## U11

The u11 team has been going really well on game day and at training. It's great that all the boys have been putting into practice all the things we have been working on at training. The main thing is that all boys are sharing the ball around and they all are having fun. Good luck today boys.

Stevie

## U9

It is fantastic to see how well the joeys have been playing lately. They are playing FAST, TOUCH, TEAM footy which is exciting to watch. Keep up the good work kids!

## U17 1/2

Welcome all to another Mannum home game. Every week brings new challenges and the challenges of late are injuries. The tow main ones being Jake Wiebrecht and Blake Tabe. With those two out it opens the door for other lads to step up which is exciting to see who will stick their hand up. All the best to the other grades and netball. Also it's sponsors day so thanks to them and we hope they enjoy the day. Cheers Micky O

## U15

Congratulations to Daniel Laubsch who had been selected in the Sturt u15 country squad. Some of our players have had some unfortunate injuries. We have had seven u13's playing up who have all played really well. Cheers Cutter

## Under 13

Hello again u13 supporters so close yet so far, a quote from the Tailem Bend u13's 'how come you have not won more games no team has got as close to our score as you have, good contest'. Take it on board you guys and girls we are around the mark. Keep up the good work it's starting to pay off. Still very proud of all of you. Snowy

Welcome today to all our supporters and sponsors.

The Mannum FC wouldn't be what it is without your support so thank you and today against the undefeated 2016 pace setters Ramblers we will be working hard to reward your efforts.

Since we last spoke we have had 2 very good wins over Mypolonga and Tailem Bend. A number of different players have featured in our best players during these games which is very pleasing.

One player who excited us more than most was the debut of 16yo Blake Tabe. Blake's first game showed the confidence and maturity of a much more experienced player so we were shattered for him when he broke his arm badly playing school football.

With the support of family and friends I am sure we will see him back before the finals contributing to the MFC success.

On the injury front we welcomed back last week Braden Herrmann and hopefully we will see Ben Quinn, James Smith, Chris Hall, Jake Wiebrecht and Tim Prince back on the park soon.

Just a quick update on what is happening in the lives of some of our A Graders.

It was great to see Saturday night that the leader of our Wolf pack was looking after his pack despite the threat of personal danger.

This fearless leader received a call from Mrs Wolf at 3am suggesting coming home should be a priority however with several of the pack still roaming he decided to stay until they were all home safely.

Is 7am early or late? (Mr and Mrs Wolf seem to have different opinions)

Our flamboyant Bachelor is still struggling emotionally after his recent break up. This Romeo bought his rebound "darl" some jewellery (not a dog) as recognition of her love and support but unfortunately this was mistaken as a sign of exclusivity. (He should have realized the danger when one morning she woke, checked his rig out and sighed, "I could get used to waking up next to this everyday"). ROOKIE ERROR !!

Several facebook posts and texts later and the bachelor was ducking and weaving like he does on a Saturday afternoon.

We had thought of assigning a wingman for this bachelor however we fear this job is too big for one man as he bounces his way through a number of "special" cuddles. If anyone thinks they can help please contact the coaching staff but in the meantime let's all rally around our heartbroken hero.

## *Reserves*

Welcome to the Rambler footy and netball teams to the home of the Roos. It's a big day for the Mannum Footy club with the all important sponsors day. A big thank you to all who sponsor our proud footy club, whether it's big or small it is very much appreciated. A great day of footy lies ahead with both League and Reserves two top sides playing off against each other. My boys are really looking forward to playing the top side.

# From the President

Well we are over half way through the year and overall the teams are well placed in all grades which is a credit to all involved. Last week the senior teams had convincing victories in both grades by winning both games by around 100 points, in the A Grade better players were P Adlington, J Bowen and J Kellock while B Wakefield played one of his better games for the year at centre half back while in the twos K Amber is pushing his case for a call to the senior side with a superb game while being well supported by E Giles and B Herrmann in his first game back for a while. The juniors also had convincing wins with the 17.5s still undefeated and J Woollard continuing his form with 8 goals and C Horstmann and T Worthley picking up kicks at will were great, in the 15s our boys had a few out but still won by over 100 points with M Heward and D Laubsch played well while Cooper Jarratt was fantastic. A mid year thanks to our volunteers who have been putting in a tremendous effort so far.

Today we host our sponsors at the club, it is a way for us to say thanks to the people and business in our district for supporting our great club, we also welcome Ramblers Football Club to mannum so lets enjoy the day.

Dave

## Carn the Roos

### Reserves cont.

We have been playing some great footy in the past few weeks. Our fitness has been improving in leaps and bounds which means the boys are really working hard at trainings which is great to see. With being fit our ball skills have improved and so has the self belief within the group that we can match it with any team. Good luck to all Mannum teams today, go you Roos.

Cheers Goges
