EVERTON WOLVES JUNIOR AUSTRALIAN FOOTBALL CLUB

27th Apr 2016

## A VIEW FROM THE SIDELINES

Another fantastic weekend of footy has seen Round 2 disappear into the pages of history and had me wishing for some cooler weather. The Sun was definitely shining on Saturday and we all need to remember to put the sunscreen on and to keep hydrated. I'm sure someone told me AFL was a winter sport.

Round 2 had 4 of our junior teams playing at home again and sharing the facilities with Mayne Seniors. Parents must do more to assist coaches with field set-up. If only one person does this job it can take at least half an hour so we ask if you are the first game of the day to arrive at least 45min before the start time to help with field set-up. If your game follows another game it is more likely than not that the field will need to be adjusted. Please help with this so the game can start on time. If you are the last game of the day please help with field pack-up.

Our other teams played away at The Gap, Ferny Grove and Kedron. The easiest way to find where your game is being played is to look at the fixture on our website

[http://www.foxsportspulse.com/club\\_info.cgi?c=1-3928-59020-0-0&a=TEAMS&](http://www.foxsportspulse.com/club_info.cgi?c=1-3928-59020-0-0&a=TEAMS&)

find your team the click the 'fixture' button

then click on the (Map) button under the time.

When we play at home and away we must always remember to behave according to the parent's code of conduct. Ours and other clubs ground marshalls, first aid officers, coaches, managers and

umpires are all volunteers. Please always treat them with the respect they deserve. Without these people the game cannot be played. If you come across a problem on game day please do not take matters into your own hands. Speak with the ground marshall calmly and if you feel the problem has not been resolved please send your complaint in writing to [evertonjuniors@aflbj.com](mailto:evertonjuniors@aflbj.com)

Sunday saw us host another 5 Under 13 grading games, this was again a massive day and thank you to the many volunteers who came down to lend a hand. It was a very successful day.

Now we are looking forward to Round 3 and our first Friday Night Home game for the season. Come down and watch our U13 take on Coorparoo under lights on our Second Oval.

Good luck to all teams for this weekend and remember that success is measured by how much fun you had and the effort you put in.

## TOYOTA GOOD FOR FOOTY

The Toyota Good for Footy Raffle is back on and our tickets have arrived. Thank you to all members who pre-purchased tickets with their fees.

Tickets are \$5 each and our aim is to raise \$3750 so we can purchase a new fridge and freezer for the canteen. If every family purchases 7 tickets we will easily meet this target. If you cannot purchase this many tickets yourself you can ask for a book to sell to family and friends.

The easiest way to purchase tickets is to deposit the money straight into our bank account

BSB: 124021

Account No. 10317380

Leave your family name and Raffle as reference.

I will write out your tickets and they will be available from the office for you to collect at training or on game day. Tickets will also be available from the office and canteen.

We will also be issuing team mangers with ticket books so please make their job easier by asking them for tickets.

## MATCH REPORTS

### U6 Blue v The Gap

Under 6 Blue played away for the first time this season against The Gap Dragons. This week our players were learning how to substitute, as we have 7 in our team this year. They all did really well taking turns and sitting off to cheer on their teammates for a few minutes each. Under 6 Blue played really well as a team with plenty of hand passing as we got the ball down our end. This year under 6 Blue have a team mascot. Wolfy goes home each week with the player chosen by Coach Esko as our player of the match. Here's Frankie, this weeks Under 6 Blue, Player of the Match.

Great job Frankie!

## U8 Blue v Kedron

For our second game of the season we were greeted with a bright and hot sun adding the challenge of heat to the game. The first quarter saw Kedron jump out of the blocks well kicking a couple of goals and controlling the ball in general play. After the quarter time break the Wolves hit their stride challenging Kedron at every contest and hitting the score board with a couple of goals to bring the game back to even. The second half was an even fought affair with both teams trading goals and control of general play around the ground to ensure neither side skipped away.

