Team in Focus

U14 Div 6 Boys

The Under 14 Div 6 Boys team played in the Starplex Australia long weekend carnival and started off with a good win against a

division 5 Centrals team. Once they brushed off the cobwebs, they started playing good defence and finishing off better on the scoring end.

The next challenge was against a very strong div 5 Rockets team coached by Jamie.

Our boys started off with great intensity and spirit and really brought the game to the Div 5 team. Unfortunately the eventual winners of the tournament ran out the game better and had a comfortable win.

Our afternoon game was against Norwood and once again the boys had a great start to the game and showing great offence and defence. Norwood came back strongly late in the game to be in front by 3 points with 2 minutes to go. To our boys credit they did not give up and managed to get a steal from great defensive effort and close the lead to 1 point.

Again we were able to get another turn over and have the opportunity to win the game. With only seconds to go, Dylan was able to get into a great attacking position and was fouled forcing him to take 2 foul shots after the siren. Unfortunately he missed both shots, but great effort not to give in though from Dylan and all the boys.

Our last game was against eventual finalist APBA team. APBA came out firing and really put us under pressure early. After coach Ryan addressing the issues, our boys lifted to really challenge APBA. We were able to slow down their scoring while putting up some great baskets ourselves. We were able to win the last quarter against APBA keeping them scoreless.

Overall the boys stood up well against much stronger opposition than they are used to in division 6. The boys will grow from the great challenging experience from the carnival and bring that to the rest of their summer season in division 6.

A special thanks and mention to Nicholas Brown and Lachlan Williams from team 6 in division 5 for helping us out with playing in tournament.
