Glenunga Rams – U9 White

Round: 8

Glenunga U9 White vs Unley U9 Black

Sunday, 25th June 2016, 8.30am

Well, what a chilly start to this week's game at Kingswood Oval, with lots of long sleeve shirts and polo's worn by all. We knew today's game against Unley was going to be a hard and tough contest.

Team Captain for the day was Henry Michael.

Quarter 1

The first Qtr was a tough, tight battle and very even with both sides not having too many scoring opportunities. Our midfielders led by Blake, Darcy, Tom and Alex all got plenty of the ball. Hugh and Will in the backline tackled strongly. Jacko got hit high but battled on and Tyler continued to successfully run the ball out of defence. Forwards got limited opportunities in this Qtr.

Quarter 2

The game opened up and the boys continued to run and create, sharing the ball around. Lachie was playing well in the midfield and Yeoryi, Sam and Henry M provided good support. Tyler was on fire in the forward line dodging and weaving around the opposition, and was unlucky not to have kicked a goal. Henry B also up forward was good and showed plenty of determination to stay out on the ground after being hit in the face. Blake, Darcy and Tom also played well in the backline this Qtr, at times they were under siege but continually kept running the ball out of defence.

Quarter 3

This Qtr was our best for the game, we had some great scoring opportunities and were extremely unlucky not to have kicked a few goals. Will and Henry B's clearance work out of the midfield was fantastic, Blake up forward was providing a good target to kick to and took some great marks. Blake, along with Jacko and Tyler all had chances to kick goals but unfortunately had some narrow misses. Our backline players Lackie, Darcy, Sam and Henry M also worked well together restricting Unley to NO Score in the Qtr, great effort boys!. Special mention to Darcy who hit heads with an Unley player, came off for a rest and was ready to go in the last Qtr, what a great show of fighting spirit!

Quarter 4

The last Qtr was a tough one. Unfortunately Unley got away from us with them kicking 3 goals to our 1 this Qtr. Backline battled hard all Qtr and never stopped trying. Great effort by Blake, Darcy, Yeoryi and James. Midfielders, in particular Henry B continued to work hard along with Jacko, Hugh and Tyler. Even though we got out-scored, we still had plenty of our own opportunities. Forwards Will, Henry M and Lachie had all good chances to kick goals. We did manage to kick a last Qtr goal with some great team work. Well done Lachie, great goal!

In summary, well done to all the boys for a great effort! The boys persevered all game, and never stopped trying. That's all we can ask of them. Keep up the Great Work, Tim and I are extremely proud of your efforts!

Once again, thanks Geoff (Lachies grandfather), for the great photography. Very much appreciated.

Thanks,
