# President's Report 2013

On behalf of the Osborne Football Club I would like to congratulate our Under 17's team 2013 Premiership team, along with our C Reserve Premiership netball team...what a wonderful achievement! The future of our Club is looking good with many bright young stars playing in our premiership team! Special mention to our Under 17's captain Lachie Lane who was awarded Best on Ground for the Grand Final game and who represented his family, the team and our Osborne community in a wonderful way on Grand Final day.

Thank you to Stephen Clarke who has done a great job as Coach of our Under 17's team. 'Buckets' has developed the boys into a great team. He has improved the boys' skills individually in preparation for the boys to become senior footballers. Stephen received great support from Jason 'Spud' Webster (Assistant Coach) and Geoff Lane (Team Manager)...what a great team they made!

I would like to take this opportunity to congratulate Daniel, Jai, Stephen, Wayne, Craig and their team managers for their commitment and dedication during the course of the year. You have done a wonderful job again this year!

To our First XVIII's and Under 14's team's congratulations on playing finals football in September...a great effort, with the opportunity to come back next season and go one better!

To all of our support staff, your work and assistance is greatly appreciated by all the players, their families and the committee...Thank you!

To everyone involved at our Club, thank you for helping out with catering for the grand final. It is a huge day and we really appreciate your help. The day was a great success for our Club, thanks to our many volunteers. Special thanks to the Ladies Auxiliary who did a great job on the day and all throughout the year to run our fabulous canteen at Osborne.

Congratulations continues, at the HFL vote count with Jacob Chant having an outstanding year winning the Under14's HFL Best and Fairest and Lachie Lane who was runner-up in the Under 17's HFL Best and Fairest and to Liz Lane who was awarded Osborne's Club Volunteer of the Year award.

It is with great appreciation that we thank our fantastic sponsors for their many contributions in 2013 season.

Congratulations to all the award winners on Presentation day and we look forward to seeing your skills again next season.

2013 was a huge year with many improvements undertaken. Stage 2 of the pavilion upgrade was completed which gives us heaps of room to catch up after the game and provides our Osborne community with a fabulous venue to use all year round. A new mower was purchased to maintain the magnificent surface at our ground and new goal posts were installed during the year, providing us with an amazing facility to play football at.

In 2013 Osborne Football Club established a CSU scholarship to support a student at either the Wagga or Albury/Wodonga campus who is studying and interested in playing football for OFC. We would like to congratulate our inaugural winner, Max Baldissera who has had a great year at our Club.

I wish all in Osborne community an enjoyable summer...good luck to the Osborne Cricket Club for their season and I look forward to seeing you all again next season back in the black and gold!

GO CATS

# Rec Ground Report

I would like to congratulate the Osborne community for the huge effort they have put in over the off season. Listed below are some of the many jobs that were completed since the Tuesday after the 2012 Grand Final.

- Remove old netball shed and concrete
- Remove and replace drainage pipes on septic tanks
- Construct netball shed (pictured right)
- Re-sheet gate shed in colour bond
- Re-sheet the two netball interchange sheds in colour bond
- Purchase new ride-on gang mower
- Remove large gum tree behind point post
- Remove pine tree behind interchange box
- Remove old light tower
- Purchase and erect new goal posts
- Re-mark ground using GPS so new goal posts line up
- Spray oval four times, reseed with rye grass and fertilize
- Fix sprinklers on oval
- Purchase and install new hot water systems for footballers showers
- Convert tennis shed to shed for mower
- Lay concrete in netball shed
- Fit seats into netball shed
- Repair leaking pipe under plastic tank
- Spread gravel around netball sheds
- Spread gravel around playground
- Fix up drainage around sheds
- Paint showers in football change rooms
- Many small maintenance jobs

And on top of all these jobs we managed to complete Stage 2 of the pavilion up-grade (Pictured below). This job alone had **81** different people work on it for a total of **1456hrs** of labour go in to it. A large portion of these hours have been voluntary, which means we have completed Stage 2 well under budget.

A great effort from everyone involved. We have built ourselves a hall that we can all be very proud of.

As there is too many people to thank individually I would like to thank **everyone** for their hard work and generosity, it will be enjoyed for years to come.

# Trainers' Report

2013 proved again that we have very committed club members in our ranks. The numbers of OFC trainers swelled this year when we had four new members join us as qualified trainers.

Helen "Mummio" Schmetzer, Jo Galvin and Michelle Forck 'remedial massage' we also had Fraser Jones who has completed Cert 3 fitness and coaching as well as a Level 1 trainers, they all joined Sid, Simone Alexander, Simone Dray (Third year physio student) and myself to form a team of dedicated trainers that are committed to the health and safety of our players.

The girls have learnt quickly on the job and the new skills Michelle Forck and Simone Dray constantly bring to our Club are invaluable.

