane Devils.

I have had to make one of the biggest decisions in my life and after playing, coaching and being involved for the past seventeen years on committees.

I have decided to retire from softball and become one of the spectators.

I started my playing career back in 1979 with the best club there ever was back then, Goldwings Softball Club, nine years later a merger took place and we became Devils the start of a new era, so many new faces it was like starting school for the first time.

I have seen so many changes over the years, Coaching Staff, Committee members, Players, Supporters, Uniform Changes for the better. Every year something new something different. People coming up with ideas on how to improve our club. Well we have achieved every thing over the years and this year would have to be our best year to date, more Junior Teams, more coaches and scores new faces on the committee and we have gained financially.

We also obtained a Sponsor and this hopes to be an ongoing thing.

We have more people looking at becoming accredited in coaching and scoring and more people willing to get involved with the running of the club.

I would like to thank everyone who has worked with me over the years, the girls I have played with and the friends I have made, I won't mention the enemies, I can't think of any really. It is a great club and I believe the best there is to offer and soon others will be saying exactly that to us.

We have the most dedicated workers, we rarely have had to be reminded of our duties and BSA doesn't get much out of us in the way of fines.

I am going to miss everyone I have been around for years, but I will keep in touch. It is time for the younger ones to get more involved and learn the ropes. I hope your future seasons as a club are as good as my past seventeen years have been.

Good luck to you all, keep up the good work.

THE CUTE ONES

T-BALLERS

Didn't we have fun.

It was Michelle and my first time at coaching such a young and inexperienced side. We have learnt heaps ourselves, but we survived.

The Team:

What a great bunch of girls, most of them had never played softball before. It was fun to watch the first time some of the girls put a glove on. But all went well after a few throws.

The girls learnt team playing, throwing, catching, running like lightening, and they also made lots of new friends along the way.

The batting needed a little work, but I think next season we will be seeing quite a few outfield hits.

We would also like to thank all the parents that helped out over the season, be it scoring, getting the girls in their batting line up or just making sure they all had heaps to drink. Thank you.

See you all again next season.

MANAGERESS Jennifer Templeman
ASSISTANT COACH Jodie Lavell
COACH Debra Macqueen

The people I would like to thank first of all are all the parents for all their support - even the Dad's when they got the look!!!!!!

Thank you Jodie for all you help. Without you I think I would be really grey now. I also would like to thank Jenny for all your help.

The biggest thanks must go to Nicole Black, Amie Bushell, Cleo Daly, Lesa Handford, Krystle Kiss, Courtney Nicholson, Amy Rolfe, Felicity Templeman, Megan Topping, Erica Trudgian and Kayleigh Willimont. The girls did extremely well seems as 7 out of the 11 girls were new to club softball. By the end of the season all of the girls were great mates and played like professionals when they remembered what they learnt at training.

I was going to write a bit about each player, but I had only did 5 players and had filled up two and a bit pages, so I condensed it.

Nicole Black: runs like a rabbit and stands like a tin soldier in the batting box.

Amie Bushell: what a find - will make a great player.

Cleo Daly: doesn't 't say much but what a valuable team player.

Lesa Handford: keep your eye on this one. Lesa did very well seeing as she was one of our babies from the T'Ball team.

Krystle Kiss: Multit-talented. Just has to keep practising the skills she has learnt and Krystle will be a potential A grade player.

Courtney Nicholson: Cournteys natural ability is unbelievable what a team player.

Amie Rolfe: Truly surprised herself when she started to hit the ball. Another one of our babies.

Felicity Templeman: Felicity has played under 12's for 3 seasons and has become an important player.

Megan Topping: Megan is like a sponge - everything she is shown is taken in and tried. What a pleasure to coach.

Erica Trudgian: When Erica smiles it makes you want to smile too. Erica will be a helpful player in seasons to come.

Kayleigh Willimont: Kayleigh, Kayleigh, Kayleigh an excuse but we would not have it any other way.

Thanks and see you all next year.

UNDER 14 C RED

What a season, constant heart failure, I don't know about the girls, but Steve and myself have certainly gained a few grey hairs, only Joking! I just can't find the words I'm wanting to say, because I have had the pleasure of coaching most of the girls for 2 seasons now. To sum it up, I suppose I would have to say the improvement in skills has made each and every player more stronger and now ready to handle the next grade they maybe going to

To the younger players in the side Rachelle Kennedy, Hayley Lavell who had their first season in Under 14's and being put into the stronger side you have both shown that when you set your mind on something you can do it, don't give up and never let your concentration span drop as it is very hard to get it back, my congratulations to you both, you handled the pressures very well. I would like to be very serious for 1 minute and say to all the girls you don't realise your own talents, watching you week after week training and playing for 2 seasons now. I know I am right when I say we have some very good players going up through the ranks. What you need to do now is sit down and look back on what you have done this season, work out your weakness and build on it for next season. There are coaches in our club who are only to willing to help you improve and become better players.

