Last Week

Seniors

The Seniors suffered a disappointing loss to Fitzroy on Saturday. The Noddors were looking even the win-loss ledger and move into the top half of the table, but fell away in the final quarter to lose by 29-points.

After a tense first quarter, Fitzroy dominated the first part of the second, moving out to a 4-goal lead just before time on. However, Mazenod fought back to within 15 points by the long break to keep the game alive.

The third was an epic battle as Mazenod continued to press, hitting the front before Fitzroy snatched the lead back just before the siren. The Noddors kicked the first goal of the last to grab the lead and there was hope that Mazenod's fitness would be enough to run away with the four points, but to Fitzroy's credit, they steadied, overhauled and then overran the young Mazenod outfit.

Ben Phibbs continues to get better with every game, kicking four and nearly dragging his younger teammates over the line. Recruit, Tom Warby was also impressive with three.

The loss leaves the Noddies in a logjam in the bottom half of the ladder. There are five teams with a 1-3 record and opportunities to break into the top half will become scarcer as the rounds progress. The Noddies are presented with another opportunity this week when they take on Ajax (2-2) at home.

Coaches Steve Balloch and Dale Micallef have called for a review of their side's training and nutritional program after a final quarter fadeout saw the Noddies fall to Fitzroy. After storming back into the game in the third, the Noddies ran out of legs in the last. Steph Davis has no questions to answer after kicking four, while Freddy Deegan was named BOG.

Under 18s (Colts)

The Under 18s were the standout team on the weekend. Sitting undefeated, atop the ladder, the Noddors faced second-placed Ivanhoe in what shaped as an interesting clash. The Noddors were on top from the outset holding a 16-point advantage at the first change. The lead was six goals at the half, but Ivanhoe kept the door ajar with a fighting third quarter to stay within five goals at the final change.

The Noddors then responded in the most brutal way possible, kicking nine goals to one to run out 81-point winners.

Josh Swaniston kicked five goals, but was pipped by Jack Minack for BOG honours. Jaydyn Hill was also very good for the Noddors

People

The entire club is behind one of our greatest ever players Aldo Schiano who is not in the best of health. Member of the Mazenod OCFC team of the Century, 100 goals in a season, 10 goals in a grand final, the much loved sharpshooter and family are in our thoughts as they continue to take on a big challenge.

May 3-9 each year is Motor Neurone Disease (MND) week. There are a number of ways people can help. Check it out at www.mndaust.asn.au

The club is also saddened to learn of the passing of Ethan Devine. A very popular Mazenod student, Ethan suffered from a muscular condition and was confined to a wheelchair. With enormous sporting talent, Ethan represented Victoria in the 2014 Australian Championships for Wheelchair Basketball and was a key member of Wheelchair Basketball being introduced to ACC sport with the guidance of Fr Michael Twigg. Our thoughts go out to the Devine, Johnson and extended families on their loss.

Employment

A couple of our young stars are looking for apprenticeship opportunities in the electrician space. This is a great opportunity to demonstrate the networking opportunities of the club so if you can assist directly or can steer the club in the right direction please contact Wayne Francis on 0447252 845 / waynegfrancis@gmail.com

VAFAs Umpiring Opportunities

Each year the VAFAs asks member clubs to recruit at least one club umpire into the VAFAs pool who generally officiates in Reserve Grade games (games not involving Mazenod). The club has been fortunate to have Sean Campbell who fulfilled this role for many years however has decided to take a well earned break and focus on watching football. This means we are on the look out for someone who is keen to keep fit and earn \$80 tax free at the same time. Experience is not necessary the VAFAs conduct training sessions. There is no formal age restriction however this does

involve umpiring men. If anyone is interested please contact Wayne Francis on 0447252 845 / waynegfrancis@gmail.com .

Membership

The club is making good progress on memberships however we are still well short of our goals for 2015.

Memberships are a way of contributing to the club and ensuring player subscriptions are kept as low as possible and the best possible equipment and coaching is provided to the players. It is the members that make a difference. Multiple Premiership coach Matt Johnson is headlining the drive and is providing two levels of member benefits : Silver \$150, Gold \$300

Matt can be contacted on mjohnson@mazenod.vic.edu.au / 0488 788 270
