

A Kit Kat for those that spotted my blunder last week- I was a week in front and apologies to the Mallee Eagles. It was terrific to host them last week. In welcoming Balranald THIS week we expect some good clashes on the field but a quieter day on the courts with fewer games being played. Our netballers again performed at a very high level last week and it was a good day at the "Kennel", winning the two football games, Colts and U12. Our senior football teams were beaten by more experienced Eagles outfits but coaching teams are happy with the continued development of our young players. Our 14.5 side keep plugging away and hope to have a good day today.

Seniors –Our boys played a good game last week and narrowed the margin from the Round 5 matchup. A few minutes of lapsed concentration in each quarter overshadowed an otherwise tight performance by the dogs.

Resbies A few weeks back it was fitness that let us down when we made the trek to Lalbert. Last week showed up our lack of commitment when we couldn't come together as a team to reign in the superior Eagles. More numbers on the training track will bring us closer.
