

BLG FORM 8

Barossa, Light and Gawler Football Association
Junior Permit Exemption Application Form

Club:

Player's name:

Date of Birth 28/12/.....

Reason for Permit Application:

11 yr old player requesting permit to play Under 11 rules football instead of Under 13 due to under-developed skills, small stature and physical disability.

Physical Height and Weight

.....name of child..... is 140 cm tall and only 42 kilograms in weight and if forced to play in the Under 13 age group he will definitely be the smallest on the team. Turning 11 just prior to January this year, he misses out on remaining in the Under 11 grade by just 3 days.name of child..... Has a physical disability known as ?????? which negatively affects his strength, speed and agility. (Medical Certificate or letter from the Doctor attached)

Limited Skill and or Abilities

This issue is the main reason forname of child..... request to remain in the Under 11 team as he is a relatively timid child who is low on skills and confidence and is tentative on the field. His lack of development is due to his physical disability and his lack of experience in the game. As this is only his second year playing football, his skills are well below the level necessary to competently play in an Under 15 competition. His parents (.....name.....), the Under 11 coach (.....name.....) and the Under 13 coach (....name....) all agree that his skills will develop more quickly playing and training in a less aggressive form of the game. His current skill level is aligned to a below average Under 11 player.

Further information:

Grantingname of child..... this exemption to remain in the Under 11 age group for one more season does not advantage the Club or the Under 11 team in any way as, although he is a competent Under 11 player, he is no more skilled than any of the other Under 11 player and there are no premiership points awarded to the the Under 11 age group. Our Club's Junior Committee encourage the development and participation of all players and we agree that by the BLGFA granting this application it is in the interests of promoting the good name of Australian Rules Football and will providename of child..... with an environment for him to develop his skills and abilities safely and in line with other players of similar age and size.

Number of Players on Clubs registered list for age groups in current season

Under 9 - ???? Under 11 – ???, Under 13 - ????

Please attach any further documentary evidence and support to this form.

We the undersigned have read understand and accept the permit rules. We are satisfied the above player genuinely fits the criteria. We understand that the decision of the Board of Directors is final and will accept its decision.