As the coach I am very impressed with the improvement we are seeing across the ground in all areas of the game. The team is starting the gel together well and it is really great to see the boys arm in arm singing the team song at the end of the game. Special mention this week goes to Lachlan as our player of the game for his effort around the ground and commitment in the ruck contest. Go Wolves!

## U9 Blue v Ferny Grove

The team was awesome in round 1 and, their efforts in round 2 was one of the best I have seen. We were down four players with a couple more not feeling 100% against a strong Ferny Grove team but, the team dug deep and never gave up. We matched Ferny Grove for three quarters but the heat and numbers took its toll. I could see from the colour of their faces that they gave their all. You can't ask for much more.

**Hayden 'Plugger' Bissett, Brodie 'The Whiz' Smith and, Camden 'Boomer' Sully** were absent. They all had fantastic games in the first round and we missed you guys in round two. Look forward to seeing you next game.

**William 'Lethal' Lathwell** was our captain for the week and, he had some nice touches. Lethal was a little flat this game after a blistering game in the first round. Looking forward to a big season from Lethal.

**Luke 'Brownny' Palmada** was back to his best. After a sluggish start in round 1 he was back this week giving it everything, controlling the centre and taking strong marks. Brownny is just warming up.

**Luke 'The Duke' Telford** was our player of the week. After a strong game in round 1 where he kicked his first goal for the Wolves he backed it up again with hard running to get the ball, evading players and strong tackling. The Duke and Gazza probably finished with the most touches in all zones. Great game Luke.

**Ethan 'Gazza' Schulz** is an exciting player which the players love having him around and I'm sure the parents are enjoying watching his game. He was our player of week in round 1 and was just as good in round 2. Well done Ethan.

**Ashika 'Daisy' Vosper** had a great game this week and came to life in the 2nd half when we really needed players to stand up. Ashika probably tried the hardest and, was rewarded with a few touches and kicks.

**Maison 'The Magician' Currie** has only had two training sessions of AFL and is blending in nicely with the team. What stood out in Maison's first two games was his willingness to chase and, tackle but this week he took another step forward by getting involved in the contest to get the ball. Great to see.

**Rhys 'Spider' Griifin** was not feeling the best but, he got out onto the field for the first three quarters to help his team mates. Great courage from Spider and he had some nice touches in the first half until he ran out of steam. Well done Spider.

**Patrick 'Spud' Hayes** got involved early with some touches, chasing hard and putting on some nice tackles but, understandably he like most of the players ran out of energy. Another player who will progress with a few more training nights and games.

**Lachlan 'The Birdman' Howie** backed up his strong game in round one with another strong effort. What I liked about Lachlan this week is he stayed on his feet and, listened to the coach by running the ball more. A great game from Lachlan who is going to have a big year.

**Nathaniel 'Bam Bam' Simirenko** came our firing. Like Luke he was in everything in the first half and was one of our best. Tired legs caught up with him but, a great game from Nathaniel. Well done.

**Harper 'Turbo' Geary** is another new player who has only had a couple of training sessions and second game of AFL. Harper wasn't afraid to get in and mix it with the tackling and, he took a couple of nice marks in round 1 and 2.

## Round 1

## Round 2

## U10 Blue v Kedron

Everton Blue under 10s ventured to Kedron to play the Lions. The sky was blue with cloudy patches. The sun had plenty of bite.

It was good to see all of the players arrive at Kedron early. Some were raring to go, others looked like they hadn't got out of bed yet. Georgia had applied herself very well in the training drills during the week, and was very switched on during warm up and was appointed team captain for this match.

With Amelia away on other duties, a Kedron player was filling in for us each quarter (It was really good to see it done with great enthusiasm).

The Kedron players were certainly switched on for this match. From the first ball up Kedron were out of the blocks. Their tall players in the forward line made well timed leads and soon had some goals on the board. Our team were not going to give up without a fight. The only way back in was through hard work. The backs could not do it all themselves, the centres were going to have to assert themselves into the game.