OFC are very lucky to have such a great number of trainers, most clubs work hard to secure one trainer.

Simone Alexander, Simone Dray, Fraser and myself as sport trainers completed an advanced first aid course that enables us to give oxygen and spinal care to players in need. This course will be completed annually and we are sure that all our trainers will be qualified to perform these duties in the coming season. Simone A, Simone D and myself will be hoping to upgrade to a Level 2 sports trainers qualification this year.

The Hume Trainers Association had a wonderful anniversary dinner celebrating 30 years of registered trainers in the League and as an Association. OFC have a Hume League Trainers Association legend in Keiran "Sid" Gleeson, Sid was presented with an AFL award for 30 years as a registered trainer for dedication and service to the league. Mr John Ryan senior was posthumously recognised by the League for his assistance in helping to set up the HLTA. Congratulations to Sid and the Ryan family.

A big thank you must also go to the hard working team of Bob and Stuey who have worked for many years helping to prepare players for the game.

Osborne does have a great team of trainers and assistants, but we do notice if anyone can't be there on the day, that's how valuable each individual's input is.

On behalf of myself and the 'T' team we look forward to seeing everyone back next season.

**Fran Jones**

**HEAD TRAINER**

# Ladies Auxiliary

Thanks everyone for their support and help throughout the year with catering on game day and for other events during the year, including birthday parties, funerals, reunions and our Hume League Grand Final catering which involved many volunteers doing many hours of work before and during the day.

The highlight of 2013 was the extension and upgrade of our Pavilion. Thanks to Jason Webster for being the prime mover behind this and to Russell Heyme and Silva for their hard work and to all volunteers who have made this possible. We are extremely pleased with the end result, which will make catering for events at Osborne much easier for everyone.

We are very pleased to once again sponsor our junior teams, Midgets, Mods, Juniors and Inters netball and Under 14 and Under 17 football team with canteen and sock awards.

Thanks again, and no doubt another busy year is ahead in 2014 with Stage 3 of our Pavilion upgrade due to commence in January.

Thanks to Debbie (Treasurer) and Liz (Secretary) for their help and support during the year. The Ladies Auxiliary look forward to the continued support of all in the new year.

## SENIORS—2013

Back: Simone Dray, Fran Jones (Trainers), Max O'Connell (Manager), Andrew White, Malcolm Douglas, Will Lane, Max Baldissera, Simon Lane, Darcy Judd, Ben Davis, Luke Heyme, Djali Bloomfield, Matt Clarke, Nicholas O'Connell, Fran Jones (Trainer), Robert O'Connell, Shayne Weidemann (Selectors)

Front: Tom O'Connell, Martin Bahr, Josh O'Connell, Matt Klemke, Jamie Parr (Capt), Daniel McAlister (Coach), Hayden Gleeson (Capt), David Guttler, Luke Adams, James Kennedy

After finishing on such a high note in 2012 (Premiers), our initial expectations for the 2013 season were very promising. Until players of the ilk of Rory Muggivan (Lavington), Trent Perczyk (Melb), Peter Heath (work), Stace and James Creasy (MCUE), Ants Armstrong (Age), Steve Crowhurst (Work) and Andrew Clarke (OS) moved on and left us in a situation where we had to re-build as opposed to topping up an already impressive list. The season started in November, with our initial pre-season sessions, and we still hadn't replaced any of the marquee players we had lost. The New Year was positive as we signed Mal Douglas, Brendan Dess, Darcy Judd, Max Baldissera and Alex Rowell. Our annual trip to Talbingo was a great weekend and a great foundation stone for our season.

After three rounds we were winless and labouring in second last position on the ladder, we went on to win 10 straight matches, picking up Djali Bloomfield along the way and finish the home and away season in 4<sup>th</sup> position. This is a true testament to the resilience of this group. We were able to overcome finals new-comers CDHBU in an uninspiring manner; we would have to face the red hot Holbrook in a Minor Semi Elimination Final. I felt we had all the momentum at the half time break, but after that we were clinically dissected by an apparently more hungry and determined side.

The key to any title charge is the ability to have your best team fit at finals, yet we were never able to get the balance right at any stage during the year.

++ Premiers for year

The bleeding of some exceptional young talent was a real highlight, including Matt Klemke, Jacob McDonnell and Connor Galvin, who topped up on his 2012 tally. Clint and Brayden Ralston, Luke Emmerton, Will Lane and a cameo from Jai and Ringa, all showed signs of improvement.

In summary to finish the season in 4<sup>th</sup> will reflect that we placed higher than nine other competing sides, and that the sides above us were probably deserving of their shot at the title.

