Newsletter of the Randwick City Saints Senior Football Club

Round 3, Season 2015

Issue 2: 29 April 2015

## Weekly Wrap

**Image 1: The Saints go marching in...even on the bye round.**

Only the Div 5 side were due to play on ANZAC weekend, however the wild Sydney weather meant no Sainters would take the field. Instead the boys got together and attended various dawn services, whilst the Navy and Army contingent also had marching duties to attend in the city.

It was a weekend we were collectively very proud to recognise the Sainters who serve in the defence forces, as well as a time to reflect on the incredible sacrifices made by those men 100 years ago, whose bravery ensured we live in a peaceful and free nation today.

This week the Saints are back on the training paddock and looking to put in the hard yards in preparation for another home victory.

## Thursday Night Feed

**Inferno Grill & Café**, located at 944 Anzac Parade, has some of the best chow in the Eastern Suburbs and they're coming onboard as a new sponsor of the club.

Bring along \$10 this Thursday night and they said they'd put on a champion spread for us. Yves will be collecting money at the start of training.

Inferno will also be coming to the party with dining vouchers and the like, awarded to players with standout performances from the weekend.

What a generous gesture from Inferno! Let's get around them just south of Maroubra Junction and when you go to dine at Inferno, let them know you're a Sainter and acknowledge their support.

## Player Probe – Lukey Maunder

- **What is one of your pet peeves?**  
Snorers and heavy breathers
- **Do you have any unusual pre-game rituals?**  
Not really, I just have to eat a banana before I play.
- **Which Saint would you want to be marooned on a desert island with & why?**  
Ridgey; because we could make kava and he'd be a loose unit like the footy trip
- **Tell us something your parents/girlfriend doesn't know about you...**  
I smoke when I'm out drinking
- **What are you most likely to get fined for?**  
Great abs, going for Richmond, being Mark Maunder's son.

### Time to recognise...

**Benny Prelec** - Benny P. notches up 50 games as a Sainter this weekend and where better to do it than the holy grail of Pioneers Park. Benny has bounced back tremendously for the club after suffering a broken leg in a game late last season. Benny gives back to the club by helping out as an umpire for the Saints matches. Deano reckons the kid has earned himself a mug, and the Saints would have to agree. Onya Benny!

**Saints Facebook Page** – 300 likes, the word is spreading.

### Division 5 Game

- 2.30pm bounce at Pennant Hills
- Anyone needing a lift should contact Karl – 0419 166 684
- Playing numbers for this game may be on the skinny side so ask your mates if they want a run and let the Karl know.

### Footy Tipping

A big thanks goes out to Robbo for this initiative. It seems to be quite the conversation starter around the club. Congratulations to this week's winners - **Ben Prelec** and **Peter Conduit**. Both guys picked six games right and Port Power by six points. They each take home a 50/50 split of the \$50 purse.

### Fines

It's with great fervour that the Saints nominate their 2015 Fine Master, Greta. Fairly easy-going in nature, it's great to see the Gazelle stamping his authority on the club's code of conduct and keeping the boys honest. He's clearly making his influence felt with his housemate, Sauce Oliver, who has taken the initiative of fining himself so we don't have to. Keep up the good work both of you.

- Gold coin fines are minor infringements like wearing incorrect uniform.
- More serious misdemeanours, depending on the severity, will either be a note or donating a slab of beer.

**Game day uniform** – Saints polo, black pants/shorts, and black shoes.

**Court sessions** - held on Thursday nights after training and possibly at the Diggers after games on Saturday.

### Hoodies

With the weather cooling off for winter it's a great idea to get your hands on a Saints hoody. Place your orders on the website shown below.
