FPS Real Estate is about making real estate easy and giving back to the community.

With this in mind, we have established a fundraising initiative which we would love to extend to your sporting club or organisation. For every member, associate, friend, family member, player or supporter of the Club who successfully sells their property through FPS, we will donate \$1,000 straight back into the Club.

All of the FPS Directors have deep and personal ties to local organisations, and it's our way of giving back. We hope this will ensure a long standing relationship between FPS and your Club, create another source of revenue, and offer the highest level of professional real estate service to those associated with your Club.

For further information, please contact Tony Shaw on 0412 334 633 or via email at: [tony@fpsrealestate.com.au](mailto:tony@fpsrealestate.com.au).