Congratulations to Buckets, Spud and the U17's boys. The future is extremely positive with the amount of talent in that group. How can I overlook the efforts of our C Reserve Premiers Girls? You are an inspiration for our Club, and I am sure I will continue to hear about it long after it's 12 month expiry date.

May I take this opportunity the express my thanks to the many Osborne support staff, volunteers, and officials. The work you all do cannot be under estimated and without you, the place would not be the same one I have come to love, in my short time.

Firstly to the dedicated, talented, uncompromising, stunning and patient Liz Lane. My attempt to get reports to you on time were not one of my finest. Yet you would always greet me with a smile.....then a stare that would melt the polar ice caps! Your tireless work cannot be under estimated and your family are foundation stones for our Club. In what will more than likely be my last year at the helm, I would get great pride in seeing all the Lane boys running around in a Senior match for the club.....!( So can Lachie play?)

To Jo and the kids, who have embraced the Osborne culture with both hands and supported me so much, although after an inspirational C Reserve Premiership, Jo thinks she should be President or something. So look out Tania!

To the players, including your wives, partners and families, who sacrificed so much to meet the expectations I have set for our team. I understand the strains a football work load can put on a family, so I take this opportunity to thank you for your support.

Jason and the Committee for having faith in the direction we are heading with the playing group. The kids who are recruited on game day to take the stats that we as coaches find invaluable. Peter McDonnell for personally providing me with a refreshment at the end of each quarter.....Take note Dave, you are slipping. But you did a great job too!

We are blessed to have some the most committed Trainers in the region, lead by Fran and supported by Simone A, Forky, Stuey, Bob, Jo, Simone and of course Sid.

To the amazing chefs on Thursday night, and later Tuesday's also, it means a lot to the group to have a meal with so much expertise put into it.

Peter Mc, Dougo, Wayno, Ants and Dadio, Thank you for your efforts in harnessing and developing the rich talents in our juniors.

To my dedicated inner circle of Champions and all time greats. Firstly to Wal and Ringa for relaying the benches countless messages. Max, for not only being a great manager, but for your words of wisdom over a quiet beer. Jai whose dedication and hard work wasn't lost with me. Your understanding and patience on game day when I would take one or two of your best players was appreciated. My on-field leaders in H, Parry, Shagger and Mal, thank you for your support and leadership on and off the field ensuring we had a tight knit group. Nobby and Weids, I am very blessed to have the guidance and direction from two of the most outstanding people I have ever met. You support me unconditionally and give me the opportunity to develop and learn from my mistakes. You have taught me humility as I cannot begin to consider myself in your league, yet you are both two of the most humble, hard working club men; and huge assets to this great Club. I look forward to future challenges and successes, with a dream of once again bringing home the Premiership cup.

Finally to GT, I cannot begin to thank you for getting myself and the family to Osborne, it did take a little while and I look back and wish I had come earlier. Osborne is the greatest Club on earth, and I will leave no stone unturned to ensure that my time as Head coach, will be a legacy that is worthy of this great Club.

With the footy season coming to a close it's time to look back and reflect on a year of ups and downs. Although the paperwork indicates around 49 players cycled through the seconds, each week was a struggle for numbers and that leads me to my first thank you to the Under 17s that regularly put in huge efforts to play two games and then thank you to the men that came out of retirement and/or battled so hard with injury to ensure they didn't let the Club down. Efforts like this are definitely appreciated. Thanks to Daniel McAlister, Shane Weidemann and Robert O'Connell your help is priceless. Thanks to the army of people that help to get a team on the track each week especially Jack Gleeson who never misses a week or a beat, well done mate. Then there are two guys that have one of the toughest jobs of them all, running the bench, thank you Wayne Galvin and Leo Driscoll it couldn't be done without you guys especially at 12:29 game day when still hunting for players.

For a year that had its struggles it still amazes me how close our amazing community of great people actually is, from the extensions on the club rooms, the golf day, the 'Cap of Courage' trip and the tireless army of volunteers that did a brilliant job with the GF catering.

It's these things that make me proud to be part of OFC.

Go Cats!

In taking on my first coaching role I have enjoyed getting to know the U17 footballers, and their parents as the season has progressed.

It started with the football camp to Talbingo including the seniors and ALL the support staff. It ended with a premiership!

The U17's were a pleasure to coach. They enjoy their footy and play the game with true Osborne spirit. This year we had 20 U17 players, a rare situation in country footy. Of those 20 players there were ten playing their first season in the U17's having come up from the U14's.

Most weeks due to injuries and player unavailability we relied on three to five U14 players to back up and play for the U17's each week. So with a youngish list - for the boys to only lose two games during the home and away season and finish minor premiers was a tremendous effort. On grand final day it was the first time for the year that we were able to field our 20 U17 players. To win the premiership was simply fantastic and the way the "boys" conducted themselves as both Osborne footballers and young men on and off the field is nothing short of impressive.

