

As of season 2016 the AFL require ALL field umpires to be accredited for all age levels.

We ask that anyone who has usually umpired or who would help out in that way please register online to do the course. The cost of the course is \$12 which will be reimbursed once all components are completed.

We will require at least one umpire per team. It would help us out a great deal if you didn't wait for your team to be selected but if you just signed up. You are allowed to take as long as you like to complete the online section as long as you have registered to do it.

There are 2 more parts to the course. The second will require you to attend a training session. The third component will be an assessment after you have completed both the online and the training session.

Please contact me ASAP if you are willing to do this and I will forward on all information to you.
