EVERTON WOLVES JUNIOR AUSTRALIAN FOOTBALL CLUB

25th May 2016

## A VIEW FROM THE SIDELINES

Round 6 had all of our junior teams playing at home and the venue to ourselves for a change. This was a brilliant day with some great footy being played.

Eden Van Gorp played his 50<sup>th</sup> Game. This year he is in the U9 Gold team but is also playing with the U10 Blue's whenever he can. It doesn't take long to rack up milestone games when you just can't get enough footy. Eden started as an U6 and has always been the first to volunteer when an extra player has been needed by another team. Great Work Eden!

Our U11 Girls got their campaign started on Sunday playing their first game at Sandgate. The team is growing in numbers each week but if you still want to join up it is not too late. There are still 10 rounds to go and plenty of footy left.

Our U13 played at home on Sunday morning win a tight game against Morningside Red while our U15 played at Morningside. By all reports our U15 played a fantastic game. I'm just sorry I can't be in 3 places at once.

This week our Saturday starts very early with 4 games at 8am. This is because we are sharing the venue again with Mayne Seniors. Lets make it another great day.

## MATCH REPORTS

### U8 Blue v Aspley Green

Under 8 Blue went into this match missing their regular coach and Lincoln. The boys took this in their stride and ran on under captain Jacob against Aspley Green at home.

Bill ran all day but the bounce just kept it out of his grasp but he never gave up and always ran back to provide an obstacle to Aspley. His commitment to this aspect of his game is commendable and pleasing to see.

Luke had a breakout game grabbing for the ball and making some great runs and not slowing down at all.

Archie ran up a storm evading their defense, orchestrating several attacking moves and scored many goals himself while also trying to set up others.

Lachlan is starting to know about getting into space and becoming an option for his team mates and thank you for telling us about the plane.

Liam ran hard for the ball and made some good kicks into attack and shows he really likes running and carrying the ball.

Spence had a blast up front with Archie and looks like a possible full forward.

James continues to improve showing great desire for the ball and some great use of space into the wings.

Tom had a great game hustling for the ball, pick ups and runs and a deserving "Encouragement Award" for listening at training and using those skills in the game.

Last but not least, our Captain for the day Jacob. While he might be small he creates havoc in his endeavors and led the team with pride.

Well done to all the players for the fun we had this week and I hope we continue to improve and enjoy the game.

P.S. Yes I remember the chocy frogs but you only get them after a good training on Thursday.

Go Wolves

Assistant Coach – Charles Tibbitts

## U8 Gold

The boys are showing real signs of improvement every week and it has been amazing to see how quickly they have applied on game day some of the things we have worked on at training. A quick recap of the last few rounds:

**Round 3 – Captain: Harvey / POTW: Hamish**

**Round 1 - Captain: Lucas / POTW: Harvey**

**Round 4 – Captain: Dylan / POTW: Jai**

**Round 2 – Captain: Gabe / POTW: Julian**

**Round 5 – Captain: Jye / POTW: Jhett**

**Round 6 – Captain Campbell / POTW: Josh**

On Saturday we played at home to Wilston Grange Gold. The boys blasted out of the blocks and played fantastic football from start to finish. For the 1<sup>st</sup> quarter Wolves had the numerical ascendancy with an extra player but this was not the reason for playing so well. After a late arrival we were able to lend an extra player to the Gorillas to even the numbers, but the Wolves continued to play their best football for the year. A special thanks to each player that volunteered to play for the Gorillas for a quarter.

Great captain's game by Campbell, his best game for the year, well done. Also, a great game by Josh, particularly his defensive efforts this week which was the main reason for him receiving player of the week (POTW).

Finally, thanks to the parent volunteers that jumped in and helped set up the field and all the other behind the scenes things that need to get done each week, in particular Terri who keeps us all organised every week.

Next week's game is at home at 9.00am to Wilston Grange Black, our 4<sup>th</sup> consecutive game against a Gorillas opponent. See you all at training on Thursday.

Coach Brett Cottam

## U10 Blue v Mayne

Saturday 21<sup>st</sup> of May 2016 saw Everton Blue U10 take on the team from Mayne Tigers. It was a typical Melbourne day trying to break into a Queensland weather pattern.