To ALL the people involved with the U17's a big thank you.

## UNDER 14—2013

Back: Thomas Gooden (Capt), Alex Atkins, Tom Schneider, Ben Schneider, Bill Alexander, Jacob Chant, Angus Malmo, Duncan Howard, ..... Zac Farrall, Wayne Galvin (Coach)

Middle: Brent Alexander (Runner), Andrew Schmetzer, James O'Brien, Daniel Madden, Kyle Schmetzer, James Ryan, Ronan Hunter, Xavier Atkins, Joshua Forbes, Simone Alexander (Trainer)

Front: Helen Schmetzer (Manager), Bailey McAlister, Royce Hunter, Macauley Armstrong, Hugh Schmetzer, Lachlan Armstrong, Clancy Galvin

Absent: Tyh Evans, Jack Carey

The 2013 year for the Under 14's was a very good one. Although we didn't taste premiership glory, the boys acquitted themselves well all year and did themselves and the Osborne Football Club proud.

Highlights for the year would definitely be Chanty winning the League medal for being the Best and Fairest player. Chanty had a terrific year and with Tex led the side brilliantly; the other highlight would have to be beating Lockhart. The emergence of some of our younger players, Josh H, Josh F, Eddie, Royce, Nugget and Hugh was great to see and puts our side in great stead for years to come.

Our older age group of players played great team football and always puts the team first. I wish them all the best playing Under 17's next year and I know they will enjoy the challenge of 17's football.

Lowligh for the year was definitely losing our co-captain Bagga (Thomas Gooden) for the year. I hope everything goes well with the recovery and hopefully it won't be too long before we see him back in the yellow and black.

Thank you to everyone who helped out this year, it was very much appreciated.

We had 25 Auskickers registered plus a few others registered in Wagga.

Craig Douglas was our coach, and a great coach at that! We are so lucky to have the calibre and keenness of someone like Craig.

From the start of the year, the boys have improved out of sight. Craig teaches the skills of football—holding the ball correctly when you are going to kick, handball, marking, where to run and not to run, marking etc..

The highlight of the year was the Rand Carnival in which we entered an Under 8's and Under 10's. Our Under 10's were Runners-up, a great effort considering our side only had nine players all day.

Thanks to Craig Douglas for coaching the 10's and Brad Chant the Under 8's.

Thanks to the parents for their help in umpiring, help before the game and on training nights. Thanks to Elizabeth Lane for interpreting my rough reports and doing such a great job with the crier.

Till next time ...

# Netball

Once again we fielded all eight grades of Netball. Congratulations to our Juniors who made it through to the Semi Finals, and to our C Reserve team who took out the Premiership from 6th position. It was an exciting time for our Club, as it has been 12 years since a Senior Netball team at Osborne has won a Premiership.

Like past seasons, our Mods and Midgets showed a lot of talent and progress in their netball development, which indicates a bright future for our Netball Club. A lot of young talent around! Sarah and Josie Kennedy have done an amazing job with these girls. Hopefully next season will see the Mods as a competitive grade.

Congratulations to Sally Hunter for getting the Intermediates Runner Up in the Hume League Netball Association this season. Sally missed out on the Best and Fairest by one vote.

Congratulations to Liz Lane who was named Osborne's Volunteer of the Year. Liz does so much for the Osborne community in general, and we are very happy she is at our Club!!

Congratulations to Mel Guttler, Annabel Bender, Grace Alexander, Sally Hunter and Steph Noske who all represented Hume League in the Netball carnivals and/or Interleague matches throughout the season. I'm sure it was a great experience for them all. Our club was very proud of you all.

A huge thank you must go to all our Coaches and Team Managers for season 2013. It can be a thankless job at times, however, on behalf of ONC, we do appreciate the time and commitment you gave to your role this season. The Club would not have functioned well without you all. Everyone always has an opinion on how things should be run, how players should be graded, and where players should play, but it takes special people to put their hand up to coach and mentor players, and look at the big picture, and not individualise things.

Our Coaches and Team Managers for Season 2013 were:

A GRADE - Liza Gooden and Bonnie Schneider

B GRADE - Michelle Gleeson and Bonnie Schneider

C GRADE - Helen Schmetzer and Denise Willis

C RESERVE - Tania Gleeson and Maryanne Chant

INTERMEDIATES - Tena Briggs and Kellie Noske

JUNIORS - Paula O'Connell and Dominica O'Connell

MODS - Josie Kennedy and Jo Malmo

MIDGETS - Sarah Kennedy and Melissa Galvin

A big thank you must go to our Umpires - especially Louisa Reynolds (who was new to our Club this season - yes, thank you Helen Schmetzer!!), Suzanne Cheney, Liza Gooden and Michelle Forck who umpired regularly for us this season. It is really important that we have competent umpires across all the grades, so mistakes are picked up immediately each week, so players learn. Many teams/players get away with infringements all season due to sub standard umpiring, however should these teams make finals, the strict and consistent umpiring during the finals soon addresses these infringements.

