The Avoca Football Club was formed in 1873, so we are currently in our 142nd year and the Avoca Netball Club was formed in 1957 and are now in our 58th year.

We are now one club! We are the Avoca Football Netball Club!

Since 1984, when the Bulldogs started keeping records of the number of games played, there has been 716 footballers that have pulled on the Bulldogs guernsey and 315 netballers have donned the netball bib.

That is 1031 current and past players who have all played a part in our club since 1984, plus the many, many more who played before that time.

You are one of these players!

As with all clubs, former members move on and the club loses touch with those people.

This is our way of reconnecting with you so that we can all stay in touch in the future.

If you know of someone else that may be interested in being an “OLD DOG” Please write their name on the back of this form with their mailing address.

Or download this form from the club website and pass onto them.