Mitchell ran all day with some great tackling, running and passing. So too had his other midfielders Nathan and Christopher. Charles also stepped it up a gear from last week. He got himself more involved in the play and to good effect.

Georgia as captain did not disappoint. I think the responsibility made her ½ a foot taller. She also showed improvement from her first game last week. Aidan in his second game also played well. He hurt his hand doing a brilliant yet illegal smother (for that age group). He received some minor medical treatment and wanted to be back out there.

In the third quarter the Wolves peppered the goal line with plenty of shots. Alan did plenty of hard work to earn the ball as did his other team mates Georgia, Max and Alex. Unfortunately many of our

shots went astray. "Kicking under pressure" practice this Thursday Guys.

Hard ball gets. That was Billy in the final quarter. He was not doing it alone though. Charles, Mitchell and Nathan also stepped it up. Karl kept tackling all day. He was a tackling machine. Even deep into the final quarter, Karl was still tackling opposition players at every opportunity. This sort of determination is good for his team mates as well. From a good tackle, if you do not win the free kick, there can be a loose ball to pounce on. Karl, for his great tackling efforts earns "player of the match" this week.

There are lots of positives to be taken from this match. Tackling, running and constant pressure will get you back into a game if the opposition gets a better start than you. Loud calling, and directing from other players help get the ball moving forward to available players. Kicks need to be executed well to get the best results from them. Be they short, long, away from goal or through the goal – they have to be accurate and well timed.

Well done Under 10 Blue, see you at training on Thursday night.

Coach Nick Elsey

Atticus was pushed to full forward with Kyah injured and provided good contest and attack on the ball along with Korbin who had a great game, including a tackle on the biggest player on the field. We finished the quarter strongly and our solid defensive effort kept them scoreless and gave us a one point lead.

The second was our turn with the wind and with better ball transition we were more effective in attack. Cameron involved himself well with possessions and movement of the ball, supported by Grace who worked off the ball to give team mates access to the ball.

Jahali was strong defensively in our forward line, forcing stoppage and keeping the ball in our forward line and Stuart played well across mid field with numerous effective disposals one which helped set Ethan up for our first goal. Alyssa had her best game for the club with a number of touches and good involvement and Korbin's contested ball efforts were rewarded with a goal.

We had a good quarter and we took a 14 point lead into half time.

The third quarter was a struggle, with the team tiring as we played into the wind. Defensively we were under pressure but had some good individual efforts to limit their scoring. Examples of this were Luke's chase across the wing which was enough to spoil the kick into their 50 and Will E who took on three opponents to hold up the ball up until team mates could arrived.

Ryan continued to work across the game with 2<sup>nd</sup> and 3<sup>rd</sup> efforts which gave us use of the ball and James A worked hard across mid field to get us forward but we went into the break down by a point after 2 goals with the game up for grabs.

James M open the last quarter with a great contested mark and Ethan continued his hard work, starting a good chain of passes with Ryan and Jahli. This enabled us to keep the ball in the forward line where Sam was rewarded for his hard work with a goal. The game opened up as the

### U13 Grading Game 2 - Jimboomba Redbacks

It was a windy morning and we were into it in the first quarter. Doug started at full back and to control directing the defence and play well. Tom took his lead, tackling hard and running from defence while Jacob's bump and sheppards allowed us use of the ball.

teams tired and the Redbacks were able to rebound, with Will C saving a certain goal with a fantastic tackle deep in their forward line.

Duncan zoned off well outside our half forward to limit their chances to bring the ball out of our forward 50, which created scoring opportunities and he was able to take the ball forward for a goal along with Rhys who scored a good running goal.

The final siren sounded and we had won by 15 points. It was a great game, set up by our first quarter effort keeping them scoreless. Everybody played well but it was hard to go past Korbin for a great game.