Hopefully early in 2014, ONC will conduct more umpiring clinics to help develop players and non players at our Club who are interested in umpiring to gain more knowledge, confidence and competence, so they can umpire our teams well, and hence aid in player development.

To all our ONC players and non player members - It is always hard to please everyone, however, I hope you have all had an enjoyable year at our Club. This season we welcomed a few new faces in Josie Kennedy, Kelsey Leaver and her family, Louisa Reynolds (as mentioned previously mentioned), Claire Baxter, and Annalisa Richardson.

To all our current and previous players who made a return to the court, thank you for being part of our Club. Your loyalty is greatly noticed and appreciated.

Thank you to all the players and their family members who supported our fundraisers. Without your participation, we would not be in a position to strive towards completing many projects around our court, to improve the facilities which we will all benefit from. We still have much work ahead of us - especially as we aim to get Stage 3 of the Pavilion upgrade completed. So please help out in any way you can when calls are put out requesting assistance.

Our ONC was fortunate enough to get \$7000 sponsorship from the NSWNMA which we are truly grateful for. Their ongoing sponsorship has helped this Club achieve many things sooner. They have given the ONC \$22 000 in the past four years. Bendigo Bank is another generous sponsor of our Club in general, providing a \$20 000 grant which will go towards Stage 3 upgrade of the Pavilion, which will include the Netballers shower and toilet block.

Salon On Morgan (Senior players mugs) and the Osborne Ladies Auxiliary (socks and canteen voucher awards) continued their generosity this season. A big thank you to them.

We had new sponsors in Michelle Forck (massage vouchers), Debbie Bender (Riverina Salon Supplies vouchers) and Kinross Woolshed (meal vouchers). We appreciate these businesses supporting our Netball Club. I hope we can all support your businesses as a show of appreciation.

A special mention to our Perpetual Sponsors for the Best and Fairest winner of the six competitive grades. They are -

A GRADE - Lockhart's Ex-Servicemen's Club

B GRADE - Regional Imaging Riverina

C GRADE - Birallee Tavern Wodonga

C RESERVE - Hore & Davies RURAL

INTERMEDIATES - Lockhart IGA

JUNIORS - Delta Ag Lockhart

On a Social Club note - thanks to everyone who made the "Player Auction" night another success this season. Thank you to Sally and Jane Hunter who organised the "Minute to Win It" night. A fun time had by all, I hear. I know people requested again to have a Ball - we did try, but dates didn't suit with the Football Club. A Ball gets raised each year. Hopefully next season!!

Finally to the ONC Committee - Nicole Smith (V/P), Shannon Bahr (Sec), Michelle Gleeson (Treasurer), Liz Lane (Publicity Officer), Jenny Smith (Registrar) and Liza Gooden (Umpires Advocate) - on behalf of the ONC, thank you for all your time, energy, dedication and running around organising things for the people in our Club, so things could run smoothly. Shannon, you kept us all organised with your emailing - no one should be able to say they didn't know something!

Hopefully season 2014 will see our ONC build on what we have achieved this season. We will continue to try and seek an outside A Grade coach for next season. Paula O'Connell and I had no luck this season after approaching about 20 suitable people for the role. Fingers crossed we will have more luck next year!

Enjoy the off season. Stay safe. I look forward to seeing you all next year.

## **A GRADE—2013**

**Back:** Kellie Noske, Josie Kennedy, Natasha Gowland, Kelsey Leaver

**Front:** Claire Baxter, Nicki Guttler, Danielle Bevan, Liza Gooden

**Absent:** Tori McAlister

It has been an up and down season for A grade this year. The season started with many new faces as well as some favourites making up the A Grade team. We welcomed Josie Kennedy, Claire Baxter and Kelsey Leaver to join Natasha Gowland, Danielle Bevan, Nicki Guttler, Kellie Noske and Tori McAlister as our A grade team for 2013 with Liza Gooden as coach and part-time player. The girls started the season well under the substitute coach Tania Gleeson which was fabulous. From there on the season involved some close wins as well as some close losses, and a couple of games where the scoreboard didn't reflect the hard work the girls put in. I would like to thank all the team for their support during the year. We always had a great roll up for training on Thursday night, and some were keen enough to come back on Friday as well. Thanks to the girls who played as part of our A grade team during the year and trained with us on Thursday night...we really appreciated your efforts. The girls also helped out with all of our fundraising events as well as assisted with training, coaching and umpiring duties. It has been a pleasure to work with the girls this year and be involved in their development as netballers.

