## Miniball Rules/Notes

- Games will consist of two 13 minute halves, and will start on each half hour
- Hoops are lowered to a height of approximately 2.5m
- A size 5 basketball will be used
- The free throw line is closer to the hoop than in a standard game
- **Four Dribble Rule** Players are allowed a maximum of four bounces of the ball when dribbling at any one time, before having to pass it to a team mate
- **Wristband Rule** Players must guard players with the same coloured wristband as them.
- **Retreat Rule** Players must retreat to touch halfway when: They lose clear possession in the attacking half; or their team scores a basket (this promotes transition from offence to defence and creates space for dribbling and passing to develop)
- **Fouls** Each player has a maximum of four fouls for the game. (This promotes the concept of non-physical play and ultimately leads to better defence)
- Each team is to wear a consistent uniform, preferably numbered (though we can supply numbered bibs if needed)
- No timeouts permitted
