# Message from the Chairman

It is with both pride and pleasure that I welcome all our Sponsors, guests, visitors, players and members to the Hamilton Kangaroos Football Netball Club.

We also welcome Warrnambool to our Club today and I wish you all a successful day.

Thank you to the many people who put up their hands to help out in any way at the Hamilton Kangaroos Football Netball Club. We are fortunate to have so many great volunteers and I sincerely thank you all for your enthusiasm and assistance.

Round 1 and Round 4 we witnessed football under lights in Hamilton. The locals come out in their droves and when the lights were switched on it was a most magical feeling. We thank everyone that came and supported our games under lights and we hope to be able to build on this and bring more night games to you.

Just a reminder to keep up to date with club interviews, social news and all the club announcements via the Hamilton Kangaroos Facebook page.

Afternoon tea for sponsors is available at each home game half time of the Senior Football under the grandstand so I look forward to meeting up with you then.

Memberships are still open and available at Alexandra House Reception Desk.

Remember to support our sponsors – Your Club's sponsors.

## Kangaroos v Terang Mortlake

While it had been rather windy during the reserves, it turned into a perfect autumn evening for the second night fixture under lights at Melville Oval as we hosted Terang Mortlake, setting the scene for skills to be on display. In front of another huge crowd, our aim was to carry the Anzac Day momentum we displayed in the last quarter at Portland into this game. Getting off to a great start controlling the play with good ball use, although in the first five minutes we unable to put our initial shots through the 'big sticks' Then Jack Sutherland received a gift for his 18th birthday, as he intercept a Terang pass fifteen metres out, which he slotted for full points giving us the start we were after. Later in the term our silky skilled new recruit Alroy Gilligan, 'laced' big Jack unmarked, again only twenty metres from goal. Our four goals to one in the opening term, gave us a handy 19 point lead. Our work rate through the midfield was matched by the back six who were right on top and the forwards, working as a unit and looking dangerous. The second quarter was the Paul Cox show, showing why he is so popular with the crowd; and more importantly with his teammates who love playing alongside him. Paul took a couple of 'ripping' marks; and when he wasn't kicking goals himself, 'Coxy was 'setting team mates up' Our forward line continued to perform, rewarding the efforts from further afield to post another six majors, giving us a 49 point lead at the main break. During the interval we highlighted the things that were working well for us, but mindful that Terang Mortlake would come back hard at some point. That's just what happened in the quarter as they threw everything at us, kicking the first six goals. Suddenly we were second to the ball and our work rate and other key indicators dropped off, until a late goal from Captain Hamish Waldron steadied us at the third term siren. Holding a 21 point lead, we used the three quarter time break; we discussed our falling away in intensity, all players we very aware of where we needed to improve. Two goals in the opening minutes got our momentum back; and halfway through the final term we took the opportunity to rest some of our experienced players. We came off with a rewarding thirty three point win; and some belief in what we are capable of if we have enough players wanting to take the game on, pressure the opposition and work hard for each other. Paul Cox and Sean Barnes were fantastic, along with a long list of names that played important roles, giving us victory over Terang Mortlake for the first time.

The strong support that the Hamilton Kangaroos have received from the community during the two night fixtures, will hopefully encourage other clubs to travel to Hamilton, for the experience of playing under the superb lights and in front of the huge crowds that create such a great atmosphere. Thank you everyone for your support!

## Kangaroos v Cobden

After coming off two good wins, we headed to Cobden, who although they were sitting on the bottom of the ladder, had been more than competitive against strong opposition, so we knew it be a challenging trip for us. The Bombers were quick 'out of the blocks' Their pressure creating turnovers, which enabled them to gain clean entry into their forward line, making life difficult for our 'backs' At the first break Cobden led Six goals to five. The second quarter was a relatively even affair. We worked hard, but our opponents pressure was intense; and made us pay heavily for turnovers. To our boy's credit, we were really competitive and remained 'in the game', down by only four goals at half-time. The third team was again an even contest, we continued to run and 'take the game on' but we were unable to give ourselves enough forward fifty entries to put a score on the board. Similar to the first three quarters there was not much difference in general play during the final term, but luck was not on our side. Chiefly because of their strong start to the game, bigger bodies and cleaner entry into their forward line, Cobden ran out winners by 34 points. While we are disappointed in the result, we take confidence from the fact, that were we able to compete for the full four quarters. Now we look forward to hosting Warrnambool today at our home ground.

## Kangaroos v Portland

Right from the start, we knew this was going to be tough and physical encounter. Starting off, we were driving well and the movement to the ring was coming together, but with a couple of 'forced balls' Portland was able to capitalise to give them a three goal lead at quarter time. I emphasised to the girls that this was not much of a margin; and it only takes a few of turnovers to get back into it. Jo Bowie moved to WD to offer a bit more drive out of defence, while Steph was moved to WA. Hard work from the defenders paid off as we made some great intercepts, although we continued to force the ball, taking the wrong option when passing, mistakes that saw us down by seven at half-time and nine going into the last change. Our girls realised that they really needed to do something if we wanted to finish this game on a high. Teagan McIntosh now at WA; and she was joined by Jo Bowie with some outstanding drives. Rhianne and EM continued to read the play bringing off some great intercepts that brought the margin back to seven, before the final whistle blew with the score 31-38. We need to 'dig' ourselves out of something if it's not working, keep our heads up and just work that little bit harder for the next ball, playing a patient, controlled and continuous driving game for the full four quarters, making ourselves aware of where the space is; and avoiding forcing the ball into defenders hands. Best Players Rhianne Lewis, Jo Bowie and Emily Kermeen. So now it's back to some hard training to prepare for a talented Terang Mortlake.

## Kangaroos v Terang Mortlake

Just like last week, the Terang Mortlake game promised to be a challenging contest. I reminded the players of the need for four consistent quarters, especially in the second term, where we have had some difficulty. We started off brilliantly, playing the patient and controlled game that we had previously discussed, finishing off with some great goals to Tayarra, and Bec, however a few minor errors saw us trailing by three at the first break. Once again realising that we needed to lift and push hard to bring the margin back, led to some great driving and offering from Teagan McIntosh at WA, meaning that we only down by 1 goal at half time. Going into the second half, our defensive pressure to shut down Terang's drives had to lift but unfortunately, the third quarter saw a deficit of 10 goals. We made a couple of changes in the final term, Aliesha McDonald coming into GS, giving us a great height advantage in the ring, although it was not enough to effect the result. On the positive side of things, we had a much improved second quarter, now we need to build on that in the third and fourth as well. Final Score 40-51 - Best Players - Tayarra Morris, Bec Langley and Tegan McIntosh

## Kangaroos v Cobden

This game looked likely to be our first win of the season, but we just couldn't 'put it together' for four quarters. At the opening whistle we were playing a patient and controlled game, movement into the goal circle was slowly coming together; and the mid-court was driving well. Facing a two goal deficit at the first change, the girls knew they had to lift their work rate and step up to play the tough and physical game that confronted them. With a few shots missed and opportunities not taken, we lost a little confidence, leading to further mistakes. Only being able to put five goals on the board to Cobden's five in that term, meant a lot of hard work needed to be done in the second half. Aliesha McDonald came into GS; and we started to make use of her height. Rhianne worked hard at the other end of the court, while Emily Kermeen stepped up the pressure at WD, Teagan McIntosh was driving beautifully at Wing Attack and was really giving us something to work with. During the second half, we matched Cobden, but the damage had been done earlier in the game - Final Score 34-45 Girls believe in each other and the team, the wins will come soon! Best Players Rhianne Lewis, Emily Kermeen and Bec Langley.