I am sure that who ever your coach is next season they will enjoy taking you as I have. I need to thank one person especially Steve Miles my Co-coach, he wasn't given much choice in coaching, I just threw him straight into the fire and he learnt very quick. totally different from coaching footy hey Steve. One thing I would like to see is for Steve to go on coaching as he has so much to offer and has just the right attitude to go with it. Thanks for your contribution in making sure we got these girls to a Grand Final.

Also thanks to Dot Pullen once again for being my scorer ant the Debbie Miles for Managing this side. Also thanks to my best mate Timna Kerr for lending a hand and to Rod Tobler for winding his arm every week. To all the 14C White girls who filled in there are to many to name, we couldn't of done it without your help.

What a season!!!!!!!!!!!!!!

I was handed a list of 12 girls names but I only knew one name. One girl left very early in the season but I'm sure Kerri would have stayed if she'd known what a season we were going to have.

We started slowly - very slowly- but made up for it in the middle and towards the end. The girls finished fifth by 1 point just missing out on the finals.

Huge thanks to Corina (my ass) and to Debra-Lee, our ever reliant scorer. Also a big thanks to parents and supporters that turned up for the games.

I hope every player learnt something from Corina and I, whether it's a new skill, playing for the team or how to be an individual.

See you next season.

Most Valuable Player Jillian Carter

A player with exceptional capabilities. She has shown through out the season that she has a special quality. All round a quiet person who has been a girl with a good nature towards team mates and has been a pleasure to coach as have all the girls.

Team Player Zoe-Ann Neil

A player who is always trying her best to get the team together, no matter what standard of player. She has a good attitude towards her team mates and never stops trying.

Most Improved Lisa Wahry

Although she was one of the new younger players this season, she has shown remarkable improvement through the season. Her attitude, batting and fielding has improved with every week.

Most Improved Jane Allen

A person who has only had a couple of seasons in the game, she has shown me that she is always willing to learn new things and put them into practise and always gives her best effort.

DIVISION SEVEN

Firstly, we would like to thank the team for a fine effort during the season in which we finished 3rd "Well done Ladies".

Hopefully some of the advice we passed on will come in handy for future seasons.

On behalf of the team we would dearly like to thank Chris Kennedy for scoring and her support during the season. A big thank you also goes out to the Under 14c and Under 16b girls that filled in for us throughout the year, not to mention their parents who gave up their time as well.

In closing, If there was one thing that could be said for our girls was their fun and friendly attitude towards the game. Some weeks we turned up and suffered some frightful losses, but still we all managed to get a laugh out of it (Not to mention the spectators) and in our opinion that is the most valuable aspect of the game.

We hope to see all the girls back again next season.

DIVISION FIVE

I will not lie by saying I had an enjoyable season because I didn't, there was a huge lack of commitment and only a few players who were dedicated 100%. Non attendance at trainings and games week after week finding players to fill in, having the same few team members doing every one elses duties. Not abiding to club policies , and doing as one would please to do on the day. I would like to say thanks to the girls who gave it everything and who were committed to the Club. This is what a Coach likes to see in his players.

I took over as coach after the season was well under way, so I can only comment on that portion of the season.

The Division 2 side seemed to have a lot of ability amongst all of the players and this was reflected in encouraging wins when they decided to play as a team.

But they were mostly left to their own counsel, as work requirements, club requirements and my own lack of coaching experience meant I could not spend much time with them.

This is unfortunate, because if the team had someone with much more experience to advise them what to do and they all were prepared to listen, this team could have done much, much better.

Any way, it was an experience and they did achieve more than some people though they would.

All the best ladies.

SENIOR TEAM OF THE YEAR

DIVISION SEVEN

JUNIOR CLUB GIRL

Presented to Lisa Wahry

Lisa is a Devils "Old Girl", being a member of the club some years back. Coming back to the club this year into the Under 16 side, Lisa was a common sight around Downey Park every Saturday.

Lisa was always there to help when you needed her - as a player in her own team and in playing up in the Div 4, 5 and 7 teams.

Whenever the Club had canteen or Pig-pen duty Lisa was there at every one, serving, selling raffle tickets or doing whatever was needed.

She was a spectator at many other teams games and is always a credit to this club.

Congratulations Lisa.

SENIOR CLUB GIRL

SONYA HEGARTY

Sonya has been with Devils for some years now and has always been a strong club player.

