Matt Dunn Report

Kangaroos v Warrnambool

In round six we hosted Warrnambool on another perfect day for football. Both the under 18.5s and reserves started the day off well for us with good wins to go into the Interleague break 3-3. The senior game unfortunately did not bring the same result as Warrnambool demonstrated why they have been such a strong team over a long period of time. We fumbled the footy and let ourselves down with our ball use, Warrnambool making us pay on the scoreboard for every mistake. At half-time we were eight goals down and in need of a 'spark'. A goal in the first 20 seconds after the main break looked like the perfect start, but then the Blues took control again; and despite our backline working overtime and fighting it out to the end, Warrnambool had too many options, and all the momentum, their 'forward entries' being much more regular and cleaner than ours; generally playing a great brand of football, to eventually take the game by fifteen goals. It was a game that we can take a number of lessons from, in particular focussing on stronger tackling, cleaner in our 'ball handling' and being more prepared to provide protection for our team mates. Hopefully we can tidy up these areas, to play the high pressure, hard running football that we have already shown we are capable of.

Kangaroos v Pt. Fairy

We headed into the game with two big 'outs' Kane Uebergang with work commitments for three weeks and Josh Pepper who has moved to Mildura also due to work related issues. Josh has been cleared to South Mildura but we hope to gain Josh's services for one or two games before the end of the season. Pt. Fairy had control of the game in the opening ten minutes, kicking the first three goals through hard running and our lack of accountability; and to make matters worse Luke Uebergang injured his knee early in the game. We steadied in the middle part of the quarter with Brady Hicks working hard through the mid-field; and sixteen year old Tom Scott presenting well across half-forward, however Pt. Fairy finished the term strongly to hold a five goal lead. The second quarter was better for us, a bit of an 'arm wrestle' for the first few minutes before we started to control play for a 10-12 minute patch where we had some good passages of play before Port kicked away again late in the quarter to hold a forty point half-time lead. The third term was arguably our worst for the season. We turned the ball over far too easily, our defensive pressure dropped off and it was hard to find any positives after Pt. Fairy had 14 scoring shots to our 1. At three quarter time the message was simple - go back to basics and

Matt Dunn Report

double our efforts. The final term did bring some better signs, a dramatic increase in effort that we were looking for, led by Jarrod O'Brien's attack on the ball and fierce tackling. Hopefully we can find that sort of energy from the opening bounce today. Eighteen year old Jack Sutherland played his best game on Saturday kicking three goals, presenting well and using the ball to advantage. Angus Noske also performed well, with plenty of run off half-back and attacking the ball with purpose. On top of Luke Uebergang's injury Nathan Curtis found out on Monday that he had a fracture in his back. This injury occurred in the practice match against Ararat, meaning that he has been playing in some discomfort for the seven rounds. Nathan is likely to be out of action for about a month. We wish them both well and hope to see them back soon. Sadly we say farewell to Paul Cox, who has headed home after some pretty impressive performances in the opening part off the season. Everyone will be looking forward to having Paul and Kamus Gordon back later in the year.

Kelsey Lewis Report

Kangaroos v Warrnambool

Once again we faced a huge challenge, knowing that to achieve our first points of the season we had to put in four consistent and patient quarters; and that's exactly what we did! It took us a few shots to get going, but once our belief in each other and confidence level rose, there was no stopping us. Our full court defensive pressure really stepped up, allowing us to make numerous turnovers. We were releasing the ball to our first options, then moving, driving, creating great passages of play down the court that regularly payed off. Aliesha McDonald and Bec Langley were holding up well against strong defenders in the goal ring, while Rhianne and Tay were making intercepts at the other end of the court and WD Emily Kermeen was applying heaps of pressure through the mid-court. A couple of changes at half-time, Emily going into GD and Bec Van Kalken to WD, allowed us to really 'put the foot down' leading to a 12 goals to four quarter and extending the lead out to four. Going in to the final term, the message was clear - all the girls knew that they had to work hard and push right to the final whistle. Everyone in the team played a brilliant 'team effort' game. The positivity and encouragement was phenomenal. It was a great game to watch! Heads up now girls, let's keep working hard, pushing and deserving of more wins. Final score 46-39 Best Players Bec Langley & Rhianne Lewis.

Congratulations to Rhianne Lewis who played her 100th senior game for the club on Saturday. Congratulations also to Emily Pertzelt, Danielle Van Kalken and Chloe Plunkett who will represent the Hampden League's under 17s team, and Rose Wombell on her appointment as coach of the Hampden Under 13s. Best of luck from all Kangaroos Players, Coaches and Committee Members.

Kelsey Lewis Report

Kangaroo's v Pt. Fairy

Aware that this would be another fierce encounter, our girls came out 'firing' starting the game really strongly, making a couple of intercepts, we worked the ball into attack perfectly which allowed us to score. Towards the end of this term our driving tapered off and we turned the ball over with often through poor decision making, however we were only two goals down going into the next quarter. We knew that the game would be tougher and more physical from this point on. In the second quarter we tried to force the ball into the circle rather than play the patient and controlled game that we played last game against Warrnambool. Half time scores 19-25. Our third term saw our goalie still trying to force shots and along with a few errors that enabled Pt. Fairy to put on seven goals to our four. We kept our heads; and pushed hard right to the final whistle, but unfortunately not able to close the gap. But there were lots of positives to take out of the game. At times we had some brilliant passages of play down the court. Let's keep our chins up and keep working hard. Final score 30-45 Best Players Jo Bowie Dally Cottrill and Bec Van Kalken

Boomers Match May 21st 2016

The Boomers are pleased to welcome two new sponsors in the Commercial Hotel Social Club and the Lakeside Motel. We greatly value the support from the Hamilton Community.

Boomers V Grampians Giants match at Melville Oval played last Saturday as an enjoyable curtain raiser for the interleague game between the South West and Mininera Football teams. Both teams played similar game styles with dashing and bouncing efforts from an individual player mixed with close fought tackling contests for most of the rest of the play.

Due to confusion around the length of the game both the Boomers and the Giants can rightly claim a win. How so you will no doubt be asking? The crowd would have been wondering too if they were trying to follow the game on the score board.

Unbeknown to the players and at least the Boomers coaching staff the length of the official game was 30 minutes in two fifteen minute halves and when this period was completed Giants lead 4 goals 3 points to 2 goals 6 points. However the play did not end here, even if the score board did. The players huddled and the coaches sent their teams out for a third period where the Boomers played well to add 2 more goals and a couple of points to finish ahead of the Giants. (4-8/32 points to 4-3/27points). A bewildering situation since previous matches this year was played over four ten minute quarters. Next time we will make sure we know where the finish line is.

Goals; Tom Brody 3, Neil Rowe 1

Best Players; Tom Brody, Adam Bunworth, Neil Rowe, Michael Hillman, Daniel Whennen, Brooke Cunnington, Craig Frances

The Boomers next play on July 9th at Melville Oval against the Wimmera Whippets. We hope to see you at this game to support the players once more.
