

Today the short trip to Woorinen sees us looking for those elusive wins. While last week was tough on our footballers with only the U12s bringing home the win, netballers saw mostly comfortable wins, unfortunately dropping the A Grade.

**Seniors** While competitive to half time, it blew out in the third quarter. Nyah's nine goals to our one meant the game had been won by three quarter time; however the Dogs still fought it out gallantly in the last quarter. Good to welcome Brock Shiels to the fold in his first game of the season.

## Netball

Last Sunday's catering at the Zones saw many of our club members give up their time to feed the crowd. Well done to those who donated food and to all the helpers. Great club spirit allows us to host these events with our 'can do' attitude and it's terrific to see the U17s progress to Melbourne for the next round with Laura Anderson and Zoe Spence Benfield in the team. Well done also to Maddie and Ariana (15s) and Lily and Tarni (13s), both sides making it to the finals but bowing out.

A Grade suffered a loss against the Demons and while our defenders battled hard, we were just flat. We're going to have to really turn it on this week against the Tigers and bring back the spirit we lacked.
