President's Report

We have come to another end of another exciting and successful season. This shows the great dedication of all our players and parents and that we are still a force as a club in the Brisbane competition. We can only hope this success again will lead to bigger and better things for the Club in the years ahead.

The Club has had some new Sponsors come on board throughout the season – Baker and Staff, Prevent-a-Pest and Abbott's and Sons. The Club would like to thank these firms for their willingness to sponsor not only our Club, but also women's sport and I hope we will be able to count on their sponsorship for the season ahead. So I would ask if all our Club members would support our sponsors if possible.

The Committee this year did a great job with carrying on the work from previous seasons. As we were a new committee this season, I would like to thank each and every one of them for their dedication throughout the season. This Committee was not only players and coaches; they did a lot of work behind the scenes that was necessary to fulfil our lease agreement with Shaw Sportz, which in the long run will benefit the Club as a whole.

I personally would like thank Timna who spent a lot of her own time putting together the package to be handed to Shaw Sportz and this made my job a lot easier.

I hope I will be able to count on their help in the coming season with the possibility of seeing some new faces from the parents and players of the Club.

I have been very happy with the way the Club has run this season both on and off the field. If there is one area we can improve on is the support of the Club Member who looks after our fund raising efforts. As every Club member knows, we need support in this area to continue to have top quality equipment for players and coaches to utilize. We will be continuing our fund raising during the off-season to meet our financial commitment to the lease.

I am hoping to have a lot more support from the senior members of the Club in this area or we may have to look at reintroducing a team levy for the coming season.

My thanks go to the coaches, scorers and manageresses of all the sides. These people put in a lot of time and effort on a voluntary basis each week to make the Club as successful as it is. Without your enthusiasm towards the players, the Club would not survive. We hope to have your support again in coming seasons.

The Club was able once again to gain four teams into the semi-finals with three going through to the grand final. This was a great effort by all coaches involved.

To all the players, thanks for a great season and all the hard work you put in at training and on the field. Without your support and loyalty we would not become one of the biggest and most respected clubs in the Brisbane competition and I hope to see you all back again for another season.

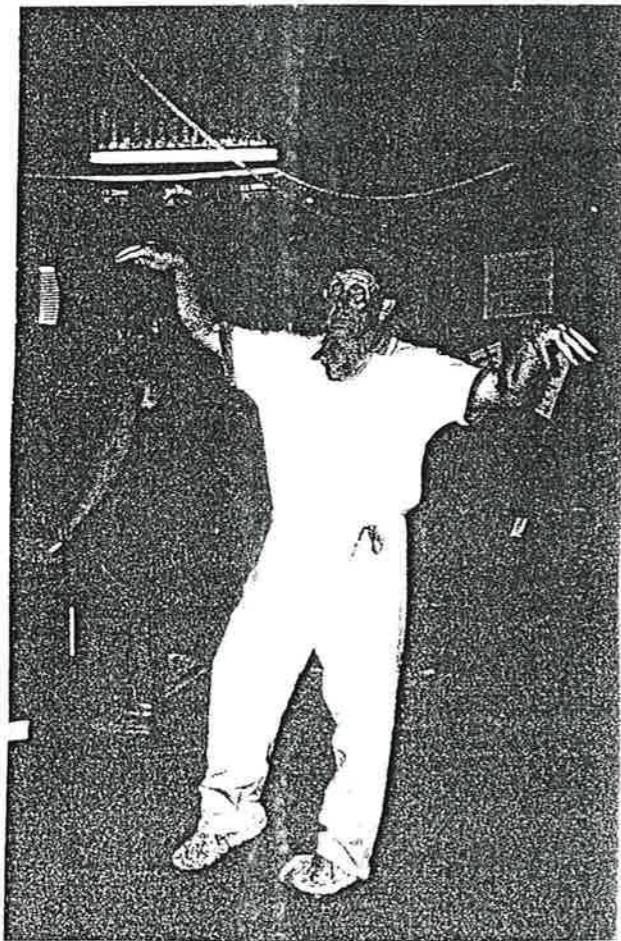

To all our parents our thanks go out to you for your support throughout the season. Without your help with getting the kids to training and the games, we would not be able to field the number of junior teams we did this season.

The Club again has had representatives in the teams for the State Titles. To all these players – congratulations and I hope you all go on to bigger and better things in your softball careers. Also to all the players who made school representative teams – congratulations and keep up the hard work.

Please don't forget our Annual General Meeting to be held on 28th May 2002. This is where you as Club members get to choose who you wish to run your Club for the 2002/2003 season, so please come and make your vote count. It would be good to see some new faces and ideas on the Committee to enable players and coaches to concentrate on their game. With new faces it can only be good for the Club in the future.

