Sponsorship Manager: Jordan Harris 0423 216 340

Dear Sponsor

Player Sponsorship

Chadstone FC is offering players sponsorships in 2016.

All players are encouraged to find their own personal player sponsorship. The contribution from sponsors is used by the club to provide the facilities and resources to play football and to charge subs at the lowest possible level.

Player sponsorship package will start at \$100.

All player sponsors will receive the same benefits as outlined below.

If you can find a sponsor willing to contribute a sponsorship of \$350 or greater, the player will not pay any subs for the year.

Player sponsors will receive the following;

- Sponsors name and logo with the players photo in the social rooms
- Information and link to business website on the Chadstone FC website
- Free entry to Sponsors luncheon
- Recognition in the clubs Annual Report
- Tax Invoice
- Business name and logo on club media display
- 1 Social Club membership

If you wish to become a player sponsor for season 2016, please complete the application form on the next page and return to your player, or the club directly at the address above.

Chadstone Football Club looks forward to working with you in the 2016 Victorian Amateur Football Association Season.

Kind Regards,

Jordan Harris
