

SECTION 21 – WATER CARRIER (S) BY – LAWS

1. Teams are allowed up to two (2) Water Carriers.
2. Water Carriers must wear the tops supplied by the N.T.J.F.A. so they are clearly identifiable and numbered.
3. Clubs must endeavour to supply Water Carriers of similar age to the Match being played.
4. Non-contact water bottles are to be used.
5. No messages are to be given to Players by Water Carriers. After delivering water they must vacate the playing area.
6. The Umpire or Match Manager can order a Water Carrier (s) from the Playing Arena
7. The Umpire or Match Manager can Report a Water Carrier (s). If reported during the course of a Match they cannot be replaced.
8. Non compliance with any part of Section 21, the club of the offending team will have a penalty imposed of first offence \$100.00 and/or the Water Carriers ordered from the Playing Arena with no replacement, second offence \$250.00 and/or the Water Carriers ordered from the Playing Arena with no replacement and third and subsequent offences \$500.00 and the suspension of both the offending Water Carrier & his/her Coach for one (1) Week.
9. Water carriers must be ten (10) meters from the coaches box at all times. Unless they need to refill their water bottles and the supply of water is in the coaches box, or they are delivering water to players on the playing area that are with in ten (10) meters of the coaches box

Note: Section 21 does not apply to the Under 9, Under10, and Under11 age division as water carriers are not to be used in these age divisions.