I would like to make special mention of our team manager, Bonnie Schneider for getting me organised during the year and always being there. Bonnie did a great job every week for our team and we thank her for being such a marvellous person.

Thanks to the Netball Executive for all their hard work again this season...in particular the new spectator shed and toilet block which look great. Thanks to Liz Lane who knows when she receives my report the deadline for press has just been met...thank you for all your patience and understanding Liz, as well as all your hard work! Thanks also to the Ladies Auxiliary and the Osborne Football Club who work together with the Netball Club for our wider Osborne community. Special thanks to our great team of trainers who make it possible for us to play netball each week. Thanks to our sponsors: Salon on Morgan, Michelle Forck massage, The Kinross Hotel, the Yerong Creek Bowling Club, Lockhart and District Community Bank and the NSW Nurses Association. Their support enables us to continue our facility improvements as well as provide encouragement awards for our players. Finally thanks to my family who enable me to train on Thursday and Friday night as well as live at the netball court on Saturday...you are great supports to me.

Looking forward to seeing you all again for another season of sport next winter.

## B Grade

### B GRADE—2013

Back: Grace Alexander, Melanie Guttler, Sam Close, Bonnie Schneider (Manager)

Front: Gabby Dyce, Bec Chamings, Annabel Bender

Absent: Louise Weidemann, Annelisa Richardson, Michelle Gleeson

This year's B Grade team welcomed some new players to our Club, along with some "old" faces. We started the year very positive and finished the first few games on the wrong side of some close margins. It took a little while for us to settle into our places, as we had many players pass through our ranks, but we finished with a great group of very capable players. Unfortunately we were unable to pull off many wins over the season - we had great difficulty coming together for training, and unfortunately in this competition you can't be a competitive team unless you train together. Having said this, we had a great group of girls that were a pleasure to coach and play with, and even though we lost most of our games we never lost our spirit, and turned up each week to give it our best.

Thankyou to all those who played in B Grade this year (there is a fairly long list!) including those A and C grade players that filled in for us when needed.

Thankyou to our wonderful team manager Bonnie for your continued support over the year - keeping us all on track, and providing feedback when we needed it! Thanks also for all our supporters and families for coming along and watching us each week.

On a personal note I'd like to thank Hayden for juggling kids / netball / football and work all season so I could be part of this team and get to training each week and a big thanks to anyone that was landed with my kids while I played!

# C Grade

## C GRADE—2013

Back: Sarah O'Brien, Isabella O'Connell, Denise Willis ( Manager), Louisa Reynolds, Helen Schmetzer (Coach), Bridget McDonnell

Front: Caitlin Chant, Rose Gooden, Amanda Schneider, Georgia Willis

2013 wasn't the finest year for C Grade on the court. However, two very important events occurred during the course of the year. Firstly, we beat Lockhart and secondly we beat Howlong..... and they were our only two wins for the year!! Bit sad I know, but we were also voted the best looking team to take the court (maybe a little biased since the survey consisted only of the 10 C Grade players – but no-one can argue, it's in print now!)

Three of our players this year were in their first year of senior netball and I believe the improvement they made from the start of the season was remarkable. Rose Gooden adapted the mantra "turn and shoot" and this held her in very good stead as she grew in confidence during the course of the year. Sarah O'Brien showed herself to be a versatile player and whilst she mostly played through the centre court positions, was able to pop into either circle if needed. Maddison Ralston began the year at the shooting end for us but ended up showing us how good she could be in the defensive circle and became quite the little rebounder. Congratulations to all three – a very successful transition to "big people's netball".

Amanda Schneider was often the other main shooter for us and did a great job. Improving how she held her leads and on movement through the attacking circle was a significant gain for us this year. Caitlin Chant was another of our versatile players and could always be relied on to give one hundred percent wherever she was asked to play. Bridget McDonnell provided us with many highlights this year, including showing us her more ferocious side – was that another warning Bridget?? Isabella O'Connell (Miss "I can't shoot" but I just put in a few three-pointers) was also happy to play wherever she was asked and like Caitlin always give it her all. We decided to call her DODinator (Daughter Of Dominator), talent runs through the female end of that family!!

Georgia Willis was the only player brave enough to back it up for another full season with me – that girl is one tough cookie. Lucky for me she handles sarcasm very well – was there air between your feet and the court this year George?? Finally, we welcomed Louisa Reynolds to C Grade and to the Osborne Netball Club this year. Louisa became a very valuable asset for us in the GK position and was like an octopus down that end of the court. Not only did she become valuable as a player but also as an umpire too – Louisa, thank you so much for all you gave our Club this year!

Well that wraps it up for the players but I would be severely in neglect if I didn't mention our awesome manager – Denise Willis, Denise you did a sensational job this year and we really did appreciate all your efforts – THANKYOU!!

