CONFLICT OF INTEREST

Applicants must declare if they have a “Conflict of Interest” with any of the players who are eligible for selection in the age group and gender in which they are making the application.

A conflict of interest is defined as a person who has a relationship with a player in the age group, which may affect their ability to apply the players selection objectively and allocate court time appropriately at BQJBC or QLD State Championships. This conflict of interest could be that the applicant:

1. Is a relative of a player (father, mother, brother, sister, etc.) who is eligible for selection in the age group and gender in which the application is being made;
2. Has a personal relationship (eg. a personal friend of the family) with a player or players in the age group and gender in which the application is being made;

Initial: _____

NOTE: A conflict of interest does not prevent a coach being appointed to an age group, it is simply an acknowledgement. The selection panel will assess each application identifying a conflict of interest on a case-by-case basis when determining the selection of applicants and decide an appropriate course of action to ensure transparency and fairness.

Please state if you have any conflicts of interest in relation to your application.
