EVERTON WOLVES JUNIOR AUSTRALIAN FOOTBALL CLUB

1st June 2016

A VEIW FROM THE SIDELINES

Round 7 started with our U11 girls playing a Friday night game at Jindalee against Kenmore. When we arrived the field was a buzz of activity and it made us all wish we hosted more Friday night games. This might be something we look at doing more of next year.

Saturday was another fantastic day with our own venue hosting 8 junior games along with Mayne Colt's, Reserve's and Senior's v Maroochydore. It was great to see the Den at capacity and a hype of activity. Mayne were celebrating their Reunion Day and it was great to see many of their past players returning to the Den to reminisce.

Sunday saw both of our Youth teams travel to the home of the Ipswich Cats. It was very early and cold start to the day for our U13 but they managed to warm up well. Doug Ridley celebrated his 50th game in style leading the team to a well deserved win.

Doug joined the Wolves last year after moving to Brisbane from Cairns where he played for the Saint's. We managed to track down his games history and asked the competition coordinator to update his records. If you have joined the wolves from another region and would like your games history checked please let us know.

It seems like our youth players didn't mind the drive out to Ipswich with our U15 also playing very well running away with the game in the final term. They have continued their winning streak with 3 in a row and are sitting very nicely on top of the Div 3 Ladder. A team that were struggling for players at the start of the season now have people ringing up asking if it's too late to sign up.

All of our age groups are still accepting registrations.

MATCH REPORTS

U8 Gold v Wilston Grange Black

A great game by the boys once again this week at home against Wilston Grange Black. The Gorillas arrived a player short so once again we were able to lend them a player. Thanks to each player that volunteered to pull on a Gorillas jumper for a quarter.

Julian was our captain this week and was one of the reasons we were able to get the ball out of the middle to pepper the goals so frequently. We will soon be missing Julian for a few weeks and he will be a big loss to the team. With the ball entering the forward line with such frequency all of our forwards teamed up well to capitalise. A special mention to Campbell who I think played his best game for the Wolves and finished off the first quarter with a couple of goals.

The next two quarters pretty much followed the same trend as the 1st quarter with the Wolves constantly pumping the ball into our forward line. A fantastic couple of quarters by Jai who was marking extremely well and his attack on the ball improves every week. Whilst there were great performances put in from each and every one of the Wolves, it was an "old stalwart" of the team that played his best game in the Blue and Gold. Dylan, motivated by some "extra incentive" this week and playing away from his most decorated position of defence, was like a wall constantly repelling kicks from the Gorillas defenders.

In the last quarter the Gorillas were able to get their game going gaining the ascendancy in the middle and pumping the ball into their forward line. Our defenders battled hard for the entire quarter under constant pressure. Completely against the play the Wolves managed to get the ball into our forward line for perhaps the only entry

that quarter. Dylan took full advantage and kicked a late goal seconds before the final siren. In the end it was a pretty unanimous decision to award Dylan this week's Player of the Week. Well done Dylan.

Next week's game is away at 9.00am against The Gap Dragons at The Gap High School. See you all at training on Thursday.

U10 Blue

U10 Gold v Wilston Grange Blue

It was a windy morning down at the den, with our Wolves taking on the Gorillas in which was an Epic battle. Captain Jess lost the toss meaning we were kicking into a strong breeze in the first quarter but with Hamish, Koby, Jack and Levi in the midfield we managed to kick consecutive goals via the likes of Lucas and Alan.

The 2nd term we had the wind which seemed to disadvantage us as our kicks weren't hitting the target, but the team showed good defensive pressure in the midfield and managed to lock the ball in our forward line for the majority of the quarter. In turn this resulted into more scoring opportunities and goals via Luke and Alan.

The 3rd quarter the Wolves showed once again that it was possible to score into the wind via Luke and Koby.

The 4th and final term was Awesome, Wilston really struggled to score into the wind with great defensive pressure from Hamish, Levi, Jack and Lucas. The Mids used the wind to their advantage kicking long to Zaedyn up forward which meant 1st year player Declan was able to show his Magic kicking another Goal.

It was REALLY impressive to see that the effort at training was really paying off, the Team played as a Team. Everyone knew their role, the Defenders defended, the Mids attacked the ball but defended when the ball came the other way, the forwards gave each other space and worked together to make the most of each others opportunities.

Player of the Match went to Luke, He showed the way up forward managing to kick goals but as well setting up goals for his team mates.

Overall I was extremely proud of the whole team, Proud that we managed to show a really strong team that we were no walk over. I look forward to the teams development in the weeks to come.

Coach Chris Davies

U13 Round 3 – Ipswich

It was a cold windy start for this week's game away at Ipswich. Doug led the team out for his 50th game and the team were keen for a big game.

We started a bit slowly despite the wind but Grace soon got the team going after a couple of solid tackles to force turnovers. Rhys' strong tackling and work with James M off half back helped to keep them scoreless while Atticus' pressure up forward and recovery off the ground gave him a chance to snap the only goal for the quarter.

The game tightened in the second quarter as the Cats scored early to take the lead. Sam's run and tackling along with Luke's pack work to force bounces helped to take momentum back. James A chased down opponents to create turnovers and Jahli attacked the ball well up forward to keep the ball in our 50. Andrew worked hard all game and was able to emerge from a pack to kick a goal, giving us the lead at half time.

The Cats got the jump on us after half time with two goals in the first few minutes and we needed to lift to stay in the game. Will C read the play well, to cut off their attacks along with Duncan who won a three on one contest to rebound the ball and get us into attack. Doug was contesting across the centre line and Kyah led strongly from half forward to keep the ball in our 50. Cameron was able to capitalise with a snap give us a 3 point lead at the last break.

The game was up for grabs in the last quarter as we kicked into the wind. WE started well with Ryan bouncing back from a heavy knock at the end of the 3rd to contest hard up forward and kick a goal. It gave us breathing space but the Cats responded quickly with one of their own. Will E was good across half back, breaking tackles supported by Tom who took a couple of important intercept marks to limit their scoring chances. Jacob and Korbin continued to put their heads over the ball to win it with Ethan and Duncan both kicking goals through their hard running to seal the win.

It was a great result for the team, being challenged numerous times throughout the game and responding well each time. It was great to see the reward for effort for the team and to see Andrew and Cameron kick their first goal. Our best player this week was Grace for her tackle efforts throughout the game the driver to get the team going.

NAB AUSKICK FREE-KICK

In the market for a home or business loan?

When you secure a loan through the NAB AFL Auskick Free-Kick initiative, a percentage of your loan's value will be contributed to your local Auskick centre via Nexus Partners.

For those Auskick parents in the market for a loan, simply complete the [online loan enquiry form](#).

For NAB AFL Auskick centres, as they are not-for-profit community groups, this is a great fundraising tool. These funds will assist the centre in many ways, including the purchase of new equipment and facility upgrades.