Everton Blue numbers were seriously down because Billy and Max were off holidaying, Nathan was down with the wog and Aidan had come off second best with a skateboard. Our depleted numbers were bolstered by Eden stepping up from the under 9s with Blair, Oliver and Zayden filling in from the Everton Gold side.

The siren sounded and play was under way. We started with 10 aside as we waited for our U10 Gold mates to finish their game on Oval 2. Georgia started play in the forwards to open attacking opportunities and then, as our extra players became available she went into the back line to close down attacking play by the opposition. Charles and Eden were joined by Oliver, Blair and Zayden in their Zone. All these players worked well together as their responsibilities changed from forwards to backs and centres. A lot of credit to Charles to stepping into work alongside 3 "new players". A special credit to Blair for his great efforts at full back in the third quarter. He stopped a number of goals.

I expected the Mayne team to be a very attacking force. Alan, Matt, Mitchell and Georgia started the game in the backs. I expected that they were going to be under pressure from the start. What I saw happen though, was a very strong tussle between two teams fighting for control of the play and the ball. In my mind, it was very similar to the match between Sydney and Hawthorn on Friday night. So what was actually happening was that both teams were coming up against strong back lines and in repulse new attacks beginning.

I was pleased to see this continue in the second quarter when Alex, Christopher, Karl and Amelia took over the back line responsibilities. One of Karl's kick outs was a monster to Chris who passed to Ollie who passed to Eden who passed to

Alan who then kicked for goal. This was not the only instance of which a sequence of “clean” passes made it through several zones.

I was very pleased to see that the practice that we had put in on Thursday night was implemented exceptionally well. I only saw one instance that we did not do as instructed on the kick out. The drill was done very well at practice but was done even better in the game situation. Hold your heads up guys, well done. I was very happy to see a great number of tackles being done the right way. Well done Chris, four tackles in a row. There were only a small number of tackles that ended up as “holding the man” or as “push in the backs”.

I want to thank Alan for a great job as captain today. He showed great leadership responsibility on and off the field. He rounded off the day by leading the cheers for opposition and umpire. The award for player of the week this week goes to Amelia. She again showed great presence of mind to move in to attacking positions at the right time. Not all good work is done on the ball. If you are in the right place you will draw opposition players away from the ball and free up play for your team mates. Great job Amelia.

We championed “the kick” in our last training session, we may need to do some more kicking practice. Kicking to space and kicking for purpose are probably two drills we need to implement soon. Well done guys, see you Thursday evening.

Coach Nick Elsey

## U10 Gold v Wilston Grange White

This week U10 Gold took on Wilston Grange White. The Wilston Grange team proved to be strong which made the game our most challenging this year.

Zaedyn was our captain for the match.

The first quarter was the toughest with the opposition showing plenty of speed on the ground resulting in a frenzy of goals. Kaitlyn and Jordan did their best to keep the scoring at bay with Oliver saving a few certain goals. Late in the quarter Amelie did a great hit out to Mitchell who did a great pass to Luke who took a strong mark and finished it off with our first goal.

As the game progressed the team tried their hardest to lift and stay in the game. Hamish and Levi were consistent in the center and back. Blair strengthened the back saving goals and getting the ball out of defence to Koby and Jess who were good support. Declan was moved to the forward line in the last quarter and fought hard to try and snag us a goal. Zaedyn was a power runner and played a disciplined game to earn himself man of the match.

The team joined forces after the game celebrating our reliable and gutsy back Jack's 10<sup>th</sup> birthday in style with a total drenching from his team mates and of course CAKE!!!

Myself and the coaches are so proud of our pack of Wolves. They always try their best and continue to get stronger and stronger.

**Leesa Curtis (U10 Gold manager)**

## U11 Girls v Zillmere

The day finally dawned on the Everton Wolves Under 11 girls first game. A nice Sunday drive out to Sandgate to take on the Zillmere Eagles, one of the better teams in the group.

Due to a late Wolves withdrawal, both teams took to the field with 8 players (2-4-2) set up not the usual 9. The game started at a furious pace and the girls were certainly caught offguard in the first all girls AFL game for 3 of the players and the other 5 all backing up from games on Saturday.

Nicole gave us a great start with a brilliant tap out but it soon ended up in our defensive area where Jessica and Georgia worked hard in the same area as the 9's and 10's have 3-4 players.