I have enjoyed a great season as President and have had some great support from all the Committee. If I return again next season, I hope I can count on this support again. I wish everyone playing winter sports all the best and hope to see you all again next season.

Coaching Director's Report

This year has been a challenging one for me both personally and as Coaching Director. Unfortunately I have been unable to run training camps due to circumstances beyond my control. The year brought new challenges to many of our junior coaches with the introduction by Brisbane Softball Association of some modified junior games. These encompassed a new game called 'three pitch', (which was thoroughly enjoyed by all participants), changes to the tee-ball format and a modified version of under 12.

Special mention must go to the under 14 team and their coaches, Timna and Kirsten. This team has improved dramatically over the course of the season and have earned themselves the title of minor premiers and will be playing in the grand final. Good luck girls.

I would like to congratulate all our coaches on the way they conducted themselves through out the season, this is an extremely taxing but most times rewarding experience for all our volunteers who have put in many thankless hours. Since, at the time of writing this report, the grand finals had not been played, I would like to wish all teams that have made the grand final the best of luck.

*Thank you
Brendon Riddell*

Almost a ring master but not quite!!!

On the Money Front...

Well, this season we have done everything from selling chocolates to holding a 'P Party'. The wonderful Lisa and Julie Wahry have done a fantastic job. Without these two dedicated lovers of softball we would not be where we are now – at our Trophy Night!

The chocolate drive was a huge success raising well over \$1000 so if you still have some of those chockies at home that you bought well done!! Be happy in the knowledge that you have helped out the Club at the expense of your waistline!!!

Lisa and Julie also sold Valentine's Day flowers, which was a very different idea but was well received by the footballers who forgot to get their girls something. I think they owe us a favour for not being in the doghouse!

THE 'P PARTY'

This was the most successful function of the season. I was overwhelmed by the amount of people turning up in the most ridiculous costumes and how they worked out that some of them started with 'P' I have no idea. It wasn't meant as a fundraiser but we managed to raise a few dollars, which was a nice surprise.

Raffles, raffles, raffles!!! We had so many raffles I have lost count. They may not have been big with outlandish prizes but they did the job and little by little we raised enough money to keep us alive!!!

One thing I wanted to say but I want to say it BIG is

THANK YOU

Your support is vital to OUR Club and remember keep smiling when you are asking someone to buy a chockie!!!

Timna Kerr

DON'T FORGET!

Our Future

Is in these kids' hands...

T Ball ~ Ants in Their Pants

Well, what can I say about the T Ballers? They are a good team and all of the girls will go far. The girls have amazed me since the first time I ever saw them train. Although their attention spans were usual for their age group, it was their enthusiasm and dedication for the game that impressed me the most. I would like to make special mention about Ruby-Jane Darcy, she had her ups and downs but by the end of the season her attention span was a lot longer.

At the start of the season we started off with 11 players. We unfortunately lost two players after Christmas. This didn't stop the T Ballers' spirit; they continued to play as a team. A couple of games after Christmas, the girls got their first double play. Katelyn Lyons achieved the double play - the ball was hit right at her and the look on her face when she caught it was priceless!! Then she threw it to first for the second out. I would like to say that all of the girls have played exceptionally well during the season. Their on-field communication has greatly improved especially Leah Schramm and Meghan Morganti.

I would also like to thank the parents for all the help they have given me during the season with taking the kit bag and helping the girls on the field.

I wish Ashleigh, Bonnie, Chelsea, Emily, Katelyn, Leah, Meghan, Ruby-Jane and Shannyn all the best for the future and to keep enjoying their softball.

Lisa Wahry

All these girls deserve a medal for the amount of energy they have. Maybe they should train some of the oldies in the higher grades!!!!

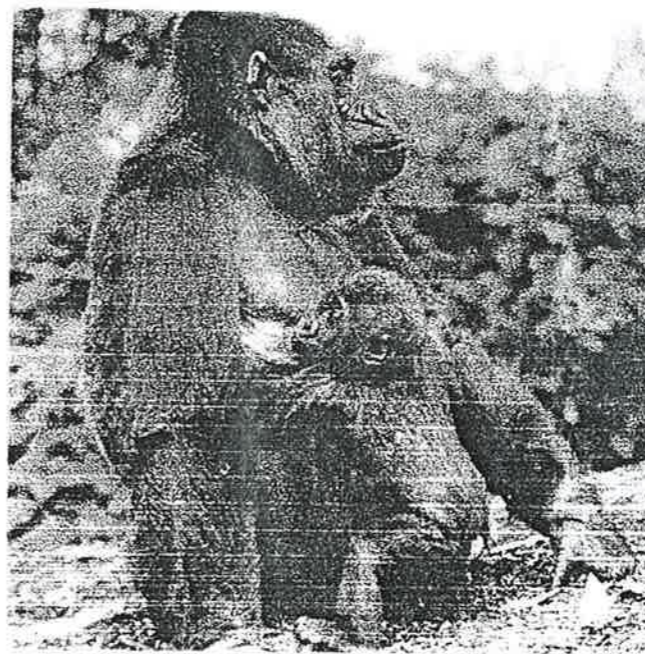

U12 3Pitch ~ Gorillas in the Field

The girls have gotten a lot better with four losses and drawing with Samford twice this season. We have had seven wins, which should put us in a good position to win the last three games of the season.

