CHEER LOUD! CHEER PROUD! GO PHOENIX CLIPPERS!

FROM THE PRESIDENTS DECK

Dear Sponsors and Supporters,

Congratulations Phoenix Clippers Supporters, the whole shack was shaking with another full house last Saturday. It is a credit to everyone who comes along to organise, manage, coach, play, and support our game. If you ever wonder why so many put their time and money into staging these nights maybe the below will add some light.

"The Phoenix Clippers may not have won, but my husband and I both wanted you to know how much our family and friends enjoyed the Home Game on Saturday night. Our son Connor also chose to celebrate his birthday by watching the game with some of his friends. There was something for everyone. The adrenalin was pumping and it was a whole lot of fun. It was also an absolute thrill that our daughter Mia got to meet some of the Phoenix Clipper Players before the game (Thanks Deb) and she has not stopped talking about it since. I also wanted to say how easy it was to book tickets online and to say how great it was to be greeted by friendly game loving volunteers and to partake of all of

*the canteen goodies. We cannot say thank you enough.
Kind Regards, Henrika and Glenn"*

Our new venue construction is back on track with the long anticipated walls and steel beams on site and ready to be installed over the next fortnight. It really is coming to the pointy end. This means we need every one to come together in what will be a massive collective effort over the coming weeks to ensure the Club gets the best possible outcome. Today's volunteers will be a part of something very special for decades to come. Please like our Clippers Crew facebook page to get posts on how you can help (@Clippers Volunteers) Our juniors have a two week break for school holidays but there is plenty of basketball on over the holidays with Junior camps for all levels and ages. http://www.sportingpulse.com/assoc_page.cgi?client=1-4923-0-0-0

If you are looking for a great night out this Friday the Phoenix Clippers take on Rockhampton with tip off at 6.00 pm.

COACHES CORNER WITH GREG KENT QBL WOMENS HEAD COACH 2016

Well last week's game against Brisbane was hard to take. As I always believe we were the better team. Again the small lapses cost us the win. Along with some poor referring decisions which also made it a tough night. But Lets not blame the refs. Because we need to control what we do on the court. We need to fight and scrap harder against teams in this league.

So onto to this week game against the 2016 Champions in Rockhampton at the Clipper Dome. They will be a very tough team to play. There are very good players on this team and have a good coach who will prepare an excellent game plan. But we will be up to the fight. We need to turn our season around as we still can make playoffs. So a big call out to the Phoenix Clippers fans our ladies need you to get behind them as they fight hard for you and this club.

At Your Service Gourmet Catering has been operating in Queensland since 1998. We are mobile food caterers providing quality catering for functions as diverse as weddings, parties, corporate functions, funerals, presentation nights and cocktail parties. We have a solid client base catering to Sunshine Coast residents and to all suburbs of Brisbane.

We cater for special dietary needs including *gluten free, vegetarian and halal*. We have worked through and adapted our menus so that the majority of our range is gluten free. We are able to provide a completely gluten free feast, include hors d'oeuvres and desserts. One of our accomplishments was to provide a gluten free totally vegan wedding banquet. The outcome was very well received and the bridal party were very impressed. We will work with you to ensure your guest needs are catered for. We are happy to discuss menu options in regards to any allergies and if guests require nut free, dairy free or any other special dietary consideration.

We use only the highest quality and source the freshest produce from the local area. All food is prepared fresh daily in our licensed commercial kitchen where we follow food safety standards.

When entertaining at home, you want to know that your food catering is going to be of quality and quantity to satisfy even the fussiest of guests. We know from our many positive reviews that you will be satisfied with our food and service.

COACHES CORNER WITH WARWICK MEEHL QBL MENS HEAD COACH 2016

Clippers men had a tough loss on the weekend, after a much improved week of training we met the back to back grand finalists Brisbane We matched them bucket for bucket until the end and held a 1 point lead inside the last minute but we were not able to finish this off and lost a close game. This is a sign that we are capable of competing with the best teams in the league however we cannot let too many more of these opportunities slip as Brisbane is now ahead of us and we are tied with Logan in our pool for the second playoff spot with 3 extremely difficult games in the next fortnight. We trained well on Monday night but Tuesday this week the standard dropped and I am disturbed by this we have one more video session and a light training on Thursday to get our act together and find a way to beat perennial finalists Rockhampton on Friday night. There are a number of areas we can improve on from last week's game and need to approach this week with an uncompromising attitude. Competing well with the top teams is one thing defeating them is another and we must approach it with a must Win Attitude. Import Eric McAllister was due back this week but will now return the following week leaving our task to contain Rocky's forwards a little more difficult.

COACHES CORNER WITH BRAD SIBRAA SBL MENS HEAD COACH 2016

The Clippers SBL Men played one of the power house's in the SBL on Saturday the 18th and they come out with a different attitude and took it right up to Brisbane Capitals in the first half. The Clippers SBL men should hold there heads up as the difference between the game against the Capitals and the week before against Toowoomba was world's apart. This week see the Clippers SBL Men play another Sunday game against Brian Kerle's South West Pirates at 11.30am