Even with large areas to cover, contact was often and hard with new player Skye coping an elbow to the cheek taking her out of action for the rest of the game. In a great act of gamesmanship, Zillmere

agreed to play 7 players with 3 in the center and the match continued.

A wide variety of sizes were seen and a big well done to Nicole for managing to drop her tackles on the smaller Zillmere players and not give away penalties, not an easy task when the players shoulder is barely above your elbow.

One fantastic portion of play invoking almost the whole team started at the backline. A kick out from Jessica to Asheka but under pressure it ended up with Jessica again who kicked it out wide to Katelyn. Out it went to Amelia and they moved it onto Nicole in a forward pocket. She had a crack at goal but was too far out and Eliza picked it up. She was forced wide but a centering kick was collected by Nicole following up her kick and she kicked the goal. The only player not directly involved was Georgie who was holding up the center square in case of a rebound. Great footy that bodes well for the future.

Asheka tried hard and will get a lot out of this first game against a bigger and taller team. She will have a better game for it next week.

Kaitlyn was as always moving and looking for opportunists and when she got the chance combined well with all of her teammates. A couple of great handpasses and kicks indicate this young lady were good to see.

Georgia ran her heart out chasing down whenever the chance presented itself and I was pleased with her "I'm not tired" attitude.

Nicole had a couple of great runs into open space until getting her ankle smashed and forced into the forward zone in tears. What a trooper as she played the game out at full speed and only at the end did she allow her pronounced limp to show.

Jessica ran and tackled all day repeatedly stopping attacks and chasing after opponents and her own kicks.

Amelia was a pocket rocket tackling the largest opposition players and having them get angry with her ability to make a contest against them She had an absolute cracker of a game and was a deserving winner of the "Encouragement Award" for her hard effort.

Seeing the girls walking off, arm in arm, bone weary, I was immensely proud of them in their first hit out as a group and I, for one, am eager to work with them for the rest of the season.

Thank you girls and parents for your continued support.

This week we are at Jindalee against Kenmore on Friday night, kick off at 7pm so please be there at 6:30pm.

Coach Charles Tibbitts

### **U13 Round 2 – Morningside Red**

Our round 2 home game against Morningside but despite the early start, the conditions were good for footy.

We started well, controlling the play and moving the ball effectively. Duncan was strong across half back with a number of marks, backed up by James M's defensive pressure and Tom's contested work around the packs to give us a good defensive start. Luke pulled off a goal saving tackle and from the movement forward, Ethan's hard work was rewarded with our first goal.

We eased off in the second quarter and let them back into the game. Our midfield continued to work hard, with Jacob strong in the contest, Sam smothering well over the ground and Stuart emerging from packs to deliver the ball well.

Andrew's second game was good with tackling and 2<sup>nd</sup> efforts for the ball but overall our defence was not where we needed it to be and we went into the break down a point.

Intensity returned in the third with more run and better ball use. Korbin lead the way, with continued attack on the ball, backed up by Doug who worked hard in packs to get the ball forward. James A provided good tackle pressure to force turnovers with Cameron again very active in play and Alyssa providing good contest inside 50. Ryan's hard work was rewarded with a great running snap from the boundary and Will E almost kicked the goal of the year so far, running of centre wing with his kick just grazing the base of the post.

The last quarter started with the scores level and the game to be won. We continued to pressure with Robert providing good defence across the wing and Grace working hard for the team to help team mates win the ball. Jahli provided great contested possessions deep in the forward 50 to push forward and Kyah contested well to get a set shot that hit the post.

We had a strong second half with some good attack and team play but could not kick straight, going down narrowly. We had a number working well across the mid field with Will E our best on ground with his hard work and constant run to win the ball.

Coach Sean Doolan

## NAB AUSKICK FREE-KICK

In the market for a home or business loan?

When you secure a loan through the NAB AFL Auskick Free-Kick initiative, a percentage of your loan's value will be contributed to your local Auskick centre via Nexus Partners.

For those Auskick parents in the market for a loan, simply complete the [online loan enquiry form](#).

For NAB AFL Auskick centres, as they are not-for-profit community groups, this is a great fundraising tool. These funds will assist the centre in many ways, including the purchase of new equipment and facility upgrades.