Thank you to all the parents for all their help and for bringing the girls to training and to the games. The girls seem to be listening a lot more in the second half of the season. They are asking a lot more questions, which is great. Their teamwork is also working well.

Good luck to the girls going up to U12 Modified or U14 next season.

See you next season,
Michael.

These girls have been so determined and gorgeous on the diamond they now have the nickname of 'Gorillas in the Field'.

U12M ~ Modified Angels

The girls are progressing very well with their skills on the diamond. Each girl has improved in her own individual way. The rules of the game are always a constant challenge and most times the team adapts to their ability. We have won most of our games thus giving the girls the added confidence on the diamond.

I would like to thank the parents for the time and effort of bringing the girls to training and the games. Almost all training sessions I have a full team, which is good both for the girls and me.

U14B ~ For Goodness Sake - Pull Your Pants Up!!!

At the start of the season Kirsten and I were handed a list of eleven girls names and told to make them a team. Some were old names and some were new and we had to think how on earth are we going to get these girls into a team to be reckoned with? Of course they proved us wrong - NO, not just wrong but how stupid of us to think it couldn't be done!!! They did most, if not all of the work themselves. Kirsten and I were just along for the ride, and what a ride!

These girls are an amazing bunch of young ladies that wear their pants so low that you could almost see their underwear, their hair has to be just right and Sasha has bets with her friends to see who can last the longest without smiling!! I am wondering if I am getting old or maybe I just don't remember my childhood!!

The girls got used to winning and got a bit of a shock when they lost a couple of games. This proved to be good for them as they came through the fixtures at the top of the ladder and went on to win the semi-final to go straight through to the grand final. Leading up to the grand final, Kirsten and I dyed our hair numerous times to cover the grey caused by stress as some of the parents I'm sure can relate to.

THE GRAND FINAL

What a game!!! Kirsten and I were soooooo nervous that looking at suspect food could end in a rejection that was not welcome! We were lucky to have a large group of supporters and the noise was fantastic. But the girls did manage to bring a few more grey hairs to the fore, so more dying is required. The girls did a fabulous job and brought home the trophy following a win to be remembered by all for a long time to come.

THE GIRLS

Alison - Captain of Brisbane White - Love your work!

Jaimi - Pull up your pants!!

Sasha - Smile and show some emotion!

Elsbeth - Buy your own hat and stop losing them!

Jessica - Plaits, plaits, plaits!!

Ashleigh - Make more noise - you are too quiet!

Samantha - Stop chewing and yes your hair is gorgeous!

Annika - Beaut black eye!

Amanda - Only late once!

Thanks girls for teaching us what it is like to be 12,13 or 14 again. Thanks to Deb, our ever-reliable scorer. Finally thank you to our fabulous parents. Our time is more enjoyable if we have parents that are there because their kids love the game.

See you next season

Cheers, Timna

Nice Shiner!!!!

Kirsten says SORRY!

*U16B ~ Field of Dreams - Build it and it
Will Happen*

Well so far, so good. This season has been a very successful one thus far. With two games lost and one drawn, we finished the fixtures on top by a long way. We are looking good for the finals, but as we all know the hard stuff is still to come. On a personal note, I would like to wish all our second year 16s who go up into the seniors next season the very best and good luck in your softball careers.

I would like to thank Vicki for being there through out the year. I can be a very demanding coach sometimes and without Vicki's help my job would be very hard. Thank you. Finally, good luck to all our teams competing in the finals.

C1 ~ In a League of Their Own Milko's Eleven

We've had our ups and downs but mainly ups. This team showed great determination to reach 4th spot. What can I say to the Milko's Eleven?

Thanks girls for a great season.

The team:

Wendy - 'Old F@#!' - Likes to wait for a full count!

Corinne - "Nerves of steel" - Doesn't let the team down catching.

Robyn - 'Lead off' - She never lets us down.

Faye - 'Full of surprises' - You never know what she will do.

Colleen - '? Tennis player' - Leave the high ones.

Rhiannon - 'Confusing for pitchers' - Molly Duka (both ways).