But simply being a team player is not enough to win awards like this, the committee is looking for that little bit more.

Sonya has provided it.

She has helped out at canteen and office duty for her team, performing many, many umpiring duties and also played many games in higher grades.

On quite a few other occasions Sonya was asked to be a reserve for the higher grades.

She has also performed well within her own team and is the recipient of other awards.

Well done Sonya.

PLAYER OF THE FUTURE

AMY SCALES

This was Amy's first year with Devils and her first year playing softball!

Although several players were nominated for this award, as is the case for all the perpetual trophies, the committee voted unanimously for Amy.

She has shown so much potential and improvement this year. Every game she played she showed improvement in all skills of the sport.

Also, Amy has been using these skills to play in other teams and has been a supporter at other junior and senior games.

Congratulations Amy.

PLAYER OF THE SEASON

TIMNA KERR

What can we say about Timna this season that she hasn't done before. Except that maybe she has done more of it.

Back after a 12 month break, to have her first daughter Alexa, she was involved with a vengeance.

A competitive player in her own team, the Division 2, she was also Assistant Secretary on the committee, organising the weekly umpirings and canteen and office duties when they arose.

Coach of the Under 14 White team, scorer when needed, which was often, numerous umpiring duties, and always at the clubs canteen and Pig-Pen duties.

She is definitely an asset to this club.

Many thanks and well done Timna.

CLUB PERSON OF THE YEAR

CHRISTINE KENNEDY

Christine has been with Devils for four years now, and has always been a parent ready to help the Club.

A team manageress for two seasons, this was her first season on the committee as Assistant Treasurer and what a worker Christine has been this season.

Scorer for the Under 12's and Division Seven, Club Canteen, BSA canteen and office duty and every Pig-Pen roster we had. Christine also organised all the raffles and prizes for the Pig-Pen.

Christine was also a keen spectator at most of the clubs games.

Many thanks for your work Christine.

PRESIDENTS CUP AWARD

JULIE WAHRY

ALISSA KENNEDY

this is a new perpetual trophy this season, kindly donated by Dave Jordan of Direct Trophies, supplier of this years awards.

It was decided by the committee that this award would be a the discretion of the President, and not be balloted for as is the other perpetual trophies.

Basically, it is not a playing award as such, but for those people who get in and help with the running of amateur sport. The parents and players who volunteer to do what is necessary.

This could have been given to several people, most of them members of the committee, who like the recipients were at Downey Park all day, every Saturday preparing various duties. But, as committee members, the work comes with the job, you have got to expect it. Most of the committee has been recognised at one time or another for their assistance.

It is with my thanks that I award it this year to Julie and Alissa.

Julie was an "Old Girl" being away from the club for a couple of years. But this season she was approached to come back to the club and what a come back it was.

Team manageress for the Under 16's, she was always there for the girls and the team. Organising, collecting money, making sure girls required for higher grades turned up, Julie could tell you how many had played games in every other grade.

Julie also did her bit at canteen duty and was at every "Pig Pen" selling raffle tickets or sausage s until the end. (Watch out for the dogs).

Julie and her daughter Lisa were also keen club supporters and were a common sight at many games.

Thanks and well done Julie.

Alissa has been a member of Devils since 1993 and this was her first season in Under 16's.

Like Julie, she was keen to help out and performed more than her share of umpiring duty, canteen duty, office duty and helping out at the Pig Pen, selling raffle tickets and sausages.

Alissa also played many games, or was a reserve for the higher grades such as Division 2, Division 5 and Division 7.

The important thing to me is that she volunteered to do this without me asking, as a parent or as president.

Thanks and well done Alissa.

SENIOR TEAM OF THE YEAR

Presented to Division Seven

The Division 7 side has been quite a surprise this year. Comprising many new members to the club, with a core of "regulars", it was a happy, and committed team all season.

With Marnie Munro in her first season as a coach, (Assisted towards the end by Chris Morris) the team went on to the finals, being beaten by Wildcats.

I think next year will be a big year for this side, with the improvements shown this season, they will be a force to be reckoned with.

Well done ladies!

JUNIOR TEAM OF THE YEAR.

Presented to Under 14 C Red

This is the second time this team has won this award.

Basically, the team is identical to last season , but with two new ex-Under 12's replacing two girls who went up to the Under 16's.

The team has improved steadily all year and maintained a highly competitive standard.

They finished fixtures in 2nd place and then in the Semi-finals beat Wilston-Grange to go straight to the grand final.

However, they were beaten by Jaguars on the day.

But, the whole team gave their best all season.

Congratulations girls.
