## **TWO TOWNS, ONE DISTRICT ONE CLUB**

In November 1921 the club was created by the merger of the Sedan Football Club and the Cambrai Football Club to the Cambrai Sedan Football Club (renamed Sedan Cambrai Football Club in 1930), they joined the Murray Ranges Football Association and in 1922 the club had its first win an A Grade premiership and went on to win 3 more (1923, 1924 & 1927). In 1925 the club competed in the Murray River Football Association for a single season before transferring back to the Murray Ranges Football Association, where it competed until the association dissolved in 1935. At that point there is uncertainty of where the club competed, or if the club went into recess. The club is known to have competed within the Barossa and Murray Valley Football Association in 1947. Between 1951 and 1954 Sedan Cambrai Football Club went into recess and then in 1955 the club competed once again in the Barossa and Murray Ranges Football Association for a couple of seasons, before moving Leagues to compete within the Gawler and Districts Football Association until 1958. 1959 saw the club move to the Torrens Valley Football Association before moving into the Hills Football League in 1967. The Club played in numerous divisions and competitions within the Hills Football League, until it merged with the Mt Torrens Football Club in 1976. The Club was known as Mt Torrens/Cambrai with this arrangement lasting until 1984. In 1985 Mt Torrens and Cambrai split and the Sedan/Cambrai Football Club was reformed with the addition of netball. This is when the Club became known formally as the Sedan Cambrai Football Netball Club and moved into the Mid Murray Football and Netball Associations.

The Club competed within the Mid Murray Association for 24 years where it won two A Grade football Premierships in 1988 and 2000, along with two A Grade netball Premierships in 1990 and 2008. The Club also had great success in junior football and netball by winning numerous premierships. In 2009 the Mid Murray Football/Netball Association had its last year of competition which forced the club to move to a different League. Since 2010 the football teams have been competing within the Hills Football League. Initially this left the netballers with no netball following football but after much hard work throughout 2010, the Hills Netball Association was formed in 2011. This has allowed football and netball to be played at the same venue once again, continuing on in promoting the Club as a place for both men and women to participate in a winter sport.

**Cheer, cheer the black and the white!  
Honour the Magpies day and by night!  
Lift that loyal banner high,  
Shake down the thunder from the sky!  
Whether the odds be great or be small,  
We'll come out and win over all,  
While our players keep on fighting,  
Onward to victory!**
