While the 2015 Football season had been a difficult one with the massive renovations going on and the use of temporary facilities all our pain has paid off! We would like to thank all of our members for your patience and support during the renovations, we really appreciate it. With that painful year now in the past – a distant memory - we can now celebrate the state of the art facilities we will now be using in 2016, consisting of 4 change

rooms, umpire's rooms, first aid room, storage sheds, new canteen / bar and a fabulous function room. Not to mention a huge undercover area for our spectators to watch our kids play football in the rain, while we can stay dry..... We are also told that the car park will be finished by the commencement of the 2016 Football season, so fingers cross that goes to plan.

With these new renovations we intend on bringing back family nights, team pie nights, social nights and a few other ideas we have up our sleeve. So if you love organising functions, we would love to hear from you! So, get your self-involved with our friendly, enthusiastic Social group and help organise our social calendar for the year. You do not have to have a child playing for the club, so if you know a friend or family member that would love to get involved in the local community what better way.... If you are interested, please contact Chelsa Robson via communications@laurimarfc.com.au.

The AGM held in October 2015 was low in attendance and hope we can rectify this and have a better numbers attending this year. We encourage all of our members to attend the AGM, as it is the time for our members to put their hand up for any spilled committee roles and if multiple people have been nominated to the one committee role then you get the chance to have your say by making an anonymous vote on the night for your preferred person. You also get the chance to hear how the club is tracking financially, what is on the road map in the coming seasons, including a Q&A session giving you our member a chance to ask the questions you have always wondered about.... So we do please ask that you try and attend this year's AGM.

AGM – 2015 the following committee roles were spilled:

- Vice President
- Secretary
- Football Operations Manager
- Commercial Operations Manager
- Communications Manager

All committee roles, except the Football Operations Manager was filled by the people who currently have these roles.

The Football Operations Manager role was vacant at the time and we are very pleased to announce that Dave Richards was voted in by our members. For those of you that do not know Dave Richards he has been at our club for a number of years in various roles, including being involved on our Sub-Committee. He has a wealth of football knowledge which you will easily see when you get chatting to him. Feel free to introduce yourself to Dave when the season gets underway.

2016 Registrations NOW OPEN

Football Registrations are NOW OPEN for the 2016 season!

Registrations due by the 29th Feb 2016.

You would have received an email titled “Invitation to re-register”, with the required link to take you thru to the Online Registrations. Using this link allows you to bypass entering in your email and password (which is always great to miss a step), however if you have multiple children playing at Laurimar Football Club the multi child discount will not apply via this link. Unfortunately, there was a technical glitch in the email sent, where the link to register multiple children failed. To obtain the multi child discount, please see the next section – Multi Child Discount.

Online registrations are the only way that the NFL will allow our members to register and Laurimar Football Club do not have access to register your child on your behalf.

Could you please ensure when registering your child that all your personal details are up to date, including your child’s medical history. It is very important that our Medics are well educated with each child’s medical history so we ask that you take the time to ensure all details are up to date.

Payment via credit card is compulsory when registering on-line.

NFL have imposed a compulsory \$25 NFL levy per child, 100% of this levy is sent directly to the NFL. No family discounts apply to this levy.

If you need to discuss other payment options (EFT, Direct Deposit etc) please contact our treasure – Matt Funston via

Can you be a Sponsor for 2016

Sponsorship has always been an important aspect of support for any local sporting club. With the projected growth we envisage, it will become even more important as we continue our journey to maintain an environment for our kids and their families to feel supported, but also explore avenues to enhance their sporting experience and keep them involved for years to come. As such, our sponsorship packages offer exceptional value and opportunity to raise your provide within the community and beyond. We welcome sponsor ship for all packages as well as any offers whether its cash donation, goods for raffles or player awards.

Please visit our website to see our sponsorship packages.

If you or you know a company that would like to sponsor Laurimar Football Club, please contact Brett McCormack via commercialops@laurimarfc.com.au

Can you help us in 2016?

We say on a regular basis our club can't operate without people volunteering their time to help Laurimar Football Club & our / your kids to play football.

We currently have an awesome group of people that help our club year in and year out, which we are more than thankful for. It proves that these amazing group of people love what they do as they continue to come back each season, they have all formed a great friendship and bond by doing so.

Laurimar Football Club need our group of volunteers to grow this year and we are calling for people to come and get involved in any area of the club that you are interested in. The more people we get volunteering their time the less time each person has to spend to get our club running like a finely oiled machine.

If you are thinking about or you are interested, please contact Chelsa Robson via communications@laurimarfc.com.au to discuss further.

The following roles are available:

- Social Club
- Cleaner
- Volunteer co-ordinator

Again, as stated above we have many positions available so please show your interest and we can discuss the best role fit for you.

We look forward to hearing from you!