And there you have it, the end of another netball season. Girls, we might not have been able to get the wins on the board but we made many significant improvements as a team this year and importantly, we had plenty of laughs along the way –

## C RESERVE—2013

Back: Dominica O'Connell, Melissa Heyme, Cheryl Farrall, Suzanne Cheney, Nicole Smith, Erin Baker  
Front: Helen Guttler, Joanne Malmo, Terri Anschaw, Tania Gleeson (Coach), Joanna McAlister

What a year we have had! From the moment "Jo Mo" came up with the slogan, "EXPECT THE UNEXPECTED", we haven't looked back!!

Six losses for the season, and one draw. We did not lose a game in the second round. Apart from losing to Howlong in the opening round in the heat by 10 goals, and losing to Walla Walla in the wet by 24 goals, all our other losses were by five goals or less - showing just how close the C Reserve competition has been this season. All the finals matches were decided by six goals or less.

I want to take this opportunity to thank our Intermediate players - Lucy Webster, Olivia Alexander, Ella Ralston and Sally Hunter for filling in throughout the season when our team has been short. Without your participation, we would not have made the finals this season. All four Inters players were invited to train with us, sit on our bench during the finals series, and play - should the need arise.

Our first week of finals was very challenging for us knowing we were coming up against our arch rivals Lockhart. Terri was unavailable to play, Erin had recent surgery, and Jo Mo was off work sick all week...leaving us with only seven "fit" players!! Unfortunately our Inters just missed out on making the finals, however - fortunately for us - we could utilise any of our Inters players to fill in for us during the finals. We called on Sally Hunter (the Salinator) to step up..... and step up she did!!! Sally played an awesome game in GA (first half) and GD (second half), and she was awarded BOC against Lockhart in our winning side. Score was Osborne 39 defeating Lockhart 33. We only played Lockhart once during the season, and they were the victors by five goals.

Week 2 of finals saw us come up against Jindera. We only played Jindera once during the season also. On that occasion, we were victors by one goal, which was scored after the final siren by Olivia Alexander!! This Jindera team was a young and fit side, who made us work very hard for our victory. The final result was Osborne winning by five goals. Again, Sally Hunter was awarded BOC for her strong game at GD over three-quarters. Terri Anschaw was back, and both she and the "Jo Mo" shot very well. Jo McAlister ran well all game at C, applying pressure all over the court. The

"Noo-anator" had a great game at GK and WD - her hard work all year had paid off. But one more game to go Noo-anator.....keep going!!!! The "Dominator" dominated at GK in the second half.....nothing got passed her!!

Week 3 of finals saw us come up against Brock Burrum. Our two encounters during the season were close. In Round 1 of the season, they beat us by two goals, then in the second round, we evened the score by winning a thriller in the wet by three goals. Brock Burrum were the minor premiers, and we enjoyed playing against them each time, as our contests were always friendly and respectful. The score line in this final was no different - with the difference being three goals again. Thankfully, we were the winners. We let what looked like being a comfortable win, slip to a nail biting finish.....keeping both spectators and players on the edge of their seats. Jo McAlister had another consistent game at C, and took out the honours of being awarded BOC. Once the game was over, all mobile phones (with internet access) were out searching for flights from Albury to Sydney on Grand final day, so Dominica could play in the Grand Final, and still make her International flight that evening!! Thankfully we were in luck!

Week 4 - GRAND FINAL DAY....As I drove to Walbundrie, I was praying to myself saying - "Please make the right decisions today!" I believed all week that we would match up well against Walla - and that we did! Walla was the more dominant side for the first three-quarters, showing why they were one of the top sides all year. We were behind on the score board at each break. We were three goals down at three-quarter time, and my message to the girls was simple - "There is a premiership waiting for you in 15 minutes if you want it - IF IT'S MEANT TO BE, IT'S UP TO ME.....but we have to go and get it as a team!!" We never dropped our heads - despite trailing all game. Once we got ahead in the last quarter - thanks to THE BEST supporters EVER who were deafening with their cheering - we never looked back. We had an eight goal turn around, winning by five goals.

Jo McAlister ran non stop all game, applying pressure all over the court. Sally Hunter was pumped before the game, and played like a legend in defense all game. The Salinator took out the honours for BOC for the third time this finals series. Chezzam played consistently at WA. The Dominator showed why we needed her to be part of our team on Grand Final day - and not travelling on a bus to Sydney instead!! She rattled her GS - especially in the last quarter, causing her opponent to start missing her goals. Erin and the Noo-anator were also pumped and gave it their all. It took us a while to get our attacking end sorted, but in the final quarter - Jo Malmo and Terri were fantastic.

