

## **Northside Wizards Basketball Junior Representative Program 2016-17 Information for players and parents**

### **Selection trials**

Dates have now been published on our website. Players should attend all trial sessions for their age group. If you are unable to attend all sessions please advise the NWB coaching director Don McCarron via email [coach@northsidewizards.com](mailto:coach@northsidewizards.com) Following the trials, players will be advised whether they have been selected for a team and training days/venues will be confirmed. Training will commence in late July.

Players **MUST** be on time for the trials as uniform fittings are required prior to the first session.

### **Season dates and commitment**

Players will be expected to attend twice-weekly training sessions, together with home and away games in the BQJBC competition, usually on Saturday afternoons between September 2016 & March 2017 with a break over the December/January period. Players are also **required** to attend the State Championships for their age group, details of which will be made available on our website together with the BQJBC calendar.

### **Representative program fees**

Junior representative fees will be approximately \$850 per player and instalment plans will be available. The final amount will be communicated to families before the completion of the selection trials. Players will also be required to purchase a playing uniform and apparel. Travel & accommodation costs for tournaments, including State Championships, will be an additional cost. Teams will be encouraged to fundraise to offset the costs.

### **Scoretable**

All families are expected to assist with scoretable duties for BQJBC and State Championships. A Level 1 Scoretable course will be provided.

### **Registration process and transfers**

All players are required to register and pay online for the trials on our website [www.northsidewizards.basketball.net.au](http://www.northsidewizards.basketball.net.au)

Players who last played representative basketball for an association other than Northside Wizards must obtain a "BQ Player Transfer" form signed by their previous association to be eligible to participate in the Northside Wizards rep trials, and an exemption form if they do not meet the Northside Wizards eligibility rules. Please email [administrator@northsidewizards.com](mailto:administrator@northsidewizards.com) for a copy of these forms.

Further information will be provided over the course of the selection trials. Specific questions can be directed to the Northside Wizards Coaching Director Don McCarron [coach@northsidewizards.com](mailto:coach@northsidewizards.com) or Cathie Roberts [administrator@northsidewizards.com](mailto:administrator@northsidewizards.com)
