Clubs will be allowed to self-nominate for either of these divisions, although the CA will reserve the right to allocate a Club team's playing division for the purpose of eliminating byes within the draw and balancing the competition. Where necessary, placement will be determined by the previous year's playing form.
- f) Two clubs will be allowed to contribute players to these teams co-operatively. If this occurs all players must be registered with the one (1) club. The team may but will not be required to play under a combined identity. This clause is subject to the approval of the CA, with consideration to the needs of the competition as a whole.
- g) All Division players will only be registered with the one (1) club and may only play for other teams from that club, if eligible.