Winning a Grand Final is never easy, so winning from sixth position takes something very special. This C Reserve Team did not take anything for granted, and we knew we had nothing to lose during the finals. The Osborne community in general should be very proud of the way this team conducted itself both on and off the court. We had a lot of fun this season, respected each other, grew together as a team, and everything else took care of itself. Look what happens when you EXPECT THE UNEXPECTED!!!!!!!!!!!!

A huge thank you to Michelle Forck, Fran Jones, Jane Hunter, Louise Weidemann, and Kathryn Armstrong who helped out in various ways each week.

To all the Osborne supporters who came and barracked loudly - I have no doubt that helped us lift and get over the line.

And finally....to the BEST TEAM MANAGER EVER.....Maryanne Chant. Thank you, thank you, thank you for everything. Your motivational speeches were welcomed (but some photos were not!!!!), your passion was unquestionable, and you took a lot of stress off me during the finals, and throughout the season. You even overruled me a few times!! So on behalf of the C Reservers - THANK YOU.

Firstly I would like to thank the Netball Club for giving me this opportunity of coaching such a nice bunch of young ladies, and to the parents, I would like to congratulate you on the job you have done in raising such a nice bunch of girls.

To my daughter Ella, it must have been hard sometimes but I thank you for your patience and support. To Kellie Noske, my right hand woman, for her knowledge and tricks of the trade she brought to the games each week, also for training the girls when I was unable to be there.

Congratulations to Sally Hunter for having the opportunity of playing in and win a Grand Final and also getting Best on Court for the finals in C Reserve. Congratulations to all the C Reserve team you did our Club proud, also to the Under 17's Footballers - well done! Congratulation to Lachie Lane for BOG—great effort to you boys. Congratulations to Jacob Chant for winning Best and Fairest Under 14's in the Hume League vote count. Well done to all the trophy winners in the Hume League vote count. To all the Trophy winners at our Presentation, congratulations and well done for a great season.

We had a great windup at Laser Tag and the children were all so well behaved and had a great time. A big thank you to the parents once again and to the lovely Gentleman who gave the kids a free game that was awesome.

See you all again next year thanks,

***Tena Briggs (Inters Coach)***

The Mods had an amazing season this year going through undefeated. All the girls put a lot of effort into training each week which showed on game days, with the girls rising to the challenge and facing each new team every week with determination. Although the girls went through undefeated we still faced a lot of tough teams that we could have lost to, but every hard game the girls rose to the occasion and dug in harder to bag the win.

Even though the girls became a little complacent about half way through the year they took to the challenge of playing out of their positions in their stride and never complained if I tried to 'try something new'. Every player was keen to have a go at playing out of their normal position which made the games more exciting. It was nice to see all the players encouraging one another when they played out of position.

Overall a very successful year – So thank you to Casey, Grace, Imogen, Astrid, April, Nell, Sophie, Tia, Brianna, Rachael, Maddy, Diaz and Rose. You girls were a pleasure to coach and I thoroughly enjoyed my time with you all. All the best for next year. Hopefully you will all have another amazing season.

Special thanks to all of the Osborne parents for getting the girls to training and the games. Couldn't have done it without you. And also thanks to Jo Malmo – you were a fantastic Team Manager and I really appreciate that you kept me organised each and every week.

***Josie Kennedy (Mods Coach)***

I had pleasure this year, once again, to coach our Midgets team! Most of the girls I had coached in 2012, so it was nice to follow up with them and continue our skills! I'm very fond of the team and I'm inspired every week by their willingness and determination to get the ball!

We had a very successful season. In the Midgets comp we don't keep score. The girls however successfully won every week! Sometimes an easy win, sometimes they had to work hard! The team were mostly 8 and 9 year olds. Their enthusiasm each week to train and play was amazing! They all really want to learn, and show promising skills which developed into a high standard by the end of the season. I was able to go into more detail of showing them more difficult skills. All players were able to play attack, shooting, defence or centre.

I was particularly impressed with my team when we were playing much younger teams.... The girls would stop their play to help the much younger girls in the opposition and coach/ help them. I was very humble in watching the girls show the younger opposition how to run, give them the ball and on a few occasions actually lift them up to the goal to shoot! Excellent sportsmanship! I was approached by the opposition's coach a few times to thank the girls on their play! We were all learning once. And I know it was very frustrating for the girls but they did not show it... Well done girls!

We had the great opportunity of playing in the Rand carnival. What a great day! We went undefeated all day , however were beaten by one goal in the grand final by Lockhart.

I would like to thank all parents who bought the girls to training and to the game every week and for helping out with the Club! Thankyou also parents for your help and support you gave me! A huge thankyou to The Osborne committee who make our Club what it is!

I wish all the girls a great summer season and hope they are practising there skills and shooting ready for next season.