Erin - 'What hands' - Safe pair of hands for catching fly balls.

Rachelle - 'Hit out' - You can do it.

Alissa - 'Home run queen'

Karyn - Run Karyn Run

Christina - 'Agro' - Hit the ball!!!

Thank you to my scorer Julie Wahry. Hope to see you all back next season.

Di Weathered

Gorgeous aren't they? If these girls aren't the epitome of softball, I don't know who is!!!

B2 ~ The Brady Bunch + Milko

Well this year has been one that has brought a lot of laughter to the game of softball - which is good! Our team consisted of nine players then one pulled the pin on us!

Leaving us with eight, our invisible friend 'Milko' helped us out on many occasions and well lets just say he didn't do a good job!!

We must say a huge thank you to the C1 girls and some of the 16s who played up for us - without your help this season we would be lost.

The Bunch

Kirsten - Our pitcher, who despite being injured most of the season with a shoulder injury, managed to pitch every game and gave it all she had.

Catherine - Our catcher. Cat's throwing arm is to die for!! It is very strong and accurate - she did an excellent job behind the plate for us.

Freya - First/Second base. Freya is most consistent in fielding and batting this year, she played well each game and never said die!!

Erica - Second base/Right field. Erica was our lifesaver, coming into this crazy team at the end of last year. She gives her all every game and has improved out of sight with confidence and is an excellent team member.

Brooke - Short stop/Outfielder. Brooke plays each game with passion and that's what I love about her! She loves the high balls but we got results and she has proven to be an excellent all rounder. 'She plays for the love of the game and not to win'.

Justine - Third base. Justine has improved out of sight this year. She enjoys every game and plays as a team player. Her skills both in the field and at bat have excelled this year along with her confidence and sense of humour.

Lisa - Outfielder. Lisa got her confidence back both in the field and at bat. Her skills in the outfield are fantastic and she gives all she's got each game and at training.

Lauren - Outfielder/Pitcher. Lauren was thrown in the deep end a couple of times this year in regards to pitching and she did the job at hand. She has an excellent eye for the outfield. She is versatile and a pleasure to have in the team.

And then there's me! I kind of play anywhere. First, short, left, centre - anywhere I was needed basically.

The team trophies were chosen by the players and in some of their feedback this is what they said about me (Some I can't repeat) - Great ability for the game and is there every week, follows rules and is always willing to admit mistakes, always bats regardless and fields well. Ok enough about me!!!

I must say a big thank you to the girls. This is my first time as player coach and I think in my 17 years of playing this game, this would have to be the most memorable season I have ever had. The laughter at every game brought back the true meaning of this game and that is to enjoy what you are doing. I hope to see you all back again next season.

Susie Gauci.

B1 (2) ~ 9 Oldies & a Young-un

First I would like to thank the girls for the season. At this stage we are in second place so from now we take the game as it comes and we play to the potential we have. Also on behalf of the team and myself I'd like to thank Dot for scoring and our manageress (I dare not mention her name!!) for doing whatever she did do.

Thank you to Robyn and Kirsten for helping us out during the season. To the other teams that have made the finals GOOD LUCK!!!

Yours in Sport
Chris Morris

Don't you hate it when all the pictures are of MEN?!

Pretend it's a girl!!!

B1 (1) ~ The Half-lings

I would like to thank all the players in this side for the effort put into this season. It has not been a successful season for us and we did not win many games but I am proud of the way in which they played the game each week. We had a lot of difficulty fielding a team each week but this side proved that winning is not everything; that you can go out week after week and just enjoy the game of softball.

We used a lot of pick up players from the lower grades and we all would like to thank them as this enabled us to field a team each week. I understand this at times affected their own games but this shows the loyalty in the Club.

I would like to thank Pete for his help this season. It makes it easier when you have someone you can trust to take the reigns when you're not there. We may be losing Pete and Bec next season and if we do it will be a great loss to the team and the Club. As an assistant this year, Pete not only helped with training and games, but his support on the sideline and keeping the moral high was a Godsend.

We did have one gain this season and that was the arrival of Jolene and Simon to our Club. Jolene made a great impact on the side for the short time she has been around and I hope we will see them again next season for more. Pete might hand over the reigns to Simon - beats sitting on the sideline!!

I must say I enjoyed coaching such a side this season. The girls' ability to go out each week and give 100% makes you want to coach. I feel disappointed for the girls as they put in so much hard work for not the best result but it shows that the Club has the talent to blend with youth. I hope their hard work may be rewarded next season. I wish the players all the best for the future.

Les Bullock.

We tried to pull a few players out of the hat but we still ended up 'Wooden Spoons'!!! Sad but true.
